Declaring interests at meetings

Familiarise yourself with the Councillor Code of Conduct which can be found in Part 6 of the Council's Constitution.

Before the meeting, read the agenda and reports to see if the matters to be discussed at the meeting concern your interests

What are the principles of bias and pre-determination and how do they affect my participation in the meeting?

Bias and predetermination are common law concepts. If they affect you, your participation in the meeting may call into question the decision arrived at on the item.

Bias Test

In all the circumstances, would it lead a fair minded and informed observer to conclude that there was a real possibility or a real danger that the decision maker was biased?

Predetermination Test

At the time of making the decision, did the decision maker have a closed mind?

If a councillor appears to be biased or to have predetermined their decision, they must NOT participate in the meeting.

For more information or advice please contact the Monitoring Officer
(susan.zeiss@bcpcouncil.gov.uk)

Accountability

Councillors are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this

Openness

There were no matters arising from the above meeting.

46. Charter Mayor's Report

The Mayor reported on her activities since the last meeting of the Charter Trustees meeting on 25 August 2020 which included various virtual meetings such as Mayoralty Team catch ups and briefings, attending a meeting of Chesthelp and opening an Art Gallery in Bournemouth. The Mayor confirmed that if anyone wanted to visit the Gallery it was in the Victorian arcade in Bournemouth Centre which included beautiful artwork from talented artists.

The Mayor reported that she had been contacted by the Moordown Traders Association indicating that the organisation was expected to cease shortly. She explained that there was a surplus of funds and that it was written into their constitution that should this happen there was a section which indicated that any leftover funds were allocated to the Mayor's Charities which sadly but happily she would pass on to Streetscene and CALM which were the Charities she supported. The Mayor reported that she looked forward to updating the Charter Trustees later in the year.

The Mayor highlighted that her escort Mrs Rae Stollard had been awarded the MBE for her services to the community. She also reported that she had

recommended five people for recognition for their work in the community at the request of the High Sheriff of Dorset who has also asked to extend his thanks to everyone for all their work during the Covid-19 pandemic.

47. Budget Update Report

The Responsible Financial Officer (RFO) presented a report which provided an update on the budget, a copy of which had been circulated to each Member and a copy of which appears as Appendix 'A' to these Minutes in the Minute Book.

The Charter Trustees were advised that the report covered three areas backward looking into the financial outturn for 2019/20. The RFO reported that at the August meeting of the Charter Trustees the high-level accounting statements had been approved and it was agreed that the detail of the statements would be submitted to this meeting. He explained that Appendix A to the report detailed the outturn position for last year against the approved budget and indicated a contribution to reserves of nearly £8k. The RFO explained that the second part of the report looked at this year's budget which shows due to Covid-19 that civic budgets had not been spent and if that continues in the same way it was expected that an additional £37k contribution would be made into reserves with closing reserves of just over £45K. Officers recommended that arrangements be made for a budget workshop for the Charter Trustees towards the end of November in preparation for the budget for next year to take account of aspirations for Council tax, understanding the tax base, recharges and the use of reserves.

The Charter Trustees considered the nominations for the budget workshop. It was suggested that this include the budget signatories, the current Mayor, previous Mayor and one other Charter Trustee. It was also suggested that this workshop could be undertaken jointly with Poole and Christchurch if appropriate.

The Mayor called on Councillor Kelsey to report on the development of the risk register as detailed at item 7 on the agenda. He reported on the work of a small group of Charter Trustees to ensure that the risks associated with the Charter Trustees including the role of charter trustees, governance arrangements, health and safety, equality and diversity, accommodation, consultation were addressed in the risk register. He explained that it was proposed to report back to the Charter Trustees in January 2021.

RESOLVED that:-

- (a) The Charter Trustees note the budget outturn position for 2019/20.**
- (b) The Charter Trustees note the in-year budget position for 2020/21.**
- (c) The Charter Trustees nominate members to form a budget workshop in November to discuss the draft budget for 2021/22 in accordance with the suggestion detailed above.**

Voting: Agreed

48. VAT Position Update Report

The Responsible Financial Officer (RFO) presented a report which updated on the VAT position, a copy of which had been circulated to each Member and a copy of which appears as Appendix 'B' to these Minutes in the Minute Book.

The RFO reported that this report updated Charter Trustees on the process taken by Officers to make an application for the Charter Trustees to be registered under Section 33 of the VAT Act. He explained that if there were no delays to the statutory instrument then the Charter Trustees would be able to reclaim VAT from 4 November 2020 but, would not be able to reclaim VAT retrospectively.

