Maintaining and promoting high standards of conduct

Declaring interests at meetings

Familiarise yourself with the Councillor Code of Conduct which can be found in Part 6 of the Council's Constitution.

Before the meeting, read the agenda and reports to see if the matters to be discussed at the meeting concern your interests

What are the principles of bias and pre-determination and how do they affect my participation in the meeting?

Bias and predetermination are common law concepts. If they affect you, your participation in the meeting may call into question the decision arrived at on the item.

Bias Test

In all the circumstances, would it lead a fair minded and informed observer to conclude that there was a real possibility or a real danger that the decision maker was biased?

Predetermination Test

At the time of making the decision, did the decision maker have a closed mind?

If a councillor appears to be biased or to have predetermined their decision, they must NOT participate in the meeting.

For more information or advice please contact the Monitoring Officer

Selflessness

Councillors should act solely in terms of the public interest

Integrity

Councillors must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships

Objectivity

Councillors must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias

Accountability

Councillors are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this

Openness

Councillors should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing

Honesty & Integrity

Councillors should act with honesty and integrity and should not place themselves in situations where their honesty and integrity may be questioned

Leadership

Councillors should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs

5. Application for a premises Licence at Seafront Mini Market, 18 Westover Road, Bournemouth, BH1 2BY

11 - 64

James Andrews of Set Square Studio Ltd has made an application on behalf of Elina Kadir for a premises licence at Seafront Mini Market a small convenience store located at 18 Westover Road, Bournemouth, BH1 2BY.

The application seeks permission for the Off Sale of alcohol between 08:00 and 03:00 and the provision of Late-Night Refreshment between 23:00 and 03:00 every day.

The application attracted 5 Representations, 1 from Dorset Police, and 4 from Other Persons including a local Ward Councillor and the Leader of the Council, on the grounds that to grant the application would undermine the prevention of crime and disorder, prevention of public nuisance, public safety and protection of children from harm licensing objectives.

No other items of business can be considered unless the Chairman decides the matter is urgent for reasons that must be specified and recorded in the Minutes.

Options Appraisal

18. Before making a decision, Members are asked to consider the following matters: -

- The representations made against the application.
- The relevant licensing objectives, namely the prevention of crime and disorder, prevention of public nuisance, public safety and protection of children from harm.
- The Licensing Act 2003 and appropriate Regulations.
- Statutory Revised Guidance issued under Section 182 of the Licensing Act 2003 (February 2026) and the Council's Statement of Licensing Policy.

On 26 November 2025 the guidance was updated to clarify licensing authority discretion (case-by-case decisions).

A spokesperson for the Home Office said:

“The update to the Section 182 Guidance has been added to help ensure that, when determining licence applications and considering any conditions that may apply, Licensing Authorities have in mind the need to support the development of a thriving hospitality sector while still upholding the existing statutory licensing objectives.

The new line in the guidance is 1.18, when making licensing decisions, all licensing authorities should consider the need to promote growth and deliver economic benefits”.

Section 182 Guidance - Public Safety

Paragraph 2.8 of the Section 182 Guidance states:

Licence holders have a responsibility to ensure the safety of those using their premises, as a part of their duties under the 2003 Act. This concerns the safety of people using the relevant premises rather than public health which is addressed in other legislation. Physical safety includes the prevention of accidents and injuries and other immediate harms that can result from alcohol consumption such as unconsciousness or alcohol poisoning.

Section 182 Guidance - Prevention of Public Nuisance

Public nuisance is addressed at paragraph 2.20 of the Guidance and states:

“The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable.

Section 182 Guidance - Protection of Children from Harm

Paragraph 2.27 states that:

The protection of children from harm includes the protection of children from moral, psychological and physical harm. This includes not only protecting children from the harms associated directly with alcohol consumption but also wider harms such as exposure to strong language and sexual expletives (for example, in the context of exposure to certain films or adult entertainment). Licensing authorities must also consider the need to protect children from sexual exploitation when undertaking licensing functions.

19. An appeal may be made against the decision of the Sub-Committee, by the applicant or any party making representation, to the Magistrates' Court which could have a financial impact on the Council.

