

Proposed Smart Place Ducting and Fibre Route

Green line = proposed wide area network (WAN) network following a TCF route.

Red line = proposed WAN network not following a TCF route.

Orange line = proposed WAN network follows a TCF route but does not form part of the network 'core'.

Coloured dots mark Council sites on the corporate WAN. Their different colours denote their varying connection speeds.

Scale: 1:100000 @ A4