The RFO reported that HMRC had advised officers that the Statutory Instrument had been laid before Parliament and from 4 November 2020 onwards the Charter Trustees can claim VAT but not retrospectively. He explained that the report set out the process for registering and claiming VAT which depended on the legislation used to establish the Charter Trustees. The RFO reported that there were complexities which had been shown in the dealings with the HMRC in referring issues to their policy team. The RFO reported that the Charter Trustees had been set up alongside BCP Council and the priority was on a safe and legal landing. The RFO reported that the initial assumption had been that the Charter Trustees in the first year would be able to reclaim VAT under the BCP Council umbrella and the reason was due to the complex precept setting rules that applied to the Charter Trustees in that first year. He explained that BCP Council would anticipate the amount the Charter Trustees needed to run its budget, but that amount scored against the BCP Council's Council Tax requirement and referendum limits so in terms of Council Tax legislation appeared to be part of the BCP Council funding. As officers went through the process with the HMRC it became apparent that this was not the case and the Charter Trustees needed to be registered under section 33 of the relevant legislation in its own right.

RESOLVED that the Charter Trustees note the content of the report.

Voting: Agreed

49. Update on the development of the draft risk register

Please see comments set above under the budget update report

50. Roles and Responsibilities of the Budget Signatories

The Deputy Head of Democratic Services reported on the roles and responsibilities framework which had been prepared for the budget signatories following the recommendation set out in the Internal Audit report agreed by the Charter Trustees at its last meeting. Charter Trustees were asked to consider the document and make any amendments including considering the governance role of the budget signatories.

RESOLVED that the roles and responsibilities as circulated be agreed.

Voting – Agreed

Executive summary	<p>The Charter Trustees are required to set their 2021/22 budget, council tax requirement and resultant precept for submission to BCP Council by 31 January 2021.</p> <p>This report also updates the Charter Trustees on the conclusion of the external audit of the 2019/20 Annual Governance and Accountability Return.</p>
Recommendations	<p>It is RECOMMENDED that:</p> <ul style="list-style-type: none"> (a) The draft budget for 2021/22 as set out in Appendix A be approved; (b) The council tax requirement and precept of £147,956 be approved; (c) The Charter Trustees note the conclusion of the external audit of the 2019/20 Annual Governance and Accountability Return.
Reason for recommendations	To set the budget, council tax requirement and precept for 2021/22.

Honorary Clerk	Graham Farrant
Report Authors	Dan Povey, Responsible Financial Officer
Wards	Council-wide
Classification	For Decision

Background

1. The budget for 2021/22 and resulting council tax requirement and precept must be agreed by a formal meeting of the Charter Trustees. In order for BCP Council, the billing authority, to produce the requisite calculations required for council tax billing under the Local Government Finance Act 1992, the precept must be agreed by 31 January 2021.

Budget 2020/21

2. It was reported at the meeting of 26 October that the 2020/21 budget would be significantly underspent due to the effect of covid-19 and the associated restrictions on activity during the year. The current projection in Appendix A is that underspends across civic budgets will result in an in-year contribution to reserves of £36,669 compared to the budgeted contribution of £4,400.
3. Any in-year position would be added to the reserves carried forward from 2019/20 of £7,994.

Budget 2021/22

4. The proposed budget for 2021/22 is detailed in Appendix A and results in a council tax requirement and precept of £147,956.
5. At their meeting of 26 October 2020 the Charter Trustees agreed to nominate members to form a budget workshop in order to provide guidance to officers in drafting the 2021/22 budget and so facilitate the budget setting process at today's meeting.
6. The budget workshop was held on 9 December 2020 and as a result of the discussions and guidance received at the workshop, the draft 2021/22 budget has been drawn up as follows:

Review of individual budgets

7. In the main, individual budget lines have been maintained at 2020/21 levels in order to ensure that the base budget is fit for purpose once activity returns to normal after the pandemic.
8. The budget workshop discussed whether a twinning budget was desirable but confirmed that costs relating to twinning should not be funded from the public purse whether that be Charter Trustees or BCP Council.
9. The budgets for stationery and postage have been reviewed and reduced to reflect actual activity.