Summary of legal implications

20. If Members decide to refuse the application or attach conditions to the licence which the applicant, or the other person who made a representation do not agree

to, the applicant or such other person may appeal to the Magistrates' Court within a period of 21 days beginning with the day that the applicant is notified, in writing, of the decision.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

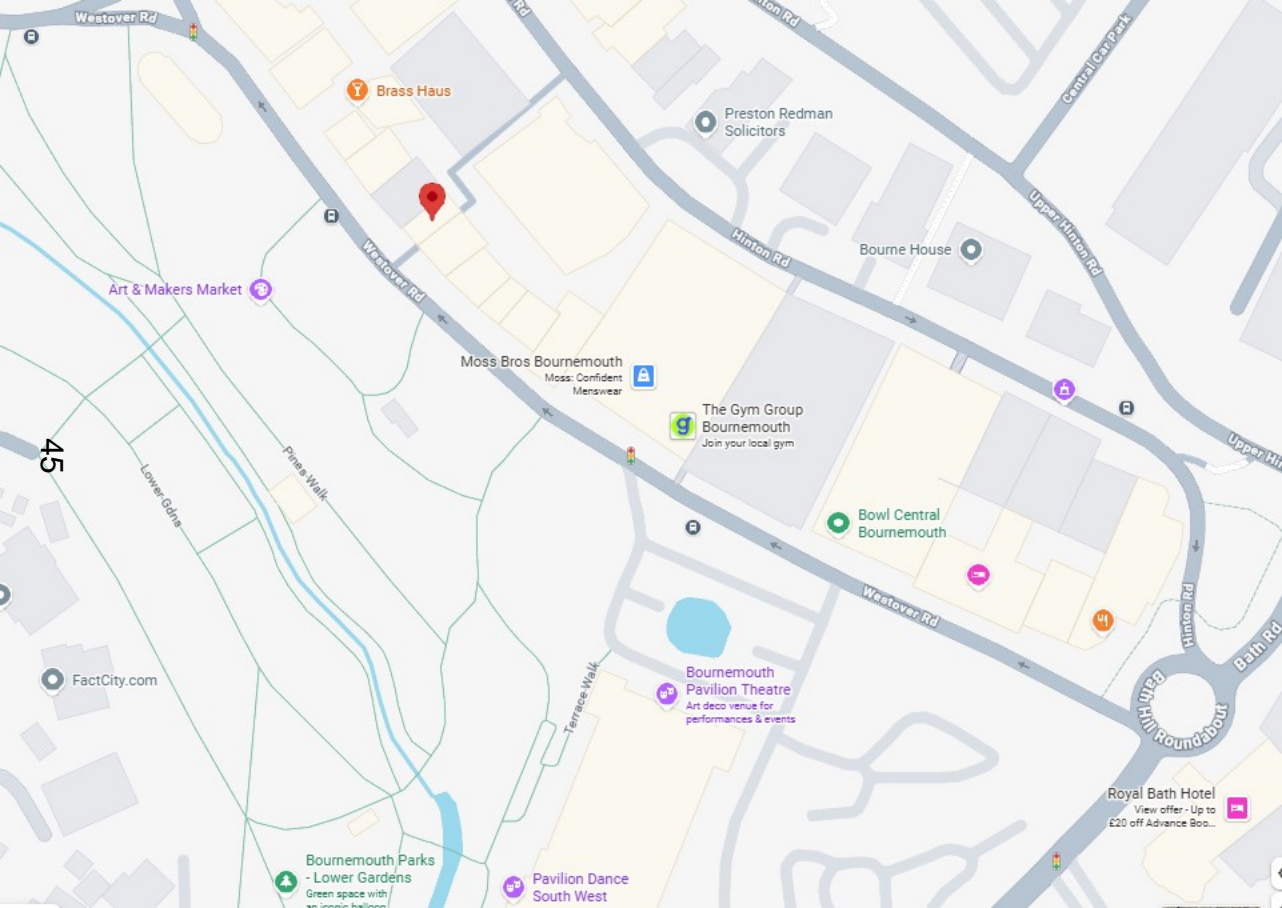

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

	NAME AND ADDRESS	REPRESENTATION
1	YMCA - Bournemouth 56 Westover Road Bournemouth BH1 2BS	<p>Dear Sarah / licensing,</p> <p>I would like to post an objection to this application (link below). This is in line with all other applications for alcohol licenses on Westover Road, of which some recent granted licenses have damaged our service, harm our residents, and reduced community safety, increasing our security costs.</p> <p>https://www.bpcouncil.gov.uk/Assets/Business/Public-Notices/Seafront-Mini-Market-New-Premises-Licence-Application-Bournemouth-Central.pdf</p> <p>It is mine and the YMCA's position that continued cheap alcohol sales on Westover Road represent a health and safety and safeguarding failure for our vulnerable residents and this is unarguably damaging to our service.</p> <p>Our concerns are as follows:</p> <p>Residents housed at the YMCA 55-56 Westover Road will be at an increasing safeguarding risk with the opening of an additional licensed premises on Westover Road and that will contribute to an increase in drinking culture in the street, youth disorder and antisocial behaviour in the local area. This sort of premises is putting harmful substances on the doorstep of those who are trying to avoid them in order to turn their lives around.</p> <ul style="list-style-type: none"> • I am concerned that the area which is trying to regenerate itself and return to a much more family friendly and tourist attractive destination will be damaged by such a premises. • I am concerned that it will contribute to increase antisocial behaviour adding to the decline in the quality of retail and footfall in the area. • I am concerned that the antisocial behaviour that will result in lower trade in our gym, problems attracting staff and the decline in our ability to rehabilitate people who have life controlling problems. • I am concerned the increase in accessibility for cheap alcohol in the area will accelerate the health damage and inequalities in the group being supported on our premises • I do not believe any restricted opening hours will reduce the harm to our residents as they live in the area and shop at all times of day.

		<ul style="list-style-type: none"> • I do not believe the shop will be sufficiently able to stop inappropriate purchases from our residents as they cannot know who does and does not have alcohol abuse problems. • I do not believe mediation will be successful for a working relationship with the owner and YMCA as anyone knowing the area would not park a licensed premises next to a supported housing block housing vulnerable people, many of whom have history of alcohol abuse. What possible working relationship could exist? <p>Conclusion</p> <p>YMCA Bournemouth is of the opinion that opening any, let alone further licensed premises on Westover Road constitute a clear and present safeguarding risk to our residents and local people, increasing the antisocial behaviour in an area that needs to reduce it, add additional risks to our staff and members of the public in the area, damage business in the street and decrease the effectiveness of our current services that rescue large numbers of people per year from the damage of alcohol abuse.