15 The Quay, Poole BH151HS

Dear Sir, _____

Re Licence application M184105 Jag Bar and Restaurant 'Anemos' 15 The Quay Poole

I would like to make representation against this application in relation to prevention of public nuisance.

I feel that the hours requested from 10am to 2300 each day are excessive. This property is situated in a residential block and the longer the premises can sell alcohol the more likely it is for disturbance and noise. Obviously they will want to do a lunchtime service. But do they really need to serve alcohol at 10am in the morning ?

I don't know if there will be tables and chairs outside but this will add to any possible disturbance.

The previous business had tables and this did impinge on the pavement as it is fairly narrow at this point.

Inside the premises there is a piano so I am concerned that this may lead to entertainment and further noise. I understand this would need to be a separate application which I have not seen yet.
