## Maintaining and promoting high standards of conduct

### Declaring interests at meetings

Familiarise yourself with the Councillor Code of Conduct which can be found in Part 6 of the Council's Constitution.

Before the meeting, read the agenda and reports to see if the matters to be discussed at the meeting concern your interests

What are the principles of bias and pre-determination and how do they affect my participation in the meeting?

Bias and predetermination are common law concepts. If they affect you, your participation in the meeting may call into question the decision arrived at on the item.

#### Bias Test

In all the circumstances, would it lead a fair minded and informed observer to conclude that there was a real possibility or a real danger that the decision maker was biased?

#### Predetermination Test

At the time of making the decision, did the decision maker have a closed mind?

If a councillor appears to be biased or to have predetermined their decision, they must NOT participate in the meeting.

For more information or advice please contact the Monitoring Officer  
([susan.zeiss@bcpcouncil.gov.uk](mailto:susan.zeiss@bcpcouncil.gov.uk))

### Selflessness

Councillors should act solely in terms of the public interest

### Integrity

Councillors must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships

### Objectivity

Councillors must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias

### Accountability

Councillors are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this

### Openness

Councillors should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing

### Honesty & Integrity

Councillors should act with honesty and integrity and should not place themselves in situations where their honesty and integrity may be questioned

### Leadership

Councillors should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs

# The Charter Trust

---

## **Background to the Trust**

The Borough of Bournemouth was abolished in 2019 following the re-organisation of local government in Dorset. Following this re-organisation, Bournemouth retained its Borough Charter status through the establishment of a charter trustee in the Local Government (Structural Boundary Changes) (Supplementary Provision and Miscellaneous Amendments) Order 2019, which was laid before parliament on 16<sup>th</sup> January 2019 and subsequently made on 20 March 2019.

## **Purpose of the Trust**

The Trust ensures the continuation of the civic, historic and ceremonial traditions of the former Borough of Bournemouth and new events which are not inconsistent with those traditions. The Trust is responsible for choosing a Mayor and Deputy Mayor from the appointed Trustees annually.

The Charter Trustees Regulations 2009 provides that any historic property of the Borough of Bournemouth and which relates to the charter trustee area shall transfer to the charter trustees on 1 April 2019. An inventory of all such historic property has been produced which the Charter Trustees shall be responsible for maintaining and securing. The items listed on the Asset Register are maintained on a regular basis and a full asset verification takes place annually.

# Membership and Political Neutrality

---

The Trustees are the Bournemouth, Christchurch and Poole (BCP) Council Councillors representing the Wards falling wholly or partly within the historic boundary of the former Borough Council.

Trustee members must be a Councillor and, by definition, a politician with responsibilities to the electors of his or her electoral Ward and will, in most instances, possess a tie to a political group on BCP Council.

Conversely, the Charter Trustee is a non-political and non-statutory body with the primary objective being to maintain and promote the historic and ceremonial traditions for the area.

Therefore Trustee members, when acting in that capacity, must not act in a manner or behave in such a way which conflicts with this primary objective, or which would give a reasonable person the impression that you have brought the office or the Charter Trustee into disrepute.

## **STATUTORY CHARTER TRUSTEE KEY POSITIONS AND ROLES**

### **CIVIC PARTY**

- Mayor
- Deputy Mayor
- Honorary Clerk – officer position
- Responsible Financial Officer – officer position
- 2 x Budget Signatories
- 1 x Bank Statement Verification
- 2 x Members of the Association of Charter Trustee Towns (ACTT)

The Bournemouth civic term is over two years, first serving as Mayor followed by Deputy Mayor.

# Meetings of the Trust

---

In accordance with item 2 of the Standing Orders, the Annual General Meeting (AGM) of the Charter Trustees shall be held within 21 days of the Annual Council Meeting of the Principal Council.

There are four Charter Trustee Meetings a year and as with BCP Full Council meetings, Charter Trustees are summoned to attend. There is a quorum of one third of Charter Trustees required to be in attendance and at each meeting statutory business must be approved by the Charter Trustees. The meetings take place in the following months and the dates are set at the AGM.

## **Meeting dates:**

May – AGM and Mayor Making, Statutory Role appointments, calendar of meetings

June – Annual Governance Statement sign off and Internal Audit Inspection Report

October – Mid Year Finance Update and pre Budget Setting

January – Final Budget and Precept Setting

The Mayor may call extra meetings, if they consider this necessary and seven days notice will be given for extra meetings, except in an emergency.

