the Head of Paid Service.

- d These ratios are published in line with the recommendations of the Hutton review of Fair Pay in the Public Sector. This review also recommends that local authorities define what they mean by 'lowest salary'.
- e The lowest salary is defined as the full-time equivalent salary of employees in receipt of the lowest salary point of the salary and grading structure for the preceding councils' employees who are not covered by Soulbury, Apprentices or Youth Workers national scales.
- f The salaries of Heads of Service / Service Directors, the posts that report into Corporate Directors, and other employees not covered by nationally agreed pay scales, are determined under the preceding councils' job evaluated pay and grading structure.
- g An extract from the annual statement of accounts for 2019/20 is given in Appendix B for BCP Council which gives details of the payments made to Chief Officers in 2019/20.
- h Whilst it is the Council's policy to recruit on the minimum of a pay scale, due regard will be taken of the prevailing market rates.
- i Incremental progression does not apply to Chief Officers.
- j No other fees are paid to Chief Officers, but they can make claims under the relevant authorities Business Travel and Subsistence arrangements.
- k Payments for working hours additional to contractual hours are not made.

The Council publishes the total remuneration of Chief Officers and Service Directors as part of the annual statement of accounts on its public website.

The decision to employ Chief Officers, who were previously employed by the Council and left with a severance or redundancy payment, will be based on the applicants' suitability for the post. No deductions will be made from the remuneration package, providing the employment is more than four weeks from the original date of termination. If the employment is within four weeks of the original termination, the employee will have to reimburse any redundancy payments to the previous employer if they have been made to them.

The Council's policy is to usually employ Chief Officers under employment contracts, not under a contract for services.

The decision to employ Chief Officers who are in receipt of a Local Government Pension Scheme or Fire fighter pension (whether their previous service was with the same authority or not) is dependent on the applicant's suitability for the post. The remuneration will be set in line with the Chief Executive and Chief Officers' national pay scales, the going market rate and affordability.

The supplementary guidance on the implementation of section 40 of the Localism Act 2011 provides that the full council is given the opportunity to vote on non-contractual severance payments over £100,000. An annual report is made which includes reference to such cases for transparency purposes.
