---

Good afternoon

Further to the application for Late Night Store for sale of alcohol from 07:00 – 03:00 daily, I can advise that , on behalf of the Chief Officer of Dorset Police, I wish to object to this application under the Licensing Objectives of the Prevention of Crime and Disorder, and Public Safety

As discussed with the applicant, the location of this premises is in close proximity to 2 public houses and other 'off licenses' and convenience stores; this is an area that already experiences a disproportionate number of street drinkers, anti social behaviour and crime and disorder which negatively impacts the local community, as well as contributing to an increase in demand on police resources.

Whilst conditions have been discussed, including the provision of SIA, a 'night hatch' , as well as a maximum ABV of cans of beer/cider or lager, it is noted that these conditions have been offered in order for the applicant to be able to open 'as late as possible... to compete with existing premises'.

Dorset Police is however of the opinion that the conditions as discussed are insufficient to mitigate the risks associated with such additional late night provision, and does not have the confidence that the Licensing Objectives would be promoted.

**Louise Busfield**

Licensing Officer
