Before the meeting, read the agenda and reports to see if the matters to be discussed at the meeting concern your interests

What are the principles of bias and pre-determination and how do they affect my participation in the meeting?

Bias and predetermination are common law concepts. If they affect you, your participation in the meeting may call into question the decision arrived at on the item.

Bias Test

In all the circumstances, would it lead a fair minded and informed observer to conclude that there was a real possibility or a real danger that the decision maker was biased?

Predetermination Test

At the time of making the decision, did the decision maker have a closed mind?

If a councillor appears to be biased or to have predetermined their decision, they must NOT participate in the meeting.

For more information or advice please contact the Monitoring Officer

Accountability

Honesty & Integrity

Background

1. An application for a new Shadow or duplicate premises licence under Section 17 of the Licensing Act 2003 was made on 23 February 2026.
2. The application is to permit Play, Films, Live Music, Recorded Music, Performance of a Dance, Activity like music and dance and the Supply of Alcohol (On and Off the premises) 00:00 to 23:59, and Late Night Refreshment 23:00 to 05:00 seven days per week. A copy of the application is attached at Appendix 1.
3. A copy of a plan showing the location of the premises is attached at Appendix 2.
4. The premises currently hold a premises licence (BH084009) which permits the same licensable activities as those sought under this application. This application is for a shadow licence and seeks to replicate the existing activities, hours, and conditions already authorised under the current licence.
5. The purpose of a shadow or duplicate licence is to provide the landlord or other third party some assurance should the premises licence lapse due to insolvency or surrender by the existing licence holder as when this happens the licence would cease to exist immediately. It also offers some protection if a tenant's premises licence is poorly managed leading to a review or full revocation. A shadow licence protects the landlord's asset from the consequence of such tenant mismanagement as a premises licence carries significant commercial value and losing it can significantly reduce the worth of a premises. If the operational licence fails for any reason, the shadow licence allows the landlord or another operator to continue licensable activities with minimal operational disruption.
6. The grant or refusal of a shadow licence does not change the operation, terms or conditions of the current premises licence. Even if the shadow licence were refused, the existing licence would remain fully in force but a shadow licence does not replace or alter the existing licence and has no effect while the current licence remains active.
7. The High Court in *Extreme Oyster & Star Oyster Ltd v Guildford BC* (2013) confirmed that shadow licences are lawful and multiple licences may be granted concurrently for the same premises

8. A copy of the current premises licence is attached at Appendix 3.

Consultation

9. The application was served on all responsible authorities, and the applicant has confirmed that statutory notices were displayed on site and published in the local newspaper.
10. The application initially prompted twenty-nine representations from local residents on the grounds that granting the licence would undermine the four licensing objectives. However, one representation was subsequently withdrawn after the nature and intent of the shadow application had been fully considered.
11. Copies of the representations are attached at Appendix 4.
12. When responding to representations, the officer sent out a response explaining the purpose of a shadow licence and the application to provide context to those interested parties. A copy of the email is attached at Appendix 5.

Options Appraisal

13. Before making a decision, Members are asked to consider the following matters: -
 - The representations made by twenty-eight other persons.
 - The submissions made by or made on behalf of the applicant.
 - The four licensing objectives.
 - The Licensing Act 2003, Regulations, Guidance and Council's Statement of Licensing Policy.

Summary of financial implications

14. An appeal may be made against the decision of members by the applicant or any of the other persons to the Magistrates' Court which could have a financial impact on the Council.

Summary of legal implications

15. If members decide to refuse the application, or attach conditions to the licence which the applicant, or any other person, does not agree to, the applicant or any other person may appeal to the Magistrates' Court within a period of 21 days beginning with the day that all parties were notified, in writing, of the decision.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].

- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

**REPRESENTATIONS IN OBJECTION TO APPLICATION FOR A SHADOW
LICENCE – ROYAL EXETER HOTEL, 59 EXETER ROAD, BOURNEMOUTH**

IN SUPPORT OF PREMISES (M235048)

1	<p>From: Sandi Layton [REDACTED] Sent: 12 March 2026 14:15 To: Licensing Com <licensing@bcpcouncil.gov.uk> Subject: Royal Exeter Hotel - alcohol license application - closing date 23 mar 2026</p> <p>To whom it may concern.</p> <p>I am writing to object to the application by the Royal Exeter Hotel for a license to sell alcohol on the property and for people to take away and consume it on the streets, until 5am! Whilst this is a shadow application to an existing license, the original one should never have been approved in a residential area.</p> <p>We live at the Coast [REDACTED] flat development on Priory and Beacon Road, a development which BCP Council approved. The noise from the Royal Exeter hotel in warmer weather is hugely intrusive when people are on the decks, outside the hotel and on the streets. Furthermore the sale of alcohol for consumption on the streets in a residential area is both foolhardy and dangerous, yet the council has historically approved this.</p> <p>I strongly object to alcohol being sold to consume on the streets and for it to be consumed on the premises and streets till 5am, especially so in residential areas. When are local residents, and BCP council tax payers I hasten to add, supposed rest and sleep ?</p> <p>The new shadow license should be amended to take into consideration local residents, which the current license does not appear to do.</p> <p>Yours sincerely S Layton</p>
2	<p>From: Czeslaw Molyn [REDACTED] Sent: 12 March 2026 15:56 To: Licensing Com <licensing@bcpcouncil.gov.uk> Subject: Alcohol licence. The Royal Exeter Hotel -Exeter Rood</p> <p>The Licensing Officer</p> <p>I would like to record my strong objection to a licence being granted to permit all night drinking outside the hotel. As a resident of East Coast Apartments it will have a detrimental impact on residents especially those whose windows face the Hotel. We already suffer from noise and loud music at weekends and this will only make matters worse. Late night drinking will lead to noise, shouting which will carry to nearby residential homes. I am also concerned about the increase in vandalism and anti social behaviour which already exists especially at weekends with most of the disturbances occurring after 11.00 pm. Kind regards</p>

	Czeslaw
3	<p>From: Sharon Dalby [REDACTED] Sent: 17 March 2026 12:21 To: Licensing Com <licensing@bcpcouncil.gov.uk> Cc: Councillor Hazel Allen <Hazel.Allen@bcpcouncil.gov.uk> Subject: Ref: 235048 The Royal Exeter Park Hotel, 59 Exeter Road, Bournemouth, BH2 5AG Application for Shadow Licence</p> <p>Dear Licence Team BCP,</p> <p>Ref: 235048 The Royal Exeter Park Hotel, 59 Exeter Road, Bournemouth, BH2 5AG Application for Shadow Licence</p> <p>I am writing as a Director of Capella Court Management (Bournemouth) Limited. I am also one of 14 owners at the residential block, situated approximately 130 meters walk from the venue.</p> <p>We strongly object to the proposed Shadow Licence application for "Regulated Entertainment and Alcohol (on and off sales) 00:00 to 23:59 each day of the week and Late Night Refreshment 23:00 to 05:00 each day of the week."</p> <p>1. Public Nuisance</p> <p>The proposal will adversely affect the residents living in close proximity. There will be more noise and disturbance in surrounding areas at night and into the early morning. There have been previous issues relating to noise emanating from the premises - low, repetitive, thumping base, DJs who turn their music up too loud and people driving and walking to and from the venue, with no consideration for the hour. In previous years, residents have raised noise complaints with the owners and advice has been sought from BCP environmental team, Councillor Hazel Allen and Harry and Las at the venue. The situation will be worse if the 24 hour, every day of the week Licence is granted.</p> <p>Licences for performances of live music are treated differently with restrictions between 11pm and 8am - why is the throb of sound systems from this venue treated differently and considered acceptable at all hours and all week? Appropriate steps to control the noise or use of noise limiting devices during the most sensitive periods of night-time are inadequate. For instance, when their aircon system failed last year, windows were opened and when the bass was excessive, responsibility was blamed on the DJ and staff present.</p> <p>There will be more litter. At the top of Exeter Park Road, bottles and waste fast food packaging, look unsightly and attract vermin and seagulls. The venue appears to do nothing to keep the approaches to their venue clean and litter free. Cllr Hazel Allen has been made aware, as the round about on Exeter Park Road has become increasingly unsightly. Rubbish blows around and is also left in the neighbouring public car park. No responsibility or preventative action is seen.</p> <p>2. Public Safety</p> <p>There will be more anti-social behaviour, crime and disorder in the neighbourhood as a result of the proposal. The applicant and BCP need to address excessive consumption of alcohol and drunkenness. It is already recognised that the Police and Emergency Services are stretched in the town centre. Dispersal and management of patrons in the vicinity of the premises seems to hold no importance and will only get worse if</p>

