CABINET – 13 November 2019

Notice of Recommendations from the Overview and Scrutiny Board Meeting held at 2pm on 11 November 2019, for provision to Cabinet meeting of 13 November 2019.

Action required – for consideration by Cabinet and publication of a response within 2 months of 13 November 2019.

Overview and Scrutiny Board Agenda Item 5 – Call for Evidence – 5G Connectivity

The Overview and Scrutiny Board resolved:

- a) That Cabinet be asked to consider equitable ways to involve the public more in the consultation around the planning implications of the implementation of 5G technology, particularly with regard to the siting of masts.
- b) That if Cabinet is minded to approve the deployment by the Council of 5G connectivity as part of the Lansdowne Digital Pilot continuous monitoring takes place to ensure that the levels of radio wave emissions fall within the internationally recognised limits, and the findings be reported back to the Overview and Scrutiny Board.
- c) That the Board agrees that all information submitted in its call for evidence in relation to 5G connectivity be passed to Public Health England to consider for inclusion in future reviews.
- d) That a framework be established for feedback to be provided to the Council in relation to the call for evidence information passed to Public Health England.

Note: In discussing this item, the Chairman agreed on behalf of the Board to request through Cabinet that the Council contacts other relevant local authorities with regard to their work in this area, including those who have agreed to be Government funded test bed areas and those who have declared a moratorium.
