#### **OBJECTIVES AND ACTIVITIES**

The objects of the Charity are the purposes of an art gallery and museum.

Our vision is that the Russell-Cotes Art Gallery & Museum will be the internationally acclaimed cultural flagship for Bournemouth and beyond. Our Mission is to inspire and enrich the lives of Bournemouth's residents and visitors by creating a cultural flagship around a unique historic house and international art collections.

Russell-Cotes Art Gallery and Museum is an outstanding celebration of late Victorian art collectors; their passions and achievements; how they lived and encountered the world; and how they presented their collections to enrich the lives of others. We are entrusted to present the Russell-Cotes' personal legacy in the most authentic way possible, and to enable learning, enjoyment and access to the house and collections for residents and visitors to Bournemouth.

Background - The Russell-Cotes is a rare survivor as the residence of a Victorian/ Edwardian collector, planned and perpetuated as a permanent art museum. It now comprises art galleries, historic house, exhibitions, a licensed café, a shop and activity/ learning area.

The Collections - The collection is a prime example of Victorian attitudes which resulted in an eclectic collection spanning fine art, ethnography, decorative and applied arts, sculpture, souvenirs and a theatre collection. Since Merton Russell-Cotes was an assiduous collector of British paintings in the latter part of the 19th century, the art collection provides a unique insight into middle class taste of the period. The collections were expanded and enhanced by the souvenirs acquired during the Russell-Cotes' travels around the world. Further donations, purchases and bequests have significantly added to the collection after 1921. The 'collections strategy' contains the policies for the acquisition, preservation, management and disposal of heritage assets and the details of the assets are maintained in the Modes database. The public has access to the collections that are on display. Personal access to the collections is not permitted as a general rule, although each request is reviewed on its merits taking into account the risks to the collections before granting or refusing access.

#### ACHIEVEMENTS AND PERFORMANCE

Review of the Year

Covid Recovery - The Russell-Cotes has made a good recovery from the impact of Covid during this Financial Year. Whilst Covid was still circulating in the population and impacting on staff health, visitor confidence and delaying the return and take-up of a few activities, there were no limitations placed on the opening of the museum during this time period. The Museum saw its visitor numbers recover completely and were the highest since 2017/18.

Usage: Headline Performance - During the year, the gallery provided a range of public benefits through its public exhibitions, displays, activities, events, and learning resources and sessions, with a continued focus on online activities, achieving the following usage numbers: 165,946 usages (49,762 visits in person (35,497 visits in person 2021-22), 1,374 enquiries, 91,398 unique website users, 10,000 followers on Facebook, 2,835 followers on Twitter, 4,386 followers on Instagram, 329 followers on other social media (YouTube, Linkedin and TikTok) 5,642 e-newsletter subscribers, 60 off-site participants and 160 online participants, compared to 149,512 in 2021-22.

The Museum's educational and events programme continued - 39 formal education sessions were held on site delivering to 1,118 pupils and, home- educated children, university students and language school students. This compares to 18 sessions for home educated children, delivering to 365 children in 2021-22. The number of annual tickets sold increased to 580 (from 451) generating 1,342 return visits. The Friends membership increased to 218 (from 166 members), generating 856 return visits.

Centenary - 2022 marked the Centenary of the Russell-Cotes opening fully to the public as a museum. A small steering group of Management Committee members, stakeholders, staff, Friends and volunteers was convened to advise on activities. A varied but small-scale programme of events, exhibitions and activities was organised for the Centenary year to commemorate, celebrate and engage audiences in line with our general strategy and in the light of modest funding and on-going Covid uncertainties.

The programme of Centenary activities began when the Museum reopened on 25 January 2022 and a Centenary logo was used to brand relevant activities.

A year-long Facebook project to post on 100 objects was delivered by the Curator and volunteers.

'Sixpence days' were held four times during the year.

A series of evening themed 'Lates' was scheduled on a monthly basis throughout the year.

Additionally special children's activities were organised in the garden during the holiday period including a children's party with free entertainment such as a Punch and Judy Show, in recognition of the Russell-Cotes' philanthropic focus on children in Bournemouth. Local charities were informed and their supporters invited to attend. Free family tickets were also offered via local schools.

