87. Confirmation of Minutes

The minutes of the meeting held on 16 December 2021 were confirmed as a correct record.

88. Public Issues

There were a number of requests to speak and written statements to be read out on planning applications considered by the Planning Committee.

The Chairman exercised his discretion as permitted by the Protocol for Speaking/Statements to allow those who wished to address the committee directly, to do so virtually via Microsoft Teams if they preferred.

89. Schedule of Planning Applications

The Committee considered planning application reports, copies of which had been circulated and which appear as Appendices A to F to these minutes in the Minute Book. There was an addendum sheet published on 19 January 2022 which appears as appendix G to these minutes. The Committee considered the planning applications as set out below:

90. 30-34 Panorama Road, Poole

The Chairman reported that he would be putting a move to defer consideration of this application to the Committee to vote upon. He explained that there had been insufficient time to consider a number of issues raised regarding the report in the last few days and requests for deferral had been received. It was anticipated that the application would come back to the Committee in the next meeting cycle.

The Senior Solicitor advised that an update could be reported to the Committee in the event of Officers not being in a position to bring the application back to the Committee in the next meeting cycle.

RESOLVED that consideration of the application be DEFERRED
