## Section 18 of 21

### LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Parma Pizza has existed for some time both in the current premises and beforehand situated in another premises nearby in Wimborne Road. The acquisition of this bigger premises allowed for the opening of a seated area within the premises rather than just takeaway. The premises has now become so popular that the seating area is now insufficient. The extra seating area on the first floor will allow for another 24 covers. The premises opens to serve coffee and cake from 07:00 to 11:00 and then operates as a pizzeria. The sale of alcohol will only be made as an accompaniment to a substantial meal from the main course section of the menu. The premises will have approximately 50 covers for customers wishing to visit the premises for a 'sit in' meal.

b) The prevention of crime and disorder

All front of house staff will be trained to a competent level including licensing law, drug awareness and will be trained to Level 2 Award in Conflict Management.

A refusals book shall be maintained and shall be checked and signed by one of the management staff on a weekly basis. The refusals book shall be kept on the premises and made available for inspection by Licensing, Police and other authorised officers."

The premises will adopt an 'under 25' policy with regards to the requirement for Proof of age and production of acceptable ID.

All seated areas including the outside area will be regularly monitored both by staff and CCTV and tables will be cleared at regular intervals.

The premises will actively participate in any local Town Watch initiative.

A CCTV system, shall be installed to cover all entry and exit points enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record and cover areas where alcohol is kept for selection and purchase by the public, whilst the premises is open for licensable activities. It shall operate during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with correct date and time stamping. Recordings shall be made available immediately upon the request of Police or an authorised officer of the council throughout the preceding 31 day period. The CCTV system shall be updated and maintained according to police recommendations.

A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open to the public. This staff member must be able to show a Police or authorised council officer recent data or footage with the absolute minimum of delay when requested.

*Continued from previous page...*

CCTV shall be downloaded on request of the Police or authorised officer of the council. Appropriate signage advising customers of CCTV being in operation, shall be prominently displayed in the premises.

A documented check of the CCTV shall be completed weekly to ensure all cameras remain operational and the 31 days storage for recordings is being maintained.

Refresher training shall be provided at least once every 6 months.

A record shall be maintained of all staff training and that record shall be signed by the person receiving the training and the trainer. The records shall be kept for a minimum of 12 months and made available for inspection by police, licensing or other authorised officers.

**c) Public safety**

The applicant is aware of the need to ensure that members of the public or staff are not put at risk. A Fire Risk Assessment will be complied with.

Other General Health and Safety Risk Assessments, including First Aid will be adhered to in order to protect customers and staff.

**d) The prevention of public nuisance**

No waste will be removed from the premises during the hours of 2200hrs - 0800hrs.

No deliveries other than that of newspapers will take place between the hours of 2200hrs -0800hrs.

On designing the layout of the first floor the applicant has taken into consideration any possible noise escape by limiting public areas to the middle of the floor.

Staff will encourage customers to leave quietly and have regard for residents.

The outside of the premises will be regularly monitored by staff and CCTV to ensure that the licensing objectives are being upheld and no customers are loitering outside premises.

Signs will be displayed at the exit requesting customers to leave the area quietly, having regard for local residents.

**e) The protection of children from harm**

Staff shall be trained in accordance with any guidance given by TSSW in relation to all age restricted goods.

A "No Proof of Age – No Sale" policy will be adopted and records kept of that training at the premises. Such records will be kept and made available to Licensing, Police or other authorised officers.

'Challenge 25' signage will be displayed prominently on the premises.

Written records of training and subsequent refresher training will be kept for all staff involved in the sale of alcoholic beverages.

The only acceptable proof of age documents acceptable will be UK photo driving licence, valid passport and ID cards bearing the PASS LOGO. During home deliveries including alcohol no supply of alcohol will be made unless the acceptable proof of age is shown at time of delivery, examined and accepted.

**NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

*Continued from previous page...*

**Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

**Documents which demonstrate entitlement to work in the UK**

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

**Continued from previous page...**

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.

- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

**Continued from previous page...**

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
