Maintaining and promoting high standards of conduct

Declaring interests at meetings

Familiarise yourself with the Councillor Code of Conduct which can be found in Part 6 of the Council's Constitution.

Before the meeting, read the agenda and reports to see if the matters to be discussed at the meeting concern your interests

What are the principles of bias and pre-determination and how do they affect my participation in the meeting?

Bias and predetermination are common law concepts. If they affect you, your participation in the meeting may call into question the decision arrived at on the item.

Bias Test

In all the circumstances, would it lead a fair minded and informed observer to conclude that there was a real possibility or a real danger that the decision maker was biased?

Predetermination Test

At the time of making the decision, did the decision maker have a closed mind?

If a councillor appears to be biased or to have predetermined their decision, they must NOT participate in the meeting.

For more information or advice please contact the Monitoring Officer

Selflessness

Councillors should act solely in terms of the public interest

Integrity

Councillors must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships

Objectivity

Councillors must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias

Accountability

Councillors are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this

Openness

Councillors should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing

Honesty & Integrity

Councillors should act with honesty and integrity and should not place themselves in situations where their honesty and integrity may be questioned

Leadership

Councillors should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs

10. Corporate Performance Report - Q4

529 - 562

BCP Council adopted 'A shared vision for Bournemouth, Christchurch and Poole 2024-28' in May 2024.

The shared vision is the corporate strategy which sets out the council's vision, priorities and ambitions as well as the principles which underpin the way the council works as it develops and delivers its services.

Incorporated in the vision is a set of measures of progress for achieving the vision, priorities and ambitions.

This is the performance monitoring report for Quarter Four 25-26, presenting an update on the progress measures.

The council's delivery against its priorities and ambitions can also be monitored through the [performance dashboard](#) which is available on the council's website providing up-to-date real time information on the progress measures.

No other items of business can be considered unless the Chairman decides the matter is urgent for reasons that must be specified and recorded in the Minutes.