The statutory documents can be viewed on the BCP Council website:

[BCP Council – Democracy](#)

# Working Groups

---

There are two Working Groups, as follows:

The Civic Working Group who meet quarterly, with membership comprising of the following:

Mayor  
Deputy Mayor  
2 x Budget Signatories  
2 x nominated Charter Trustees

The Civic Working Group can also invite other members to join a meeting where appropriate. The Chairman of the Civic Working Group will present their report at each meeting of the Charter Trustees, with the exception of the AGM, and will seek approval from the trust for any recommendations that they wish to put forward for consideration.

The Budget Working Group, who meet annually to provide input into the budget and precept setting, is comprised of the following membership:

Mayor  
Deputy Mayor  
2 x Budget Signatories  
2 x volunteer members from the Charter Trustees

The recommendations from this meeting will be presented to the trust by the Responsible Financial Officer at the Budget Meeting.

# Role and Responsibilities of the Budget Signatories

---

## Principles

1. A transparent framework of financial management responsibilities and decision making is essential to the effective management of the Charter Trustees financial affairs.
2. All Charter Trustees and officers in the common duty to abide by the highest standards of integrity and propriety when making decisions about the use of public monies.

## Responsibilities

1. To support the Charter Trustees in maintaining the principles detailed above.
2. Supporting the annual budget and precept setting process to ensure the ambitions of the Charter Trustee are reflected in the annual budgets.
3. Officers to consult with budget signatories on proposed expenditure which is not part of the approved budget and to report to the Charter Trustees as appropriate on action taken.
4. To approve the 'out of pocket expenses' incurred by the Mayor in the course of his/her civic duties.

## Bank Verification Role

---

The bank statements will be sent to the nominated charter trustee on a quarterly basis for them to verify and agree the bank statements.

# Selection and Election to Office

---

This procedure is intended to apply to the filling of any office of the Charter Trustees. Each Charter Trustee may determine the order in which office-holders progress from one office to another in subsequent years.

## **Selection**

The principal objective of the selection procedure should be to reach agreement between all trustees to ensure that the formal decision at the Annual Meeting of the Charter Trustees is unanimous. It is recognised that this cannot, unfortunately, always be achieved, however, the dignity of the Office of Mayor and Deputy Mayor is likely to be impaired by any public disagreement on such a matter at the Annual Meeting.

Whatever procedure is adopted, the following points are important to bear in mind:-

- The selection of a new office-holder should ordinarily be made in good time before the Annual Meeting to allow the person selected sufficient time to make adequate preparations for their year of office.
- If the person selected is subsequently defeated at the polls in an election year, a fresh selection will have to be made in the very short time between election day and the Annual Meeting of the Charter Trustees.

At all stages it should be quite clear that until the formal election at the Annual Meeting, all that is being done is to select the person who will be proposed to fill the office in question. This is because the only occasions when the appointment to office of Mayor, Deputy Mayor or other designation can be considered are:-

- (i) at the Annual Meeting of the Charter Trustees; or
- (ii) when filling a casual vacancy in the office in question.

The procedure for selection of office-holder elect is set out below.

## **SELECTION OF THE CHARTER MAYOR AND DEPUTY MAYOR ELECT**

### **Procedure (in a non-election year)**

Each year all Charter Trustees who are eligible to fill the office are invited to indicate whether they are willing to be considered by the Charter Trustees for the Office of Sheriff for the following Municipal Year.

The invitation is sent out at the end of November/beginning of December with a return period of at least 21 days, avoiding the Christmas and New Year period.

If there is more than one candidate, the Clerk to the Charter Trustee informs each candidate of any other names submitted and any candidate who wishes to do so may withdraw at that stage.

If there is more than one candidate then remaining, a ballot will be held. If the result of the ballot does not show a clear majority for any one candidate, the ballot will be repeated as often as necessary.

Where the Charter Trustee decides to schedule additional meetings, the result of the ballot shall be reported to the next ordinary meeting for the appointment of the Office-Elect/Designate. Where there is no ordinary meeting scheduled, the result of the ballot shall be reported electronically to all Charter Trustees. Of course, the formal appointment takes place at the Annual Meeting.