hours are extended. Staff can pack up and go home, but residents are left with people talking loudly, vomiting, urinating and hanging around for cabs.

The image of the town centre is at an all time low and allowing extensions for all hours, all week refreshments and alcohol will not help. There are already venues nearby offering late night food and drink. More will just add to the seemingly poor image visitors have of our town.

3. Health and Safety

Premises, that are open after 23:00 supplying food and drink for consumption on or off the premises, can attract large groups of customers, many of whom have already consumed alcohol. The gathering of people around takeaways is already evident on Exeter Road. This leads to additional traffic in an already busy area, Deliveroo and Justeat bikes, noise, disturbance and rubbish. How does Halix propose managing the service, queues, litter, behaviour, seating and bins? Deliveries will also be increased, which in turn will cause more traffic for residents and for those trying to park and get to work. Rubbish collection will also increase. With "Urban Garden" and "The Sun" nearby, the disposal of bottles and dust cart collections can be noisy and numerous without more!

4. Safeguarding

The Licensing Authority is already concerned that the irresponsible consumption of alcohol from off-sales is "a significant problem and adversely affects the licensing objectives it gives free rise problems of drunkenness, disorderly behaviour and a higher risk of alcohol sales to children." During school holidays and fine weather, teenagers often gather in numbers on the seafront, town and park. Responsible sale of alcohol by all premises is essential.

Quite simply, the application from The Royal Exeter Park Hotel causes real concern. We strongly object to the proposal and ask BCP not to agree or permit the shadow licence.

Yours sincerely

OBJECTION Importance: High</p> <p>Halix Limited has requested a premises licence for The Royal Exeter Hotel, located on Exeter Road. The application seeks to allow the sale of alcohol around the clock both on and off the premises, along with regulated entertainment, as detailed in their submission.</p> <p>We wish to object to the granting of this licence in the strongest possible way. The granting of such a licence would bring an increase of anti social behaviour to the area and also encourage late night drinking and its associated problems. If food is also to be served there is an increased risk of smell and litter pollution with the possibility of vermin and disease. Traffic may also increase causing noise and the additional problems of parking, drink driving and the added Policing required. Noise will also be an issue both at the venue and from customers arriving at and leaving the area, which will greatly affect the neighbouring Coast development residents and guests at nearby hotels.</p> <p>All in all this's not an acceptable type of licence for such premises in the middle of town</p> <p>Best Regards, Jim & Christine Mackenzie [REDACTED] East Coast Beacon Road, Bournemouth Dorset BH2 5EW</p>

My objection is made on the basis that the proposed Licence is likely to undermine several of the Licensing objectives set out under the Licensing Act 2003, in particular:</p> <p>1. Prevention of Public Nuisance Granting a 24-hour alcohol Licence, combined with late-night refreshment and regulated entertainment, raises serious concerns regarding noise disturbance during night-time hours. Increased foot traffic, patrons leaving the premises in the early hours, and potential outdoor activity are likely to disrupt the sleep and wellbeing of nearby residents. This is especially concerning given the proposed operation between 23:00 and 05:00, a period typically associated with minimal ambient noise.</p> <p>2. Prevention of Crime and Disorder The availability of alcohol around the clock may lead to an increase in anti-social behaviour, including public intoxication, disorderly conduct, and potential conflict. Extending alcohol sales beyond typical hours can attract individuals seeking late-night drinking, potentially placing additional strain on local policing resources.</p> <p>3. Public Safety Increased activity throughout the night may create safety risks for both patrons and local residents. The movement of individuals under the influence of alcohol during late hours could lead to accidents, disturbances, or other safety concerns in the surrounding area.</p> <p>4. Protection of Children from Harm If the premises is located near residential housing, there is concern that such extended hours of operation could expose children to inappropriate behaviour, noise, and disturbances late at night.</p>

