

CABINET – 28 September 2022

Notice of Recommendation from the Place Overview and Scrutiny Committee meeting held on 21 September 2022, for provision to Cabinet meeting of 28 September 2022.

Action required – for consideration by Cabinet and publication of a response within 2 months of 28 September 2022.

Cabinet Agenda Item 6 – Bereavement Services business plan phase one update report and options appraisal for the future Poole Crematorium facility

The Place Overview and Scrutiny Committee recommend to Cabinet that, subject to no further information coming forward from the technical report on the existing cremating equipment, that Cabinet aim for a reopening of cremators at the Poole Crematorium facility by 2025/26.