</p> <p>We cannot object strongly enough to the opening of this premises. We have already one case of the death of a resident due to alcohol use leading to brain injury after purchasing cheap alcohol from Westover Road. We want all cheap alcohol sales removed from the area. Could there be a stronger case to be made?</p> <p>Regards,</p>
2	YMCA	<p>Further information from Mr Mark Inkpen YMCA</p> <p>Good afternoon Ellie,</p> <p>I understand [REDACTED] has already written why we have issues but the reason for our objection is that the YMCA run a 73 bed hostel and 22 move on flats from 56 Westover Road to house street homeless and highly vulnerable and chaotic individuals, many of whom have issues with alcohol misuse and the ease of access to the purchase of alcohol would be harmful for them and their health and would also have negative impact on the local community with related anti-social behaviour.</p> <p>We have no issues with a corner store but one that does not sell alcohol as this would have a massive detriment to the individuals we support and the local community from their knock on anti-social behaviour, public nuisance and street drinking.</p>

Please, give information under the relevant Licensing</p> <p>Objective. The Prevention of Crime and Disorder: The Prevention of Public Nuisance:Public Safety:The Protection of Children from Harm: The application submitted makes does not appear to demonstrate any understanding of the local area demographics or acknowledge the close proximity of the premises to the local YMCA . The YMCA offers a safe place of people who are battling additions including alcohol. The BCP Statement of Licensing Policy states that an applicant is expected to demonstrate that they understand the local demographics including housing provided and or treatment centres aimed at vulnerable people including additions, (Parag 16.5) No conditions or proposals have been included in the application about how the applicant will contribute to safeguarding vulnerable customers from direct or indirect impacts of the sale of alcohol late into the night and into the early hours of the following morning. The policy goes on to state that applicants are expected to include positive statements in this application on how they will manage risks but this applicant does not address any of the well known risks in the area which they will be aware of given the previous application in 2022 was refused based on police concerns about the location of the premises which already experienced disproportionately high number of street drinker and suffered ASB and crime and disorder. The location is also opposite the Lower Gardens which is subject to seasonal dedicated policing and ASB presence due to high levels of ASB during summer months which are fuelled by alcohol in another substance abuse in the summer months. 18.3 and 18.4 of the policy provide guidance on conditions wording and tailored to the individual type, location and characteristics of the premises concerned. The conditions provided lack any acknowledgement of potential refusals due to intoxications, how they will deal with proxy sales and customer behaviours both on and in the</p>