	<p>Given these concerns, I respectfully request that the Licensing Authority carefully considers the impact this application may have on the local community. At a minimum, I would urge the Council to consider imposing stricter conditions, such as reduced hours, limitations on outdoor areas, and enhanced noise control measures, should the application be granted in any form.</p> <p>I trust that the Council will give due weight to the concerns of local residents and uphold the Licensing objectives in its determination.</p> <p>Thank you for your consideration.</p> <p>Yours faithfully, Dinesh Mahathevan</p>

Dear Sirs

We wish to object to both the existing and applied-for @Shadow License@ which appears to have no limitation on hours of activity [thus 24/7], nor any controls over noise levels and particularly the noise wavelengths allowed to escape from the premises.

The Exeter Hotel/Bar So makes use of a tented/conservatory area at the side of the old building for use as their bar/entertainment space which has no acoustic insulation. The recorded music is played at such a volume and with intense Bass & Drum notes that we at Coast, some 150-200m from the building, are bombarded with a continuous bass noise throughout the "performance" of their recorded music. On summer weekend afternoons this begins mid-afternoon and means we are unable to enjoy our outdoor spaces.

It is surely time that we, as local residents, are allowed to enjoy some quiet enjoyment of our homes and be considered before the passing interests of stag and hen parties.

Re:-Licence Application – The Royal Exeter Hotel / Exeter Road

Dear Licensing Officer

I am writing to formally object to the premises Licence application submitted by The Royal Exeter Hotel, located on Exeter Road, close to residential properties, which seeks to permit the sale of alcohol 24 hours a day (both on and off the premises),

especially the provision of late-night refreshments between 23:00 and 05:00 daily, which is ridiculous and the inclusion of regulated entertainment. My objection is made on the basis that the proposed Licence is likely to undermine several of the Licensing objectives set out under the Licensing Act 2003, in particular:

1. Prevention of Public Nuisance

Granting a 24-hour alcohol Licence, combined with late-night refreshment and regulated entertainment, raises serious concerns regarding noise disturbance during night-time hours. Increased foot traffic, patrons leaving the premises in the early hours, and potential outdoor activity are likely to disrupt the sleep and wellbeing of nearby residents. This is especially concerning given the proposed operation between 23:00 and 05:00, a period typically associated with minimal ambient noise.

2. Prevention of Crime and Disorder

The availability of alcohol around the clock may lead to an increase in anti-social behaviour, including public intoxication, disorderly conduct, and potential conflict. Extending alcohol sales beyond typical hours can attract individuals seeking late-night drinking, potentially placing additional strain on local policing resources.

3. Public Safety

Increased activity throughout the night may create safety risks for both patrons and local residents. The movement of individuals under the influence of alcohol during late hours could lead to accidents, disturbances, or other safety concerns in the surrounding area.

4. Protection of Children from Harm

If the premises is located near residential housing, there is concern that such extended hours of operation could expose children to inappropriate behaviour, noise, and disturbances late at night.

Given these concerns, I respectfully request that the Licensing Authority carefully considers the impact this application may have on the local community. At a minimum, I would urge the Council to consider imposing stricter conditions, such as reduced hours, limitations on outdoor areas, and enhanced noise control measures, should the application be granted in any form.

I think that the Council should give due weight to the concerns of local residents and uphold the Licensing objectives in its determination.

Subject: Objection to Premises Licence Application – The Royal Exeter Hotel / Exeter Road

Dear Sir/Madam,

I am writing to formally object to the premises Licence application submitted by The Royal Exeter Hotel, located on Exeter Road, which seeks to permit the sale of alcohol 24 hours a day (both on and off the premises), the provision of late-night refreshments between 23:00 and 05:00 daily, and the inclusion of regulated entertainment.

