

## BCP Council Policy and Strategy Documents

The Council's Constitution sets out that the Key Policy Framework includes the Corporate Plan and any policy or strategy required by law or by the council.

The council has identified the policy and strategy documents required to ensure the vision and priorities of the council are clear and that they are achieved through robust practice which aligns with the council's culture and behaviours.

The ongoing process of policy harmonisation and creation has ensured 149 policy documents are in place across the Council and a further 18 will be in place within the next 12 months which are set out in below:

Approval date	Policy document
February 2023	<ul style="list-style-type: none"> <li>Housing Revenue Account Budget setting and Delivery Plans</li> <li>Rent Setting Policy</li> <li>Service Charge Policy</li> <li>Street Naming and Numbering Policy</li> <li>Corporate Property &amp; Asset Management Strategy &amp; Plan - outputs of phase 1</li> </ul>
