<p>The Prevention of Crime and Disorder: This is a residential area, and having people drinking and leaving late, one the impact if you are in the poker and have lost could potentially lead to crime and disorder, People going there at 10am and drinking all day and coming out drunk could lead to abuse and harm to residents and others. Young groups of people leaving late and night and drunk may one if they have lost a game damage property in anger, or fight between themselves. Having a late licence will encourage others in the Southbourne pubs to leave to get to Deans Rd for 11pm to continue drinking till late, again the noise and the risk of abuse and harm, criminal damage is immense to residents in this street.</p>
<p>The Prevention of Public Nuisance: Having people coming and going at all hours particularly late at night will impact the residents, with noise, smoking outside will cause noise and disruption and again the potential for snooker/poker players coming out drunk and being loud and disruptive and potentially abusive to others. The club will be a magnet for groups of people attending, queuing up outside, causing noise levels to rise and this will be a public nuisance as this is a quiet street.</p>
<p>Public Safety: As above the impact of people coming and going, you could have groups of lads outside waiting to go in , having already drunk elsewhere becoming abusive, smoking outside will again impact the street with the noise, it is not on main road and again if they are smoking and threw a cigarette in the garage next door or the neighbour sheds this could lead to fire, and again potential harm. People are at risk of abuse if someone who has been in the club comes out and has lost money and is drunk or just angry because they have lost a game of snooker there is the potential for abuse and this could lead to physical harm. It is also will make the residents of the street feel vulnerable which is unfair.</p>
<p>The Protection of Children from Harm: This is a residential street and children will be at risk of harm if there is late night comings and goings, the noise will frighten them, could impact on their sleep due to the noise levels. And then effect their mental health. if there is constant cars coming and going banging doors which cannot be prevented, it could cause the children in the street anxiety and make them frightened living there due to the noise especially if the police are being called all the time</p>

The Prevention of Crime and Disorder: I feel that this should be a members only club so that people who have been drinking locally cannot just start turning up when the pubs have closed and trying to get in.

The Prevention of Public Nuisance: I am concerned about the length of the licensing hours and the potential disruption from people coming and going late at night. The previous sports club had few members and finished around 10pm. The Brewhouse and Kitchen in Parkwood Road has no noise after 10pm. Sound from the front area of the snooker club travels directly to our home, particularly to the top floor where we sleep. I do not object to the club on the whole but I am very concerned about the noise late at night - I work shifts with early starts and need to be able to sleep.

Licensing Application No. 183391 (Southbourne Snooker Club)

Kevin

Dear Licensing Officer

I wish to make formal representation against the above licensing application after being approached by a local resident and sharing their concerns.

My main concern about this license is that it is highly likely to increase the possibility of public nuisance for many dwellings surrounding the club especially given its close proximity to a number of other businesses who already sell alcohol in this area late into the evening. I am also have great concern about the intention to hold poker nights at this venue and the potential of those who may have lost a game behaving in an anti-social manner and the affect this will have on those living nearby.

It is also worth noting that a licensing application for a snooker hall in a neighbouring road sites a 10pm closing time which I believe would be far more acceptable. Why the need for this one to open until midnight given its proximity to so many residential properties?

The above concerns have been raised under the licensing objectives of Prevention of Crime & Disorder, Public Safety and The Prevention of Public Nuisance. I trust that they will be taken into consideration when determining this application.

Kind Regards

<p>Reasons for Representation. Please, give information under the relevant Licensing Objective. <i>(Please note you are not required to complete all the boxes unless you feel it is relevant.)</i></p>
<p>The Prevention of Crime and Disorder:</p> <p>There is a real threat of crime been commented by people that have been able to drink from 10am to 12pm. When people are under the influence of alcohol, they are more likely to commit a crime, whether this be going to the toilet up against someone's door, hitting a car or even breaking and entering on to a property. If they can gamble as requested in the license, this will also add to the higher risk of crime been committed. It will put our homes and vehicles at higher risk of damage if someone comes out after drinking and losing a lot of money and been upset or frustrated. These types of establishments also feed into other bad habits and drug use which are not suitable for a residential area.</p>
<p>The Prevention of Public Nuisance:</p> <p>We already have two licensed establishments in this within this vicinity which currently causes problems with the noise and anti-social behaviour, by adding another late-night establishment to this, would make our lives unbearable. In the neighbourhood we are all hard-working families. Sometimes we struggle to get our children to bed and up from work and school in the mornings due to the disturbances and situations that have arisen previously.</p>
<p>Public Safety:</p> <p>My wife took a photo of the licence application to look into the details further, she noticed a man follow me to see where she was going and then take a picture of her. She found extremely intimidating and frightening and I should be able to go to work and leave my family feeling safe in our own home.</p> <p>This neighbourhood as always been a nice/ safe area to live but over the last few weeks we have noticed a few uncertain characters hovering around waiting to meet and quickly then disbursing. It was then brought to our attention what was happening in these premises, this situation has only occurred since the new people have started work on these premises.</p> <p>The entrance to this property is fairly small. If there customers where smoking outside, who have been drinking this would be extremely off putting to walk past in the day time with our children and frightening if I was own, even worse at night time as there would not be a lot of space on the pavement to pass by.</p>

