LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The applicant is an experienced and responsible operator of similar venues and has considered the licensing objectives as applied to these proposals, having borne in mind the provisions of the Licensing Act 2003, section 182 Government Guidance and the Licensing Authority's Statement of Policy. It is proposed that in order to promote the licensing objectives, the applicant, having considered the above, offers the following conditions:

Non-intoxicating beverages, including drinking water, shall be available to patrons throughout the permitted hours for the sale of alcohol

Food shall be available at all times the premises are open to the public save for the last hour of trading each evening (to allow persons to consume the food already ordered).

All staff involved in the sale of alcohol shall receive training on the law relating to prohibited sales, the age verification policy adopted by the premises and the conditions attaching to the premises licence. Refresher training shall be provided at least once every 6 months. A record shall be maintained of all staff training and that record shall be signed by the person receiving the training and the trainer. The records shall be kept for a minimum of 12 months and made available for inspection by police, licensing officers or authorised officers from other responsible authorities.

b) The prevention of crime and disorder

Incident Log:

An incident log shall be kept at the premises. The log shall include the date and time of any incident, and the name of the member of staff who witnessed any incident and shall record the following:

- (a) any incidents of crime and disorder
- (b) any faults causing the CCTV system to be inoperable
- (c) any refusal of the sale of alcohol
- (d) any visit by a responsible authority or emergency service
- (e) any patrons ejected from the premises
- (f) any seizures of drugs or offensive weapons

Such records of incidents shall be retained for a minimum of 1 year and be made available on request to a licensing officer of the licensing authority or the Police.

CCTV:

A CCTV system, shall be installed to cover the licensed area enabling frontal identification of every person entering in any light condition. The CCTV system shall continually record and cover areas where alcohol is provided for customers whilst the premises are open for licensable activities (unforeseen faults excepted). It shall operate during all times when customers remain on the premises. All recordings shall be stored for a minimum period of 31 days with correct date and time stamping. Recordings shall be made available upon the reasonable request of the Police or an authorised officer of the licensing authority throughout the preceding 31 day period provided that such requests are in connection with the prevention or detection of crime and subject to current Data Protection legislation. The CCTV system shall be updated and maintained

Continued from previous page...

according to police recommendations received in writing.

A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open to the public. Subject to the tests provided for in the Data Protection Act being met, such staff member will be available to show a Police officer on duty or authorised officer of the licensing authority recent data or footage with minimum of delay when requested.

Subject to the tests provided for in the Data Protection Act being met, CCTV shall be downloaded on request of the Police or authorised officer of the licensing authority. Appropriate signage advising customers of CCTV being in operation, shall be prominently displayed at the premises.

A documented check of the CCTV shall be completed weekly to ensure all cameras remain operational and the 31 days storage for recordings is being maintained.

c) Public safety

Only plastic, polycarbonate, paper/cardboard containers to be used to dispense drinks.

Staff will ensure cleanliness of the area around the premises and remove any litter from the premises at the end of each day.

d) The prevention of public nuisance

No additional conditions are proposed in respect of public nuisance over and above those relevant under other statutory provisions.

e) The protection of children from harm

A Challenge 25 policy will be operated at the premises under which customers who appear to be under 25 years of age shall be required to prove their age when purchasing alcohol. Suitable forms of identification are recognised photographic identification cards (such as a driving licence or passport or holographically marked PASS scheme identification cards). Appropriate signage advising customers of the policy shall prominently displayed in the premises.

Section 19 of 21

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
