Meeting date	26 June 2019
Status	Public Report
Executive summary	To present the Youth Justice Plan for 2019/20. There is a statutory requirement to publish an annual Youth Justice Plan which must provide specified information about the local provision of youth justice services. This report summarises the Youth Justice Plan for 2019/20, with a copy of the Plan appended. The Youth Justice Plan needs to be approved by the full Council.
Recommendations	<b>It is RECOMMENDED that:</b>  <b>Overview and Scrutiny Committee endorse the Youth Justice so that Cabinet can recommend its approval to the Full Council</b>
Reason for recommendations	Youth Offending Teams are required to publish an annual Youth Justice Plan which should be approved by the Local Authority for that Youth Offending Team and by the Youth Justice Board. Dorset Combined Youth Offending Service works across both Bournemouth, Christchurch and Poole Council and Dorset Council. Approval is therefore sought from Bournemouth, Christchurch and Poole Council, as well as from Dorset Council. Indicative approval has been received from the Youth Justice Board.  The draft Youth Justice Plan has been approved by the Dorset Combined Youth Offending Service Partnership Board.

## **Background**

1. Under the Crime and Disorder Act 1998 Youth Offending Teams are required to publish an annual youth justice plan. The Youth Justice Board provides guidance about what must be included in the plan and recommends a structure for the plan. The draft Youth Justice Plan for the Dorset Combined Youth Offending Service is attached at Appendix One. A brief summary of the Youth Justice Plan is provided in this report.

## **Summary of Contents**

2. The Youth Justice Plan provides information on the resourcing, structure, governance, partnership arrangements and performance of the Dorset Combined Youth Offending Service. The Plan also describes the national and local youth justice context for 2019/20, identifies risks to the delivery of youth justice outcomes and sets our priorities for this year.
3. There are three national 'key performance indicators' for youth justice. The first indicator relates to the rate of young people entering the justice system for the first time. Local performance in this area has declined, with young people in Dorset now more likely to enter the justice system than young people in other areas. Plans to develop alternative 'diversion' options are being taken forward with Dorset Police and the Office of the Police and Crime Commissioner.
4. Dorset Combined Youth Offending Service is performing well against the other two national indicators, for reducing reoffending and for minimising the use of custodial sentences.

## **Summary of financial implications**

5. The Youth Justice Plan reports on the resourcing of the Youth Offending Service (YOS). Local authority and other partner contributions had remained static since 2014/15. A cost of living increase to local authority contributions was agreed for 2018/19, along with a redistribution of the funding proportions to reflect Local Government Reorganisation. The annual Youth Justice Grant has reduced from £790,000 in 2014/15 to £588,708 in 2018/19.
6. The creation of the pan-Dorset Youth Offending Service in 2015 increased the service's resilience and ability to adapt to reduced funding and increased costs.

The management of vacancies, and the deletion of some posts, has enabled a balanced budget to be achieved.

### **Summary of legal implications**

7. Local authorities are legally required to form a youth offending team with the statutory partners named in the Crime and Disorder Act 1998. The Act also stipulates that youth offending partnerships must submit an annual youth justice plan setting out how youth justice services in their area will be provided and funded; and how the youth offending team will be composed and funded, how it will operate and what functions it will carry out. The Youth Justice Plan for 2019-20 meets these legal obligations

### **Summary of human resources implications**

8. Local Authority YOS staff members who were previously employed by Poole and Dorset transferred to become employees of Bournemouth Borough Council in 2015. Local Government Reorganisation in April 2019 led to a further TUPE transfer of local authority employees to the new Bournemouth, Christchurch and Poole council. The YOS also includes employees of the partner agencies who have been seconded to work in the team and who remain employed by the partner agency

### **Summary of environmental impact**

9. No adverse environmental impact has been identified.

### **Summary of public health implications**

10. Young people in contact with youth justice services are known to be more likely than other young people to have unmet or unidentified health needs. The Youth Offending Service includes seconded health workers who work directly with young people and who facilitate their engagement with community health services.

### **Summary of equality implications**

11. The Youth Justice Plan contains information about the gender and ethnic composition of the YOS staff and volunteer groups. The Plan does not identify any adverse impact on staff or volunteers with protected characteristics. The Plan does show that the YOS staff and volunteer group does not fully reflect the diversity of its service user group. A YOS Staffing Plan has now been completed with actions identified to address this issue.
12. It is recognised nationally that young people from minority ethnic groups, and young people in the care of the local authority, are over-represented in the youth justice system and in the youth custodial population. It is also recognised that young people known to the YOS may experience learning difficulties or disabilities, including in respect of speech, language and communication needs. Actions have been identified in the Youth Justice Plan to address these issues.

## **Summary of risk assessment**

13. Risks that have been identified to the achievement of youth justice outcomes include limited access to suitable education provision for young people known to the YOS; lack of suitable local care placements for children with complex risks and needs; increased incidence of child exploitation and associated increased risks of violent behaviour; pressure on resources and uncertainty and delay on Youth Justice Board.