My objection is made on the basis that the proposed Licence is likely to undermine several of the Licensing objectives set out under the Licensing Act 2003, in particular:

1. Prevention of Public Nuisance

Granting a 24-hour alcohol Licence, combined with late-night refreshment and regulated entertainment, raises serious concerns regarding noise disturbance during night-time hours. Increased foot traffic, patrons leaving the premises in the early hours, and potential outdoor activity are likely to disrupt the sleep and wellbeing of nearby residents. This is especially concerning given the proposed operation between 23:00 and 05:00, a period typically associated with minimal ambient noise.

2. Prevention of Crime and Disorder

The availability of alcohol around the clock may lead to an increase in anti-social behaviour, including public intoxication, disorderly conduct, and potential conflict. Extending alcohol sales beyond typical hours can attract individuals seeking late-night drinking, potentially placing additional strain on local policing resources.

3. Public Safety

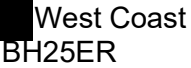

Increased activity throughout the night may create safety risks for both patrons and local residents. The movement of individuals under the influence of alcohol during late hours could lead to accidents, disturbances, or other safety concerns in the surrounding area.

4. Protection of Children from Harm

If the premises is located near residential housing, there is concern that such extended hours of operation could expose children to inappropriate behaviour, noise, and disturbances late at night.

Given these concerns, I respectfully request that the Licensing Authority carefully considers the impact this application may have on the local community. At a minimum, I would urge the Council to consider imposing stricter conditions, such as reduced hours, limitations on outdoor areas, and enhanced noise control measures, should the application be granted in any form.

	<p>I trust that the Council will give due weight to the concerns of local residents and uphold the Licensing objectives in its determination. Thank you for your consideration.</p> <p>Yours faithfully, Mr P Hearne</p>

Subject: Objection to Premises Licence Application – The Royal Exeter Hotel / Exeter Road

Dear Sir/Madam,

I object on the grounds that our holiday let abuts the area and as such will increase the complaints we will receive from the family's who choose to visit Bournemouth and will eventually impact our visitor numbers detrimentally.

Furthermore, the proposed License is likely to undermine several of the Licensing objectives set out under the Licensing Act 2003, in particular:

1. Prevention of Public Nuisance

Granting a 24-hour alcohol Licence, combined with late-night refreshment and regulated entertainment, raises serious concerns regarding noise disturbance during night-time hours. Good morning,

Thank you for your email and for submitting a representation in objection to the premises licence application for a shadow licence at The Royal Exeter Hotel. Please find attached an acknowledgement letter which sets out key information about the application and the hearing process.

For your convenience, I have attached a redacted copy of the application for your reference and where you will find more information about the proposals.

I would like to clarify that the premises already hold a premises licence. The applicant has submitted this application for a shadow licence covering the same licensable activities, hours, and conditions as those already permitted under the existing licence. This means that, even if the shadow licence were refused, the existing premises licence would remain fully in force exactly as it currently stands. A shadow licence does not replace, restrict, or amend the existing licence, and it has no effect while the current licence continues to operate.

As outlined in the application, the purpose of seeking a shadow licence is to give the licence holder the option of leasing the hotel to a third party, who would then be able to transfer the existing premises licence to themselves. In practical terms, whether the shadow licence is granted or refused does not alter the terms, conditions or operation of the current premises licence.

If, having reviewed this information, you feel your concerns have been addressed and you wish to withdraw your representation, please let me know at your earliest convenience, as this may avoid the need for a hearing.

As part of the statutory process, all representations including contact details, must be shared with the applicant or their legal representatives so that they have the opportunity to respond should they wish to do so. Personal details can only be redacted where there is a genuine and evidenced fear of intimidation. If you feel this applies in your case, please let me know as soon as possible so that we can consider this.

I will be in contact in due course with further information about the hearing. In the meantime, if you have any queries, please do not hesitate to contact me.

Please note that I am on leave from this afternoon and will not be returning until Thursday 19 March 2026. I will respond to any correspondence on my return, however, if your enquiry is urgent, please email licensing@bcpcouncil.gov.uk, where another Licensing Officer may be able to assist you.

Tania
