Notice of Recommendations from the Overview and Scrutiny Board Meeting held on 22 September 2025, for provision to Cabinet meeting of 1 October 2025.

Action required – for consideration by Cabinet and publication of a response within 2 months of 1 October 2025.

O&S Board Agenda Item 7 – Residents Card (Cabinet agenda item 8)

RESOLVED that the Overview and Scrutiny Board do not support the recommendation as outlined in the report as the Board did not feel that the Cabinet report included sufficient financial details and details of the scheme offers to enable it to make an informed decision. The Board recommend to Cabinet that the report is deferred to allow details of the financial modelling that has been done to be added, including a cost/benefit analysis and a sensitivity analysis. Once this additional information is included in the report, it should then be brought back to the O&S Board before being taken to Cabinet for decision.
