

CABINET – 8 March 2023

Notice of Recommendation from the Place Overview and Scrutiny Committee Meetings held on 1 March, 2023 for provision to Cabinet meeting of 8 March 2023.

Action required – for consideration by Cabinet and publication of a response within 2 months of 8 March 2023.

Cabinet Agenda Item 9 – Poole Crematorium: Detailed Options for the replacement of cremators

The Place Overview and Scrutiny Committee recommended to Cabinet that it approves option 3, as outlined in the report to Invest in two electric cremators.

The reason provided by the committee in making this decision was that it was important to have cremators operating in the facility again as soon as possible.