The Charter Trustees shall be advised of the ballot result at their meeting in late January the names of those Trustees who shall be designated Mayor Elect and Deputy Mayor Elect. Except in exceptional circumstances and in line with the traditions of the office, the Mayor from the preceding year shall be designated Deputy Mayor Elect.

#### **Procedure (in a year of ordinary elections)**

The selection procedure will not take place at the end of the previous year and shall be commenced as soon as practicably possible following the elections.

Due to the time-constraints, the period permitted for the return of nominations shall not exceed 14 days. Where there is more than one candidate, the same withdrawal and ballot process will be held. The result of the ballot shall be reported electronically to all Charter Trustees.

#### **Standing for more than one office**

No trustee member may stand in a ballot for more than one office. Failure to withdraw all but one nomination in the permitted time will result in the automatic withdrawal of all nominations.

# Protocol regarding the wearing of Robes and Hats

---

The wearing of robes is a civic tradition that dates back many years. Typically charter trustees will be required to wear their robes for formal civic events including the AGM/Mayor Making Ceremony, the Annual Remembrance Service and Parade and any Civic Church or Funeral Services. Robes are not required to be worn to other statutory meetings of the Charter Trustees.

Women should wear their hat at all times when robed and this should be placed on top of the head, as opposed to the back of the head, so that the hat sits flat. Men should remove their hats when indoors and also when taking the salute from any formal military parade.

## Annual Civic Events

---

As well as attending the Full Charter Trustee meetings, attendance is required at the following annual civic events:

Mayor Making – May

Civic Service and Parade – TBC

Annual Service of Remembrance and Parade – second Sunday of November

# The Mayor

---

In Bournemouth, the Mayor and Deputy Mayor are elected from the Charter Trust members and the positions are installed at the Annual Meeting (Mayor-Making).

After being invested with the Chain of Office and Robe, the Mayor shall be asked to take the Oath of Acceptance of Office. The Trustees will then proceed to appoint a Deputy Mayor.

The position of Mayor is non-political, serves as the ceremonial head of the historic Borough and is intended to benefit both the town and its citizens. The Mayor may be a major influence in promoting the image and importance of Bournemouth at local, regional, national and international level complementing the work of the BCP Council.

The Mayor should endeavour to promote and enhance the role of the Mayoralty and in turn, the people of Bournemouth will continue to have the highest regard for the Mayor and the Office. They will expect the Mayor to carry out a full range of duties on their behalf throughout the former Borough area.

The Mayor's role is to:

- maintain the historical and ceremonial traditions of the office of Mayor
- promote the town as a place to live and visit
- promote the town locally, nationally and internationally
- promote, liaise and link with private and voluntary sector organisations
- participate in and help initiate activities that enhance the economic, social, cultural and environmental well-being of the former borough and its residents
- act as a host to official visitors to the town
- attend civic and ceremonial functions and local community-based activities as the Mayor determines appropriate
- represent the trust at ceremonial events
- support chosen charities for the mayoral year
- carry out all duties in a manner appropriate to the status and tradition of the office

In addition to the ceremonial role, the mayor has the following responsibilities:

- to uphold and promote the purposes of the Trust's Constitution
- to preside over meetings of the Trust and ensure meetings follow the procedures set out in the Constitution
- to be the conscience of the Trust

With permission from the event organiser the Deputy Mayor may also represent the Office of Mayor, if the Mayor is unavailable or already engaged. With permission from the event organiser, in the event of the Mayor or Deputy Mayor being unavailable the invitation to be passed on to a past Mayor provided that they are also a serving Trustee.

# Mayoral Protocol

---

The Mayoral protocol is designed to help clarify the events and functions that the Charter Mayor and the Chairman of BCP Council will attend.

The Chairman of BCP Council is the first citizen of Poole and shall have precedence in the town unless a member of the Royal Family, Lord Lieutenant or High Sheriff is present. However, the role of the Chairman of BCP Council is to prioritise and focus on promoting and enhancing strategic unitary-wide initiatives, hosting high profile business and political visitors, events of regional, national or international significance and activities that enhance the economic, social and environmental well-being of the area.

It is anticipated that both roles will complement each other but it will be vital that there is close liaison between the relevant office and office-holders to ensure each role is afforded appropriate respect.