The conditions proposed in the application lack any detail despite model conditions being provided within the councils policy.</p> <p>Finally paragraph 15.5 of the councils policy states that The Licensing Authority may not support applications and may refuse on the evidence presented to support representations where representations are made against applications for off sales of alcohol for premises that are;</p> <ul style="list-style-type: none"> • In areas where Public Spaces Protection Orders (PSPOs) are in place • Near to alcohol addiction recovery activities or buildings held in hospital or clinic settings. • In areas where drinking in public spaces affects any of the licensing objectives <p>The premises meets all three relevant criteria for objection. Firstly, it is located within a Public Spaces Protection Order (PSPO) area where public drinking is prohibited due to its detrimental impact on the quality of life of those in the locality. Alcohol consumption in this area is already known to contribute to recurring issues of anti-social behaviour.</p> <p>Secondly, the premises is in close proximity to alcohol recovery services and associated support activities. The addition of another off-licence in this location poses a clear risk of undermining local harm reduction work and increasing the vulnerability of individuals engaged in recovery.</p> <p>Thirdly, evidence has been presented demonstrating that public drinking in this area is directly linked to anti-social behaviour. This impacts the licensing objectives relating to:</p> <ul style="list-style-type: none"> • Prevention of Public Nuisance – Public consumption of alcohol frequently leads to disorderly behaviour, harassment, and intimidation, all of which constitute forms of public nuisance. • Prevention of Crime and Disorder – Alcohol-related behaviour in this area has been identified as a contributing factor in incidents of disorder, particularly within PSPO boundaries. <p>In addition, the attached hotspot graph below clearly demonstrates that the highest concentration of ASB incidents falls directly around the locations referenced above, specifically:</p> <ul style="list-style-type: none"> • The YMCA site, and • The area immediately across Bath Road. <p>This visual evidence reinforces the established pattern of alcohol-related nuisance and disorder in this precise locality. Introducing a further alcohol outlet within this already high demand area is therefore likely to exacerbate existing issues and undermine the licensing objectives.</p>

4	Chief Officer of Dorset Police	<p>On behalf of the Chief Officer of Dorset Police, I write to formally object to the full variation for the Sea front mini market, on the basis that granting it would undermine the licensing objectives set out in the Licensing Act 2003, namely:</p> <ul style="list-style-type: none"> The prevention of crime and disorder Public safety The prevention of public nuisance

NEW PREMISES LICENCE APPLICATION

	<p>The protection of children from harm</p> <p>The location of this premises is in Bournemouth Town Centre, an area that I would describe as being extremely complex and diverse and is considered a premier place to live and visit as for the result of its sea side setting. Although busy throughout the year the summer months are naturally seeing an increase in footfall into the town centre and often bringing a higher number of alcohol related violent disorder. During my time as a police officer Westover Road is a location that is known to attract street drinkers and general Anti-social behaviour, it already experiences a disproportionate number of street drinkers, anti-social behaviour and crime and disorder which already negatively impacts the local community, as well as contributing to an increase in demand on police resources. Furthermore, Westover Road directly fronts the Lower Gardens leading to the beach popular in summer months, a location which in itself necessitates a seasonal dedicated policing presence.</p> <p>The current top 4 locations within the repeated top 10 locations over the past 90 days are currently alcohol licenced premises within the surrounding roads of the Sea Side Mini Market location, one being just a few buildings away from the shop itself, this means the area has the highest number of alcohol related crime and incidents in Bournemouth and the hours applied for could further contribute to the issues currently being experienced in the area.</p> <p>Lastly, the YMCA is located on Westover Road, which houses a number of vulnerable people, particularly those with addiction issues including alcohol. The introduction of the mini market will be counter intuitive to the support offered at YMCA.</p> <p>There is a reasonable concern that granting this application would lead to an increase in crime and disorder, public safety and public nuisance in the immediate area. This is based on the heat map provided as per below. The applicant has also failed to offer SIA security to minimise any potential risk associated in the night time economy.</p> <p>In light of the above, I respectfully request that the licensing authority refuse this application.</p>

