Maintaining and promoting high standards of conduct

Declaring interests at meetings

Familiarise yourself with the Councillor Code of Conduct which can be found in Part 6 of the Council's Constitution.

Before the meeting, read the agenda and reports to see if the matters to be discussed at the meeting concern your interests

What are the principles of bias and pre-determination and how do they affect my participation in the meeting?

Bias and predetermination are common law concepts. If they affect you, your participation in the meeting may call into question the decision arrived at on the item.

Bias Test

In all the circumstances, would it lead a fair minded and informed observer to conclude that there was a real possibility or a real danger that the decision maker was biased?

Predetermination Test

At the time of making the decision, did the decision maker have a closed mind?

If a councillor appears to be biased or to have predetermined their decision, they must NOT participate in the meeting.
