Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

This proposal is for a high-end speakeasy wine and cocktail bar to complement other food and drink offers in this area of Christchurch, which area has been designated for such uses under local planning policy. The applicant has operated a successful events and hospitality business in the Christchurch area for a number of years and is experienced in catering for the discerning public. The intention is to provide a first-class establishment maintaining the integrity and character of this listed building whilst providing a welcoming, sophisticated, safe and relaxing space for those wishing to enjoy socialising and easy conversation. A plan of the proposed premises is submitted with this application – the layout of the tables and chairs are for illustrative purposes only.

It is proposed that the premises are open from 9am serving coffees and pastries, continuing to be open throughout the day, with food available, and moving to providing wine and cocktails for those wishing to enjoy a safe and convivial environment, without high volume music, in the evenings. Accordingly, the following general conditions are proposed:

- Non-intoxicating beverages, including drinking water, shall be available to patrons throughout the permitted hours for the sale of alcohol.
- Staff involved in the sale of alcohol will receive appropriate training in the licensing laws, and in particular, how to prevent underage sales.
- A record shall be maintained detailing :
 - a) Any refusals of the sale of alcohol
 - b) Any incidents occurring at the premises to include any incidents of crime and disorder, seizures of fraudulent ID, ejections of patrons.

b) The prevention of crime and disorder

A suitable CCTV system shall be installed and maintained in good working order, and shall record at all times the premises are open to the public (unforeseen faults excepted). Recordings shall be kept for a minimum of 31 days and copies be provided on reasonable request to officers of the licensing authority or Police, provided that such requests are in connection with the prevention or detection of crime, and subject to the Data Protection legislation.

c) Public safety

No specific public safety measures are considered necessary over and above the statutory requirements already existing under other legislation.

d) The prevention of public nuisance

Prominent clear and legible notices will be displayed at the exit to the premises requesting patrons to respect the neighbouring area and leave the premises quietly.

e) The protection of children from harm

A 'Challenge 25' proof of age scheme shall be operated at the premises whereby any person reasonably appearing under the age of 25 years shall be asked to prove their age by means of photographic identification when attempting to purchase alcohol and signs to this effect will be displayed at the premises.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
