Background

1. An application for a premises licence under Section 17 of the Licensing Act 2003 was made on 28 February 2022. A copy of the application is attached at Appendix 1.
2. The proposed event has been before BCP Council's Safety Advisory Group (SAG) several times since the beginning of the year however, the event organisers have consistently failed to provide the necessary assurances to the SAG members that the event will be delivered safely.
3. Concerns have been raised over the lack of detail specific to this event contained in the paperwork provided which has therefore resulted in both Dorset Police and the Fire Service, together with BCP Council's Head of Destination & Events, expressing those concerns by way of representations to the licence application.
4. An Event Management Plan has been produced which is attached at Appendix 3. There are a number of appendices to this document which are available should Members wish to see further detail however the main points are dealt with within this document.

Consultation

5. The application was served on all responsible authorities and the applicant confirmed the statutory notices were displayed on site and published in the local newspaper.
6. Dorset Police and Dorset & Wiltshire Fire and Rescue Service have made representations against the application as responsible authorities on the grounds of not upholding the prevention of crime and disorder and public safety licensing objectives.
7. Mr Jon Weaver, Head of Destination & Events at BCP Council, has made a representation due to concerns over the operation of the event and the risk of it undermining the licensing objectives.
8. Copies of the representations received are attached at Appendix 2.