## Charities Chosen to Support and Promote

---

As the Charter Trustees are unable to obtain charitable status, the Mayor may select Charities to support and promote throughout their municipal year. However, please be advised this is a role that the Civic Team are unable to offer PA support to. The Charter Trustees are unable to hold charitable events as they do not have a registered charity number or accept cash or cheque donations on behalf of a Charity, as there is no longer a separate bank account for accounting purposes.

If you are offered a donation, this must be given directly to the chosen charity as we are unable to account for such transactions transparently. We would advise that any potential donor is directed to visit the nominated charity website to make a donation online or via one of the Just Giving type webpages.

If you wish to attend a charity event hosted by one of your chosen charities, please advise them to email us with a formal invitation. This would then enable you to wear the Chain of Office and any photos/posts can be uploaded to the new Facebook page.

# History – The Mayor

---

Mayor and “Major” derive from the same Latin word “Magnus” meaning “great”; the office of Mayor was brought to this country by the Normans as the office had existed on the continent since the 5<sup>th</sup> century. The first English Mayor was the Mayor of London, appointed in 1189 by Richard I.

## **Mayor of Bournemouth**

Bournemouth is relatively young compared to its neighbours. In 1800 the area was largely a remote and barren heathland, used only by smugglers - most notably Isaac Gulliver, now considered one of the founding fathers of Bournemouth - and revenue troops. No-one lived at Bourne Mouth and the only regular visitors were a few fishermen, turf-cutters and gangs of smugglers who landed their cargoes of spirits, tea and tobacco on the deserted beach.

When retired army officer Captain Lewis Tregonwell visited in 1810, he found only a bridge crossing a small stream at the head of an unspoilt valley (or 'chine') that led out into Poole Bay. An inn had recently been built near what is now The Square (the centre of Bournemouth), catering both for travellers and for the smugglers who lurked in the area at night. Captain Tregonwell and his wife were so impressed by the area that they bought several acres and built a home, which is today part of the Royal Exeter Hotel. Tregonwell also planted pine trees, providing a sheltered walk to the beach. They moved into the property on 24 April 1812 and Captain Tregonwell was therefore considered the Founder of Bournemouth.

Bournemouth was granted its Charter by Queen Victoria on 23 July 1890, and its first election of Councillors was held in November of that year.

The first Mayor of Bournemouth was Thomas James Hankinson. Initially, the Mayors could hold office for more than one year but this was abolished shortly after World War 2. Those Mayors who held office for 3 years or more have their portraits on display in the Mayor's Parlour. John Elmes Beale, Mayor in 1902-1904, generously donated the “Beale Badge” which is worn on the Mayor's Badge on Ribbon and the black and gold Mayoral robe (actually a Lord Mayor's robe) which is displayed in the Mayoress' Parlour.

In 1949, Central Government decided to move Local Elections to May.

On 1 April 1974, Bournemouth left Hampshire and joined the County of Dorset.

In 1997, the Council became a Unitary Authority.

# The Coat of Arms

---

Heraldry in England, as being an exact science, is always held to express some leading facts in the history of an individual or locality and, in the case of the latter, to display some distinctive features which mark it out from other places around it. The Council therefore adopted “*Pulchritudo et Salubritas*” (for Beauty and Salubrity) as the Town’s motto, indicating two of its chief characteristics and principal claims to renown.

The Charter of Incorporation was in 1890 when Bournemouth became a Municipal Borough.

The whole district in which Bournemouth stands was originally a Royal Estate of King Edward the Confessor. As this is the first existing item of authentic history relative to the area, it was felt that the Arms of the Monarch would properly form the mould or basis of the Corporate Shield. This consisted of a *Gold Cross Fleurie Or* upon a field of Azure. However, in heraldry, such a shield should not be adopted by any other than the original without important change (“styled differencing”). This change must be such that it will still render its origin clear to the Heralds.

The main part of the Coat of Arms is the Shield which, in the time of battle, was held in the hand as protection to the body. The Bournemouth Shield is divided into four parts (termed “quarterly”) which gives the opportunity for a beautiful change or “difference”. The Cross of King Edward the Confessor and the field are “counterchanged” - the first and fourth quarters of the Shield are gold and the parts of the cross falling into that division are Azure, whilst the process in the second and third quarters is reversed. This also enables the four divisions to become more completely historical.

The British Lion is displayed upon the first and fourth quarters but is “differenced” as it is a Royal charge. It is shown rampant, indicating the watchfulness and readiness for constant calls to arms, necessary in all that coast during the Middle Ages and, on the rules of “differencing”, is Azure. The Lion holds a rose relating to the shield to the Crest in its pre paws.

