

- Site Boundary
- Existing Woodland
- Existing Development
- Proposed SANG
- Proposed Indicative Development Footprint
- Proposed Indicative Public Open Space
- Conservation Areas
- Canford Magna Parish Church
- Canford School
- Footbridge
- Lady Wimborne Arch
- Carriage Drive
- Vistas/ framed views to the Carriage Drive through the proposed development
- New avenue to strengthen Carriage Drive
- Vegetation to be thinned to allow views out from the Carriage Drive
- Location of Information Boards

- Heritage interpretation boards set out along the footpaths/historic features to provide historical information on the Carriage Drive and the relevant features so that they can be fully appreciated
- Long term Management of Carriage Drive to include:
 - Selective thinning of overgrown understorey on the northern side of the Carriage Drive to allow views out towards the River Stour and SANG
 - Removal of invasive species within and adjoining the Carriage Drive
 - Strengthening of the hedges on either side of the Carriage Drive
 - Cearance and management of trees either side of the Lady Wimborne Arch to open up views of the arch from within the Carriage Drive
 - Planting of new tree avenue on Southern side of the Carriage Drive to future proof the Carriage Drive and ensure longevity of the avenue
 - Arboricultural management plan to include regular inspections of the trees and vegetation to ensure/secure health and good condition of existing and proposed trees.
- Generous open space/ set back with significant tree planting between the Carriage Drive and the proposed development to ensure the character of the Carriage Drive is protected and enhanced

Project	Land North of Merley
Drawing Title	Carriage Drive Heritage Plan
Scale	As Shown (Approximate) @ A3
Drawing No.	10436/P33b
Date	December 2021
Checked	KP/ CP
