I refer also to the AGC's Responsibility for Functions 5.1(a) and 5.1(r) in Part 3 of BCP's Constitution concerning, respectively, the AGS and Council non-compliance.

Notwithstanding a response regarding this matter that may be forthcoming from the Monitoring Officer following my email of 6 September, what are the AGC's opinion and intentions concerning this breach of the public's and local electors' rights?'

The Committee noted that, in accordance with the provisions of the Constitution, a written reply would be provided to Mr Gatrell and copies circulated to members of the Committee.

24. Independent Investigation and Response to a Deputation regarding Kinson Community Centre

Further to the decision at the previous meeting of the Committee, consideration was given to the action taken by Bournemouth Borough Council to address a series of complaints received over a period since October 2014. The Committee was reminded of the substance of the allegations and the process of investigation was set out. Members were informed, however, that, despite repeated attempts to obtain a response from the Community Association to the initial report and to the proposal made at the last meeting, a response had still not been received.