10. The premises budget has been reviewed and reduced to reflect reduced accommodation costs, and this budget will be kept under consideration as the BCP Council's accommodation project progresses.
11. A £100 budget for investment income has been included, based on a forecast of the average interest rate that BCP Council achieves for its investments and applied to the average level of reserves the Charter Trustees will hold for 2021/22.
12. As part of the budget setting process the level of salary and employee recharges that the Charter Trustees receive from BCP Council has been reviewed and updated where necessary. They were discussed in detail at the budget workshop which confirmed the proposed charges looked reasonable.
13. The main change to the recharges that the Charter Trustees receive are for accountancy which will increase from £500 to £3,450 to better reflect the level of support offered by the finance team in relation to budget setting, monitoring, annual accounts, VAT and bank reconciliation. The calculation of the accountancy recharge is detailed in Appendix B.
14. A recharge of £1,250 has also been included for internal audit's review of the Annual Governance and Accountability return but is offset by reductions in external audit costs.
15. Salary budgets have also been reviewed in order to better reflect the support given to the Charter Trustees from the democratic services team, and now includes time allocations from the Head and Deputy Head of Democratic Services. Time allocations for the Mayor's personal assistants and macebearers are based on the team spending 80% of their time supporting the Bournemouth and Poole Charter Trustees, of which 60% of this is allocated to the Charter Trustees for Bournemouth. The recharge has increased from £66,700 to £89,200 and the calculation is detailed in Appendix B.

Reserves

16. The table below summarises the projected reserves position for the Charter Trustees for Bournemouth as at 31 March 2021, and the recommended utilisation of reserves as a contribution to the 2021/22 budget.

Figure 1: Projected Reserves

	Forecast 2020/21 £	Recommendation 2021/22 £
Opening Balance 1 April	7,994	44,663
Movement in Year	36,669	(7,994)
Closing Balance 31 March	44,663	36,669
Percentage of Proposed Precept 2021/22	30%	25%

17. The projected level of reserves as at 31 March 2021, taking into account the in-year underspend due to covid-19, is £44,663. This represents 30% of the proposed precept for next year. The RFO would recommend a level to be held in reserves of 20% in order to provide for unforeseen expenditure.

18. There is an opportunity therefore to use the £7,994 of reserves as at 1 April 2020 that are already at the disposal of the Charter Trustees as a contribution to the 2021/22 base budget. This one-off contribution to the budget will help mitigate the growth in the 2021/22 budget resulting from the salary and recharge review. It is also proposed that the budgeted contribution to reserves of £4,400 is removed for 2021/22 to further mitigate the budget growth.
19. These reserve adjustments would be for one financial year, with the level of reserves being monitored and potentially a contribution to reserves being reinstated as part of the 2022/23 budget process. This strategy was endorsed in the budget workshop, and if approved would result in forecast reserves of £36,669 as at 31 March 2022, or 25% of the precept.
20. Once the financial year has ended and the precise level of reserves achieved in 2020/21 is known, the Charter Trustees could decide how they wish to utilise any reserves in excess of the minimum recommended balance, for example supporting one off expenditure or awards.

Tax Base 2021/22

21. The council tax requirement, or precept, that funds the budget is apportioned across the tax base to arrive at a charge per property. The tax base is the number of chargeable properties in the Charter Trustee area converted into Band D equivalents.
22. Usually the expectation would be that the tax base increases year-on-year as new homes are built. However the tax base has reduced from 63,942 in the current year to 61,887 in 2021/22. This reduction is partly due to the effects of the pandemic which have increased the costs of local council tax support and affected collection rates.
23. The tax base has also been impacted by the community governance review which has established the new parish of Throop and Holdenhurst. The Charter Trustees cannot precept in an area that is covered by a parish council.
24. The reduction in the tax base of 2,055 Band D equivalent properties, or 3.2% of the tax base, has the effect of increasing the charge made to residents in the Charter Trustee area because there are fewer properties over which to spread the precept. It is hoped that the effect will reverse in future years as the economy recovers and as more homes are built.
25. The assumed one-off nature of the tax base decrease reinforces the strategy of utilising reserves in 2021/22 to mitigate growth in the Band D charge.

Council tax requirement and precept 2021/22

26. If the draft budget as set out in Appendix A is approved, it would result in the following precept and Band D charge.

	2020/21	2021/22	Increase £	Increase %
Precept £	137,250	147,956	10,706	7.8%
Tax Base	63,942	61,887		
Band D Charge £	2.15	2.39	0.24	11.2%

27. The council tax increase of 11.2% equates to an increase of just £0.24 per annum on a Band D property.
28. It should be noted that the Charter Trustees are not subject to council tax referendum principles for 2021/22.

