Dear Mr Underhill

Thank you for your response. I shall ensure that it is forwarded to the Members of the Licensing Sub-Committee who will be considering this application on Monday.

Kind regards
Sarah

Importance: High

Good afternoon Sarah

Thank you for setting out the basis for consideration of a licence application.

I welcome the cafe being given a new lease of life and as a neighbour have every intention of becoming a regular patron. Also I do not object to the serving of alcoholic drinks provided the licencing hours are kept to an absolute minimum (eg 2 to 5pm each day)

During any day of the year, the ducking stool attracts an extremely surprising number of visitors and it is also a honey trap for groups of teenagers and young adults. Unfortunately, not all are well behaved or respectful of the locality, so adding the ingredient of alcohol is bound to increase public nuisance and the risk of crime and disorder.

Kind regards

David Underhill

Dear Mr Underhill

Thank you for your email regarding the licensing application for The Ducking Stool.

Unfortunately, it does not contain any detail to support your assertion that as a quiet residential street the activity proposed is inappropriate.

The Licensing Act 2003 revolves around four licensing objectives which are the basis for consideration of a licence application – the prevention of crime and disorder, prevention of public nuisance, public safety and the protection of children from harm. When making a representation against an application it is necessary to provide a clear focus on these.

A hearing is scheduled for 10:00am on Monday 14th December 2020 as there have been other representations made. Your email was received within the consultation period but in order for me to accept it as relevant, and include it for consideration in the hearing, further information must be provided.

I look forward to hearing from you.

Kind regards
Sarah

Dear Sirs

As a neighbour I object to the proposal for the retail sale of alcohol at the above premises. This is a quiet residential street, inappropriate for such activity.

Regards
David Underhill
