All activities and events will have to comply with Council regulated event criteria to include risk assessment and suitable insurance cover.

All events will comply with Council Byelaws.

b) The prevention of crime and disorder

Full risk assessment will be carried out for events to determine any need for security or marshalling, and the emergency services will be consulted a minimum of 28 days in advance.

An up to date record of incidents will be kept at the premises and this will be available for inspection by an authorised officer on request.

The premises will operate an effective dispersal policy.

c) Public safety

All event organisers will be asked to provide confirmation of public liability insurance and risk assessments for every aspect of their event. All health and safety requirements will be agreed prior with organisers and contractors prior to the event and contracts drawn up confirming these requirements. Regular checks will take place to ensure this is being adhered to.

HSE guidance will be followed where applicable to include 'The Event Safety Guide' and other appropriate publications.

Access for emergency vehicles will be kept clear in respect of those areas under the control of the operators of the premises.

All temporary staging and large marquees will be checked by a qualified person for safety purposes.

d) The prevention of public nuisance

An appropriate marshalling plan will be agreed for each event.

Regular contact will be maintained with Emergency Services and police provision agreed as necessary.

The premises will operate an effective dispersal policy.

e) The protection of children from harm

A lost child procedure will be implemented for all events and modified as necessary.

Where there are supervised activities with or without parental/guardian supervision, the organisers of those activities will be Disclosure and Barring Service (DBS) checked.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