Also the premises below is a MOT garage so would be a higher risk of fire, with smokers right by the door way.

The Protection of Children from Harm:

As stated previously this neighbourhood full of families with children. If what as been witnessed by our other neighbours and the problems we would have with the premises serving alcohol till 12pm ,so customer would not leave till 1am and then risk of disturbance and violence every single night of the week , how do you expect these children and their parents to be able go about getting a proper education and a full days work in when they have been kept awake EVERY NIGHT till after 12pm. this would have a massive effect on their mental health and anxiety. It may also risk influencing the older children to get involved in bad habits and behaviours if they are witnessing this on a daily basis.

As we have mentioned we have already witnessed behaviours which we can only describe as drug related, which we are completely devastated about and fear this will only increase if this license gets approved.

I do not wish my details to be include in the Public Documents for the following reasons:

I do not want my details included as my wife already feels intimidated after her photo was taken and Is worried, so i need them to feel safe without the threat of anger turning up at our door.

I declare that the information I have provided is true and correct.

To Licensing Com

Jenny

 We removed extra line breaks from this message.

Dear Licensing authority

We would like to lodge a strong objection to the Sourthbourne Snooker Club being permitted to serve alcohol until 24.00hrs - This club is situated in a small residential street and our concerns are that individuals would stand outside the premises under the influence while taking smoke breaks, which has been the case over the past several years whilst in the hands of the previous owners, however, the patrons then would normally disburse by 23.00.

Could i please respectfully ask that Southbourne Snooker Clubs alcohol licence mirror the previous owners, which would hopefully cause less disruption to residents in the area.

Please can my name and address be removed from any correspondence with Sourthbourne Snooker Club.

Best wishes

the Prevention of Crime and Disorder: I feel the opening of this club and the hours started for servi alcohol on these premises will increase bad behaviour, fighting bad language not good on a quiet residential street.
The Prevention of Public Nuisance: could cause problems, Late night music, gambling, Drink on a street where we have people working shifts and young families not enough parking not been able to park our own vehicles, Drug use (has been seen)
Public Safety: could cause more antisocial behaviour, ie - groups of people drinking may cause damage to properties, cars, Leaving rubbish not feeling safe (I've seen lots of people going in and out already)
The Protection of Children from Harm: There is families with young children on this quiet street and any anti-social behaviour and club which offers alcohol and gambling should not be acceptable on Our quiet Street.

Address of Premises: 8 Dean's Park Road, Bournemouth, BH6

Reasons for Representation. Please, give information under the relevant Licensing Objective. <i>(Please note you are not required to complete all the boxes unless you feel it is relevant.)</i>
The Prevention of Crime and Disorder: Being able to play poker encourages gambling in this area. In an economy and near an area where people have very little money and are on the poverty threshold, there is a high chance this license will have a negative effect on many people's lives thus leading to a peak in crimes due to a desperation of some in the local community. I believe, there is a high amount of crime in the area already, if there is another place to drink and gamble, the crime will only increase. This is very worrying as a local resident.
The Prevention of Public Nuisance: This is a close knit community and residential area. This area has also a very hard working community who are up early in the mornings to go to their work places. If there is a lot of noise coming from the building as people disperse to go home – this will have a significant impact on sleep and in leu, their jobs. There is a chance the building could be used as a place to drink after the Brewhouse pub has closed. This will increase drunk and disorderly types of problems and will disturb the local residents. There is also very limited parking for residents. This is effected by the Brewhouse pub and will get even worse if the snooker club was to open.
Public Safety: Depending on the visitors, we walk ours dogs just before bed. This is a worry are there will be intoxicated people outside smoking. We believe having another space to drink in such close proximity to the Brewhouse could lead groups from each place to fight if something was said across the street.

The Protection of Children from Harm:

Lots of school aged children and younger live in close proximity of the building. Some children's bedrooms even back onto the building with only a small garden between them. These children and their sleep cannot be disturbed. This could lead to significant issues in the community.

I declare that the information I have provided is true and correct.
