Cabinet Agenda Item 9 - Preventing Domestic Abuse Strategy and Delivery Plan 2020-2023

The Overview and Scrutiny Board recommends that additions are made to the draft domestic abuse strategy **and delivery plan*** to include detailed actions for improving the services ability to engage with residents who have struggled to engage previously, including male victims of domestic abuse and those in same sex relationships, victims who are BAME and/or don't speak English as a first language and those who have multiple needs such as mental health and/or substance misuse.

* Please note that the words in bold are a suggested amendment to the original recommendation agreed by the Board. This has been included at the request of officers and the Chairman and Vice-Chairman supported the inclusion of this suggested minor amendment.

Cabinet Agenda Item 8 - Fly-tipping and Fly-posting Enforcement Pilot

The Overview and Scrutiny Board recommend that Cabinet reconsider this decision, and not proceed with the contract at this time in order to take time to look at what other options are available.