In the second quartering, an interesting use is made of the *Martlets* (the nearest similar actual bird is the Sand Martin) which are given in the ancient shield of King Edward the Confessor. They are grouped and one added as a variation so that, whilst still reminding a Student of Heraldry of the source from which they come, they suggest important local features. The sand cliffs of Bournemouth are distinct sources of its beauty and the *Martlets* fitly indicate this. The Azure field may express the blue sky, whilst the third quarter below suggests the blue sea beneath, an idea which the fish (salmon) moving upon it completes.

The Crest is a pine tree (proper) upon a green mountain (*mount vert*) with, in front, four English roses, the whole being on a wreath of the colours - gold and blue (Or and Azure). The pine tree on the green mountain may be taken as indicating the salubrity of the climate, and the rose is not only a Royal Emblem of Hampshire (in which County Bournemouth was originally situated) but, as the queen of flowers, it

emphasises the motto “*for beauty and salubrity*”. The Crest and motto therefore combine to state the claims of Bournemouth upon the British public as a resort for health and pleasure.

## A. Executive Summary

The control framework is the system of risk management, internal control and governance put in place by management to ensure that objectives are achieved, waste and inefficiency is minimised and to prevent and detect fraud and corruption.

The objectives of the audit were to provide assurance that the control framework is appropriate and that the controls and processes are operating effectively in the Bournemouth Charter Trustees as outlined in the Annual Governance & Accountability Return (AGAR) 2022/23 for the internal control objectives detailed on the following page.

For the avoidance of doubt, reference in this paper to Charter Trustee is to be interpreted as reference to the Charter Trustee body.

Ten recommendations were made in the 2021/22 audit report, the current status of these recommendations is shown in the table below:

	High	Medium	Low	Total
Implemented		2	4	6
Not Implemented		4		4
<b>Total</b>		6	4	10

Where weaknesses in the control framework are identified, recommendations have been made for improvement and are detailed in Section B of this report.

We undertake our work on a risk and sample basis in line with Public Sector Internal Audit Standards and as such we do not test all internal controls nor identify all areas of control weakness, fraud or irregularity, however, any issues identified during the course of our work are reported to management.

### Audit Opinions:

<b>Substantial Assurance</b>	Controls were in place for the full financial year and were operating consistently and effectively. There is a sound control framework which is designed to achieve the service objectives, with key controls being consistently applied.
<b>Reasonable Assurance</b>	Controls were in place for the full financial year and were generally operating effectively. Whilst there is basically a sound control framework, there are some weaknesses which may put service objectives at risk.
<b>Partial Assurance</b>	Controls were only operating effectively for part of the financial year. There are weaknesses in the control framework which are putting service objectives at risk.
<b>Minimal Assurance</b>	Controls were not operating during the financial year. The control framework is generally poor as such service objectives are at significant risk.

6.	Petty cash payments were properly supported by receipts, all petty cash expenditure was approved, and VAT appropriately accounted for				N/A

## THE CHARTER TRUSTEES FOR BOURNEMOUTH

Report subject	<b>Budget Outturn Report 2022-23</b>
Meeting date	27 June 2023
Status	Public Report
Executive summary	The Charter Trustees of Bournemouth have underspent against their budget by £23,995. The underspend has been added to the opening reserves position of £66,943 to give total reserves carried forward of £90,938 as at March 2023.
<b>Recommendations</b>	<b>It is RECOMMENDED that:</b>  <b>The Charter Trustees note the budget outturn position for 2022/23.</b>
Reason for recommendations	To inform the Charter Trustees of the budget outturn position for 2022/23 financial year.
Report Authors	Matthew Filmer, Responsible Finance Officer
Classification	For Recommendation

### Background

1. In accordance with the Accounts and Audit Regulations 2015, the Charter Trustees are required to approve the Annual Governance and Accountability Return (AGAR) 2022/23 by 30 June 2023. The AGAR contains a summarised accounting statement that complies with statutory requirements. This report provides the Charter Trustees with a detailed analysis of the budget outturn position in order to facilitate the approval of the AGAR that is on the agenda elsewhere today.