5	Councillor Millie Earl	<p>Dear Ellie,</p> <p>I wish to submit a representation objecting to the above application for a premises licence to provide Late Night Refreshment from 23:00 to 03:00, Monday to Sunday, and Off Sales of Alcohol from 08:00 to 03:00, Monday to Sunday.</p> <p>This representation is made on the grounds that the application undermines the following licensing objectives:</p> <p>1. Prevention of Crime and Disorder</p> <p>Westover Road already experiences incidents of alcohol related anti social behaviour. Extending the availability of alcohol into the early hours of the morning is likely to exacerbate these issues, increasing the risk of crime, disorder and aggressive behaviour in the immediate area. Local businesses on Westover Road regularly experience shoplifting, and a premises operating as the only late night off licence would be particularly vulnerable, potentially placing additional pressure on police resources and diverting them from other priority areas.</p> <p>2. Prevention of Public Nuisance</p> <p>The proposed late night hours for off sales of alcohol are likely to result in increased noise, disturbance and congregation in the vicinity of the premises, particularly during the early hours of the morning. This would cause nuisance to nearby residents through transient noise, disturbance and anti social behaviour associated with alcohol consumption.</p> <p>3. Public Safety</p> <p>There are alternative housing schemes located close to the premises, accommodating residents who are often in recovery or otherwise vulnerable. Making alcohol readily available during the most challenging hours of the night risks creating an environment that undermines residents' wellbeing and safety. Increased intoxication in the area also raises wider public safety concerns, including risks to passers by and emergency service demands.</p>

NEW PREMISES LICENCE APPLICATION

REPRESENTATIONS

		<p>4. Protection of Children from Harm</p> <p>The increased availability of alcohol late at night in a mixed use area raises concerns about the potential exposure of children and young people to alcohol related harm, including anti social behaviour and intoxicated individuals in public spaces. The cumulative impact of late night alcohol sales in this location is not, in my view, compatible with this licensing objective.</p> <p>For the reasons set out above, I request that the application be refused. In the alternative, I ask that the licence be significantly restricted, particularly by removing or limiting off sales of alcohol, to ensure the licensing objectives are upheld and to protect residents and the wider community.</p> <p>Best wishes,</p> <p>Millie</p>
6	Councillor Jamie Martin	<p>Dear Ellie</p> <p>Thank you for your previous correspondence on this licensing item.</p> <p>As the ward councillor I would like to object to the granting of the licence on the grounds of an expected increase in crime and disorder in the vicinity.</p> <p>I understand that Dorset Police and the YMCA have both made representations objecting to this licence and I fully support the reasons given by these bodies.</p> <p>As ward councillor I have been made aware of the increase of crime and disorder and the detrimental impact on public safety of the granting of a licence to another establishment on Westover Road, and I believe that an additional premises licence will only exacerbate the issues we have introduced through the granting of this licence.</p> <p>Therefore, I object on the grounds that the granting of the license will not be upholding the principles of licensing with regards to crime and disorder.</p> <p>Kind regards</p> <p>Jamie Martin Councillor, Bournemouth Central</p>

Dear James,

I write with reference to the recent Premises Licence application submitted to the Council for the supply of alcohol at Seafront Mini Market, 18 Westover Road, Bournemouth, BH1 2BY, on behalf of your client, Elina Kadir.

As a statutory consultee, Trading Standards reviews Licensing applications to ensure that, the applicant, can demonstrate that the *Protection of Children from Harm* licensing objective will be effectively upheld. Following a review of the application and our records for this premises, it is apparent that we have dealt with a number of compliance issues at the store while under the current applicant's management.

