

Levelling Up BCP Council

Strategic Direction

Overall objective: Use the frameworks of the Levelling Up White Paper and Levelling Up Goals to support the delivery and ambitions of our Corporate Strategy and Big Plan.

BCP Levelling Up Priorities:

- Increase support and development opportunities for children and young people
- Address cost of living issues including affordable housing
- Address skill shortages and low skill attainment
- Reduce health inequalities and disparities between wards
- Improve transport links including cycling infrastructure

Focusing on these priorities will also help improve the area's productivity rate which is below the national average
