Subject: RE: Poole Stadium - Full Variation Application

Hi Sarah

I have sent an email to the applicant regarding this licence variation application as there is a planning condition that restricts what events can be held at the premises.

Condition 10 of planning approval 5/95/3575/40/F reads as follows:

10. The premises shall be used only for a stadium for the purpose of: Greyhound Racing; Speedway Racing; Social or Fund Raising Functions; Motorcycle Rider Training; Market/Car Boot Sales or any other use previously permitted in writing by the Local Planning Authority.

Reason: In order that the Local Planning Authority may be satisfied with the nature of uses on this site given its location and constraints, particularly access and car parking.

I have informed the applicant that they will need to submit a planning application to vary this condition if they want to hold music and cinema events.

Kind regards
