A key decision, which must be included in the Cabinet Forward Plan, is a Leader or Cabinet decision which is likely to meet one or more of the following criteria:

- a it will result in the Council on its own or in partnership with other organisations spending or saving £500,000 or more, with the exception of operational expenditure or savings identified within the agreed Service Plan and Budget.
- b it is likely to have a significant impact or effect on two or more electoral wards.

In determining the meaning of “significant” for these purposes the Council will have regard to any guidance for the time being issued by the Secretary of State in accordance with section 9Q of the Local Government Act 2000. Current guidance indicates this is for the decision maker to determine.