### Budget outturn position 2022/23

2. The Charter Trustees of Bournemouth approved the 2022/23 budget at their meeting of 24 January 2022. Total expenditure of £147,873 was approved.
3. Budget monitoring reports during the 2022/23 financial year informed the Charter Trustees that the budget would be underspent across civic budget headings due to the planned spend being lower than originally envisaged in the budget. The position

reported in January 2023 was a forecast underspend of £16,190. The final outturn position for the financial year is an underspend of £23,995.

4. Appendix A provides the detail of the expenditure incurred during 2022/23 against the detailed budget headings. The total spend of £129,009 shown in this detailed expenditure analysis reconciles to the statutory summary accounting statements that the Charter Trustees are asked to approve elsewhere on the agenda today. The summary accounting statements form part of the Annual Governance and Accountability Return 2022/23.
5. In the main the Charter Trustees expenditure is fixed recharges from BCP Council such as staff and premises costs. The underspend is on budgets where there are variables such as the decision from the mayor to hold a civic service. It is the view of the responsible finance officer that budgets for 2024/25 are reduced to avoid the continued rise in reserves and events are supported from reserves for a period.

## Reserves

6. As a result of the in-year underspend, the Charter Trustees will carry forward reserves of £90,938 into the 2023/24 financial year. The reserves position is summarised in Figure 1 below:

**Figure 1: Reserves Position 31 March 2023**

	2022/23 Actual	2023/24 Budget
<b>Opening Balance 1 April</b>	<b>(66,943)</b>	<b>(90,938)</b>
Movement in Year	(23,995)	10,000
<b>Closing Balance 31 March</b>	<b>(90,938)</b>	<b>(80,938)</b>

7. The Charter Trustees reserves in comparison to the 2023/24 precept of £147,071 is forecast to be 54% of the precept by 31 March 2024.
8. The 2023/24 budget report recommended reserve levels of 20% of the precept, which would equate to circa £30,000. This level is thought prudent to cover unforeseen expenditure because of the nature of the Charter Trustee budget where 66% of expenditure is on an agreed recharge basis with BCP Council and so not subject to volatility (for example salary costs and premises costs).

  - **Sections 1 and 2** **must** be completed and approved by the authority.
  - **Section 3** is completed by the external auditor and will be returned to the authority.
3. The authority **must** approve Section 1, Annual Governance Statement, before approving Section 2, Accounting Statements, and both **must** be approved and published on the authority website/webpage **before 1 July 2023**.
4. An authority with either gross income or gross expenditure exceeding £25,000 or an authority with neither income nor expenditure exceeding £25,000, but which is unable to certify itself as exempt, or is requesting a limited assurance review, **must** return to the external auditor by email or post (not both) **no later than 30 June 2023**. Reminder letters will incur a charge of £40 +VAT:
  - the Annual Governance and Accountability Return Sections 1 and 2, together with
  - a bank reconciliation as at 31 March 2023
  - an explanation of any significant year on year variances in the accounting statements

## Publication Requirements

Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website/webpage:

Before 1 July 2023 authorities **must** publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited;
- **Section 1 - Annual Governance Statement 2022/23**, approved and signed, page 4
- **Section 2 - Accounting Statements 2022/23**, approved and signed, page 5

Not later than 30 September 2023 authorities **must** publish:

- Notice of conclusion of audit
- **Section 3 - External Auditor Report and Certificate**
- **Sections 1 and 2 of AGAR** including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

*\*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.*

## Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2022/23

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide\** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty) and is properly signed and dated. Any amendments must be approved by the authority and properly initialled.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2023.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- You must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant authority owned generic email addresses and telephone numbers.**
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide\**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the bank reconciliation is incomplete or variances not **fully** explained then additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2022) equals the balance brought forward in the current year (Box 1 of 2023).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights of 30 consecutive working days which **must** include the first ten working days of July.
- The authority **must** publish on the authority website/webpage the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2023**.

## Section 3 – External Auditor’s Report and Certificate 2022/23

In respect of

ENTER NAME OF AUTHORITY

### 1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

### 2 External auditor’s limited assurance opinion 2022/23

(Except for the matters reported below)\* on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met. (\*delete as appropriate).

(continue on a separate sheet if required)

Other matters not affecting our opinion which we draw to the attention of the authority:

(continue on a separate sheet if required)

### 3 External auditor certificate 2022/23

We certify/do not certify\* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.

\*We do not certify completion because:
