

# PORTFOLIO HOLDER DECISION POST ENGAGEMENT FINAL DECISION

Report subject	<b>Climate Action' insulation scheme</b>
Decision maker	<b>Councillor Mike Greene, Portfolio Holder for Sustainability and Transport</b>
Proposed decision	Approve budget for use to assist eligible residents to install grant-funded insulation measures in homes with poor energy ratings.
Proposed decision publication date	16 November 2021
Engagement period	Following the publication of the proposed decision, interested parties were invited to comment on the proposal for a period of five-clear days from 16 November 2021 to 23 November 2021 inclusive.
Comments received	<p>Two representations were received in response to the proposal as follows: -</p> <p><b>Adrian Chapman (BH11 9AS)</b></p> <p>The scheme is flawed, fine if you have a standard square box with a roof but doesn't cover a lot of houses especially older ones with old loft conversions with stud walls and poor insulation.</p> <p><b>Lucy Harris</b></p> <p>Very pleased to see this proposal (I will not be eligible).</p>
Decision taken	<b>The Portfolio Holder for Sustainability and Transport has considered any representations received and determined to confirm the decision outlined above without modification</b>
Date of final decision	26 November 2021
Call-in and urgency:	Subject to any urgency provisions which shall be identified, this decision will not come into force, and may not be implemented, until the expiry of 5 clear working days after the decision was made, recorded and published.
