## Maintaining and promoting high standards of conduct

### Declaring interests at meetings

Familiarise yourself with the Councillor Code of Conduct which can be found in Part 6 of the Council's Constitution.

Before the meeting, read the agenda and reports to see if the matters to be discussed at the meeting concern your interests

What are the principles of bias and pre-determination and how do they affect my participation in the meeting?

Bias and predetermination are common law concepts. If they affect you, your participation in the meeting may call into question the decision arrived at on the item.

#### Bias Test

In all the circumstances, would it lead a fair minded and informed observer to conclude that there was a real possibility or a real danger that the decision maker was biased?

#### Predetermination Test

At the time of making the decision, did the decision maker have a closed mind?

If a councillor appears to be biased or to have predetermined their decision, they must NOT participate in the meeting.

For more information or advice please contact the Monitoring Officer  
([janie.berry@bcpcouncil.gov.uk](mailto:janie.berry@bcpcouncil.gov.uk))

### Selflessness

Councillors should act solely in terms of the public interest

### Integrity

Councillors must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships

### Objectivity

Councillors must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias

### Accountability

Councillors are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this

### Openness

Councillors should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing

### Honesty & Integrity

Councillors should act with honesty and integrity and should not place themselves in situations where their honesty and integrity may be questioned

### Leadership

Councillors should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs

# AGENDA

Items to be considered while the meeting is open to the public

## 1. **Apologies for Absence**

To receive any apologies for absence.

## 2. **Declarations of Interest**

Councillors are requested to declare any interests on items included in this agenda. Please refer to the workflow on the preceding page for guidance. Declarations received will be reported at the meeting.

## 3. **Minutes of the Previous Meeting**

7 - 12

To confirm the minutes of the previous meeting, held on 13 January 2025, as a correct record.

## ITEMS OF BUSINESS

## 4. **Dedicated Schools Grant (DSG) Outturn 2024-25**

13 - 18

The report considers the end of year position for the DSG budget 2024-25. The budget was set with a funding gap of £28m, a similar level compared with the previous year, with the expectation that the innovation fund and other initiatives would start to have impact in reducing the demand for education health and care plans (EHCPs). This was alongside the creation of new SEND places in mainstream schools through capital investment to limit the use of higher cost independent provision.

The outturn is a net in-year funding gap approaching £50m. This is £5m more than indicated at quarter three. There is an element of one-off additional high needs spending over the final quarter, but it is likely most previously unforeseen costs will be on-going.

More children are remaining in mainstream schools but the growth in demand for EHCPs overall has more than offset any potential savings. The demand has continued to grow for independent school places, alternative provision, and bespoke arrangements for those unable to attend any school setting.

The trajectory of the accumulated deficit has therefore continued a significant upward path from £65.5m for March 2024, to £113.3m for March 2025.

## 5. **High Needs Update**

19 - 26

The report provides a summary of the high needs budget for 2025-26 and includes details of new activities to support pupils with additional needs in mainstream schools – the inclusion fund and outreach plus.

The inclusion fund is funded by surplus school block funding as agreed by Schools Forum in January 2025. The report sets out the how the fund will be allocated in 2025-26 following further consultation with headteachers since February this year. Outreach plus is a new service to support mainstream schools establish resourced provision with the aim of increasing specialist capacity for children with autism spectrum condition and social, emotional and mental health needs.

Once fully implemented these two activities should deliver savings to the high needs budget through future cost avoidance.

## 6. **Schools Forum - Exceptional Circumstances Funding for 202526**

27 - 30

The report provides an update on:

- The Exceptional Circumstances Funding for 2025/26.
- The resolution of previously unpaid funding from Autumn 2023 to Spring 2025.

A revised criteria and funding model is now in place for 2025-26 that will be reviewed after 2 months to determine future frequency of calculation moving forwards.

Previously unpaid funding amounts have now been paid to all eligible schools on 30.05.25.
