[Proposed conditions v4.docx](#)
Importance: High

Good Afternoon,

On behalf of the Chief Officer of Dorset Police I object to the attached Application for a Premises Licence for Sunset Beach at Aruba on the grounds that to grant the licence will likely undermine the Licensing Objectives of Preventing Crime and Disorder and Public Safety. I also have concerns regarding the other licensing objectives, however, will focus primarily on those mentioned.

I will complete a detailed report in advance of the Licensing Sub-Committee hearing, however, in order to validate the objection to the standards required by the Licensing Act 2003, I will state below some of the key concerns for your consideration.

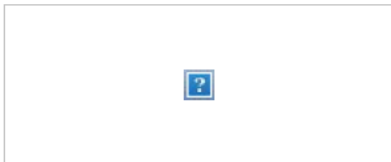

- Off-Sales is being applied for in an area which is well-known to suffer high levels of crime and disorder during peak periods of the year, namely those periods when the business will be operating.
- There is inadequate SIA provision for the type of premises being proposed
- There is insufficient detail as to how the site will be operated and controlled
- The business may be operated both as a Festival-style venue, and at all other times, a venue which is considered 'wet-led' with no food requirements.
- The conditions proposed are not commensurate to a premises of this style, operating in this challenging location.

I will elaborate further on these concerns in my report, which will be made available to the Sub-Committee and the applicant in advance of the hearing. Due to the Festive period looming, it is unlikely that a report or further details, beyond those listed above, will be available until January 2023.

I look forward to receiving details of the hearing in due course.

Regards,

Gareth
