APPLICATION DETAILS

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. VARIATION

Do you want the proposed variation to have effect as soon as possible?

Yes No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

Yes No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

The premises comprise a long-established restaurant/cafe bar with bar facilities and function space. The proposed variation sought is to enable the sales of alcohol from the bar to continue to be supplied for consumption off the premises. This has been authorised on a temporary basis since June 2020 during the Covid-19 restrictions and it is now sought to allow this to continue on a permanent basis. Accordingly, application is sought to remove condition 2.10 on the current Premises Licence.

These premises have operated for many years under the same experienced operator and, following Government Guidance during the Coronavirus pandemic, and in line with the extremely helpful and supportive pragmatism adopted by responsible authorities, have been able to provide takeaway and off sales facilities during this period. This facility has been most welcome and appreciated by customers who have expressed a wish that it continue once, hopefully, the pandemic restrictions come to an end. There is no proposal to change the operation at the Boathouse, nor any of the hours, licensable activities or conditions on the Premises Licence save for the removal of condition 2.10. It is sought to continue the hours for off sales as per those currently existing, until the terminal hour of 11pm. During the past year the Boathouse operator and staff have been exceptionally socially responsible by taking steps well above its legal duties in assisting by clearing litter from any source in the Quay area both during and after trading and without this takeaway operation the litter left in this area generally would inevitably be far greater.

b) The prevention of crime and disorder

Given that the application is to permit a facility to continue which has operated successfully for the past 12 months and given the conditions existing on the current premises licence, no further conditions in this respect are considered necessary or appropriate.

c) Public safety

No glass will be used for the dispensing of off sales facilities.

d) The prevention of public nuisance

See b) above

e) The protection of children from harm