Trading Standards previously removed a quantity of disposable and non-compliant vapes from the premises after the ban on disposable vapes had come into effect. Prior to this, counterfeit handbags had also been seized from the premises. Such incidents do not provide confidence that the premises management has robust and thorough procedures in place to ensure compliance with legal requirements and licensing conditions. Furthermore, the premises is located in an area that attracts a significant number of young and vulnerable people, making effective and responsible management essential.

On this basis, and considering the history we hold for the premises, we are unable to support the application in its current form. We must be satisfied that the applicant can effectively promote the *Protection of Children from Harm* licensing objective.

To support strong management at the premises, we therefore request that the following conditions be added to the licence. These will provide a clear, enforceable, and robust framework moving forward:

- Alcohol will not be sold to or delivered to any person who is challenged and fails to provide an acceptable form of ID
- The premises shall operate a Challenge 25 policy. All customers who appear to be under the age of 25 shall be asked to prove they are of legal age before being served alcohol.
- Appropriate signage advising customers of the 'Challenge 25' policy will be prominently displayed in the premises (next to alcohol and at the point of sale).
- Challenge 25, shall be operated at the premises where the only acceptable forms of identification are (recognised photographic identification cards, such as a driving licence or passport I Holographically marked PASS scheme identification cards). Appropriate signage advising customers of the policy shall prominently displayed in the premises

- All staff involved in the sale of alcohol shall receive training on the law relating to prohibited sales, the age verification policy adopted by the premises and the conditions attaching to the premises licence.

- All staff will be trained in the legality and procedure of alcohol sales using the TSSW No Proof of age No Sale (NPOANS) training resource (or any equivalent scheme approved by the government or trading standards) prior to undertaking the sale of alcohol. Refresher training will be given to all staff on 6 monthly basis. A record of this training will be kept at the premises and be available for inspection by an authorised officer (eg. Police officer, licencing officer or other authorised officer of the council) on request.

- A Refusals Register shall be maintained at the premises and used to record any and all occasions upon which any person is refused the sale of alcohol (or delivery of the same) with a note of the reason for the refusal, the date and time and a brief description of the person(s) concerned. If the refusal relates to a delivery, the record shall also contain a note of the delivery address and the name of the customer concerned.

- The register will be signed off and dated by the Designated Premises Supervisor on a weekly basis as being an accurate record. This register will be maintained at the premises, and records of this will be kept for no less than twelve months and made available for inspection by an authorised officer on request.

- Any delivery will be provided by a reputable company operating in the area. Where the company directly employ a delivery driver they will provide a delivery policy and training to their employee

- Delivery drivers where employed by the premises must request forms of identification (recognised photographic identification cards, such as a driving licence or passport I Holographically marked PASS scheme identification cards) evidencing the recipient to be at least 18 years of age before any alcohol is handed over.

Please confirm whether your client is willing to accept the above conditions. If so, I will notify Licensing so they can be added to the licence, subject to approval.

Kind regards,
Katie

I refer to the application you have submitted on behalf of your client Elina Kadir for the above premises.

I have reviewed the conditions they have offered in respect to 'Prevention of Nuisance'.

The measures detailed above

Particularly ensuring that customers do not congregate in or near the doorways after leaving Adequate provision of rubbish bins

Management of delivery drivers to park considerately

I would be most grateful if your client would consider the following conditions on the license which are more in line with the requirements of the Licensing Act 2003 and our standard conditions for premises of this type:

- No noise generated on the premises, or by its associated plant or equipment, shall emanate from the premises nor vibration be transmitted through the structure of the premises which gives rise to a nuisance.
- The premises licence holder shall ensure that patrons do not congregate in or near the doorways and are supervised by staff so as to ensure that there is no public nuisance.

- Notices shall be prominently displayed at the exit requesting patrons to respect the needs of local residents and businesses and leave the area quietly.
- All delivery drivers will be made aware that they must be considerate of neighbouring premises when parking, and / or when making deliveries to ensure there is no obstruction or noise nuisance.
- Suitable provisions shall be put in place to ensure the regular collection of waste or recyclable materials from the premises and suitable provisions shall be made for patrons to dispose of waste generated from the premises.

Let me know if you are happy with the wording of these conditions and if your client is happy to accept these for inclusion on the premises license.
