Amendments to the following conditions to address the phasing of the site and updated plan no’s. Additional condition added for a Construction Method Statement.</p> <p>c. Request delegated authority from the committee to vary the wording of the contaminated land condition (#3) where appropriate to incorporate existing reports and information already submitted to address contamination issues on the school site.</p> <p>6.The development of the approved north and south residential sites as shown on the approved masterplan Drwg. No. 190090 1400 P11 hereby permitted shall not</p>																																																					

		<p>be brought into use until the approved access, turning space, garaging,/vehicle parking and cycle parking for the respective north and south sites to which it relates as shown on the approved plans have been constructed, and these shall thereafter be retained and kept available for those purposes at all times.</p> <p>Reason: In the interests of highway safety and in accordance with Policies PP27, PP34, PP35 and PP36 of the Poole Local Plan (November 2018).</p> <p>9. Concurrently with the construction of the development hereby permitted, the first 4.5 metres of the access crossings, measured from the near side edge of the carriageway, shall be laid out, constructed, hardened and surfaced, in accordance with details to be submitted to, and approved in writing by, the Local Planning Authority. The details shall include the provision of continuous footway crossings.</p> <p>Reason: In the interests of highway safety and in accordance with Policies PP27, PP34, PP35 and PP36 of the Poole Local Plan (November 2018).</p> <p>13. No works above damp proof course shall be commenced until a scheme for the drainage of the site shall be submitted to, and approved in writing by, the Local Planning Authority. This shall include details of the provision and maintenance of the proposed stormwater alley to ensure it remains clear of obstruction as shown on the submitted plan Drwg. No. 80468-403 Rev. D by Such Salinger Peters prior to the first occupation of any dwellinghouse on the northern site as shown on the approved masterplan Drwg. No. 190090 1400 P11. The drainage works shall be implemented in accordance with the approved scheme and thereafter retained.</p> <p>Reason: To prevent the increased risk of flooding by ensuring the provision of a satisfactory means of surface</p>