Conclusion of audit: Annual Governance and Accountability Return 2019/20

29. The external auditor has completed their review of the 2019/20 Annual Governance and Accountability Return and confirmed that in their opinion:
“the information in Sections 1 and 2 of the AGAR is in accordance with proper practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met”.
30. The auditors did refer to the non-compliance with respect to risk management as reported in the AGAR and internal audit report, but that adequate explanation has been given and actions are being taken to address the weaknesses. The auditors also referred to the other weaknesses reported to the Charter Trustees in August as part of the internal audit report relating to VAT, risk assessment, salaries and assets, all of which are subject to the action plan as reported to the August meeting.
31. A Notice of Conclusion of Audit and the certified Annual Governance and Accountability Return have been published on the Charter Trustee’s website in accordance with the requirements of the Accounts and Audit Regulations 2015.

Background

1. The Charter Trustees for Bournemouth were established on 1 April 2019 as part of a wider local government reorganisation within Dorset. In order to ensure a safe and legal landing on 1 April 2019 the new Charter Trustees have made use of the BCP Council financial regulations to govern their financial control environment.
2. Whilst this arrangement was an efficient and pragmatic solution and was consistent with the appointment of BCP Council officers to provide the Charter Trustees with financial and administrative support, now that the Charter Trustees have become established, and as separate legal entities, they will benefit from approving their own bespoke financial regulations and scheme of delegation.
3. The Annual Internal Audit report presented to the Charter Trustee meeting of 25 August 2020 identified the review of financial regulations and the scheme of delegation as a high priority in order that they were consistent with the size and functions of the Charter Trustees.
4. Since their establishment the Charter Trustees have made use of the BCP Council banking arrangements and been part of the council's financial ledger. In reviewing the financial regulations it was recognised that opening the Charter Trustees a bank account of their own and creating their own financial ledger would allow the financial regulations to be more relevant and would recognise the Charter Trustees as a separate legal entity to the council.

Financial regulations

5. The draft financial regulations are attached as Appendix A to this report.
6. The financial regulations govern the Charter Trustees' financial management and control environment and apply to both Charter Trustees and officers. The financial regulations seek to ensure that there is an effective system of internal control and risk management in place, in order to safeguard public funds and assets.
7. The following key areas of the financial regulations are particularly brought to the attention of the Charter Trustees:
 - a. Appointment of officers to support the Charter Trustees (Regulations 1.7 and 1.8);
 - b. The responsibilities of the Responsible Financial Officer (Regulation 1.9);
 - c. Decisions that can only be taken by the Charter Trustees (Regulation 1.13);
 - d. Provisions relating to the production of accounts, internal and external audit (Section 2);

- e. Budget setting and budgetary control (Sections 3 and 4);
- f. Banking arrangements and making payments (Sections 5 and 6);
- g. Ordering goods and services (Section 10);
- h. Control of assets (Section 13);

Scheme of delegation

- 8. The draft scheme of delegation is attached as Appendix B to this report.
- 9. The scheme of delegation is derived from the authorities set out in the financial regulations, and seeks to clearly define the functions delegated to officers and the functions that must be carried out by the Charter Trustees.
- 10. The scheme also seeks to provide an adequate separation of duties in relation to functions concerned with the authorisation of expenditure and banking arrangements and should be read in conjunction with the bank mandate attached at Appendix C.

Financial processes and procedures

- 11. In reviewing the financial regulations and ensuring that they are relevant and fit for purpose for the Charter Trustees other changes to financial systems and processes have been identified. These changes are largely concerned with recognising that the Charter Trustees are a separate legal entity to BCP Council and in order to demonstrate clear lines of accountability and audit trails it is desirable that their transactions are accounted for separately from the council's transactions.
- 12. The Charter Trustees can still enjoy economies of scale and efficiencies associated with the appointment of BCP Council officers to support their secretarial and financial requirements, and by using the core finance system and banking contract used by BCP Council.
- 13. The main proposed changes to processes and procedures are as follows:
- 14. **Bank account** – the Charter Trustees will have their own individual bank account through which all income and expenditure will flow rather than using the BCP Council bank account. This will improve transparency and allow for individual bank reconciliations of the Charter Trustees' transactions. The Charter Trustee banking arrangements will still be under the umbrella of the council's banking contract and so they will benefit from efficiencies in bank charges and also the separation of duties in authorising payments that the council achieves.
- 15. **Stationery** – the Charter Trustees will have their own stationery such as order books, receipt books, invoices and authorisation slips.
- 16. **Accounting Records** – the Charter Trustees will continue to use the BCP Council accounting system and so benefit from cost efficiencies and the financial controls implemented by the council, but will be separately identified in their own chart of accounts as a separate legal entity rather than as a cost centre within BCP Council.

18. The financial regulations ensure that the Charter Trustees comply with relevant legislation and proper practices.
