## Background

1. All Overview and Scrutiny (O&S) bodies are required by the Constitution to consider work priorities and set these out in a Work Plan. When approved, this should be published with each agenda.
2. The Constitution requires that the Work Plan of O&S bodies shall consist of work aligned to the principles of the function. The BCP Council O&S function is based upon six principles:
  1. Contributes to sound decision making in a timely way by holding decision makers to account as a 'critical friend'.
  2. A member led and owned function – seeks to continuously improve through self-reflection and development. Enables the voice and concerns of the public to be heard and reflected in the Council's decision-making process.
  3. Engages in decision making and policy development at an appropriate time to be able to have influence.
  4. Contributes to and reflects the vision and priorities of the council.
  5. Agile – able to respond to changing and emerging priorities at the right time with flexible working methods.
3. The O&S Committee may take suggestions from a variety of sources to form its Work Plan. This may include suggestions from members of the public, Officers of the Council, Portfolio Holders, the Cabinet and Council, members of the Committee, and other Councillors who are not on the Committee.
4. The Constitution requires that all suggestions for O&S work will be accompanied by detail outlining the background to the issue suggested, the proposed method of undertaking the work and likely timescale associated, and the anticipated outcome and value to be added by the work proposed. No item of work shall join the Work Plan of the O&S Committee without an assessment of this information.

## Summary of financial implications

5. When establishing a Work Plan, the Constitution requires the Overview and Scrutiny Committee to take into account the resources, including Councillor

availability, Officer and financial resources, available to support their proposals. The Committee may wish to consider the Cabinet Forward Plan to aid in planning its work: [BCP Council – Democracy](#)

6. To ensure sufficient resource availability across all O&S bodies, Officer advice is that, in addition to agenda items, one additional item of scrutiny inquiry work may be commissioned by an Overview and Scrutiny body at any one time. This may take the form of a working group or task and finish group, for example. Bodies commissioned by the Overview and Scrutiny Committee may have conferred upon them the power to act on behalf of the parent body in considering issues within the remit of the parent body and making recommendations directly to Portfolio Holders, Cabinet, Council or other bodies or people within the Council or externally as appropriate.