**Exhibitions and Events** 

'The Lost Words: Robert Macfarlane and Jackie Morris' (26 March – 18 September 2022)

The exhibition, 'The Lost Words', opened on 26 March 2022 and featured over 50 original watercolour illustrations by artist Jackie Morris and 20 acrostic poems by writer Robert Macfarlane from the bestselling book of the same name published by Hamish Hamilton. The book was created in response to the removal of the names of animals and plants from a children's dictionary and has become a cultural phenomenon. In response to this widening gulf between childhood and the natural world, 'The Lost Words' seeks to conjure that vanishing wildness back into existence through images and writing. Robert Macfarlane created a series of spell-poems – one for each lost word – while Jackie Morris, inspired by her lifelong passion for Britain's landscapes and wildlife, painted beautiful watercolours and used gold leaf to take the viewer on a journey that makes the familiar magical once more. Over a quarter of a million copies of the book have been sold which has been adapted into a film, folk songs, dance and even puppet theatre. The exhibition was developed by and loaned from Compton Verney. Over 18,000 visitors came to see the exhibition and the comment 'tree' overflowed with positive comments including:

- "Thank you for opening our eyes to 'The Lost Words'. Magical, beautiful and exquisite"
- "Simply Beautiful"
- "Words fail me, wonderful, just wonderful"
- "Beautiful and thoughtful exhibition"
- "Wonderful and uplifting"

The Museum ran a number of successful related events based around the themes and artwork featured in the exhibition, including family fun days, late night events and adult art workshops. The co-creator of the book, artist Jackie Morris, also came to the museum for an artist-in-residence day and evening talk, much to the delight of museum visitors. With support from a museum shop consultant, the Russell-Cotes also trialled a pop up shop in the Cafe Gallery dedicated to 'The Lost Words' exhibition in order to fully display the wide range of 'The Lost Words' merchandise.

'Telling Tales: The Story of Victorian Narrative Art' (8 October 2022 – 5 March 2023)
This exhibition was a collaboration with Southampton City Art Gallery, following success with 'Beast or Best Friend: Animals in Art' in 2015 and 'Beyond the Brotherhood: The Pre-Raphaelite Legacy' in 2019/20. It marked the centenary by highlighting some of the finest paintings in the collection and partnering them with the best of Southampton's. The exhibition transferred to Southampton in Spring 2023. The exhibition was guest curated by Kirsty Stonell-Walker.

Narrative Art was the reality television of the Victorian era. Whilst the artistic elite rejected it, the general public loved to see soap opera drama on the gallery walls. Its accessible and sensational quality allowed viewers to transport themselves to the scene and identify with the characters depicted. Narrative Art was often a visual companion to novels, and many famous narrative pieces drew their inspiration from literature. 'Telling Tales' explored Victorian attitudes, from the cradle to the grave, through paintings chosen to show love and loss, the perils of being a woman, the foreshadowing of adult life though childhood, and how war and Empire were legitimised.

This exhibition was made possible as a result of the Government Indemnity Scheme. The Russell-Cotes Art Gallery and Museum is very grateful to HM Government for providing Government Indemnity and the Department for Digital, Culture, Media and Sport and Arts Council England for arranging the indemnity.

'Collecting the World: Quay Crafts at the Russell-Cotes' 28 June – 16 October 2022 Celebrating the centenary of the Russell-Cotes Museum, nine artists from QuayCrafts, a group of artist/makers based on the Isle of Wight, created artistic responses, inspired by the home and collections of Merton and Annie Russell-Cotes using a wide range of media. Works including textiles, ceramics, paper, print, mosaic and photography were displayed throughout the historic house. Art works were for sale.

Secretary's Room Exhibitions - 'The Road to the Museum' (25 Jan 2022 – 1 November 2022) Paul Whitaker (author of the autobiography of Merton Russell-Cotes: 'The Art of a Salesman' created this exhibition, with illustrations by Ella Shepard. It traced the key events that led to Merton and Annie's creation of the Russell-Cotes Art Gallery & Museum in 1922.

#### Café Gallery

The Café Gallery was used for the purpose of selling affordable prints from the Collection and work by local craftspeople. A pop-up shop related to 'The Lost Words' operated from March – October 2022. 'New Histories and Old Stories: portraits by Jack Dickson' 7 October 2022 – 12 March 2023. This selling exhibition of stunning mixed media portraits of sitters of mixed heritage with a link to Dorset was by the Dorset-based artist and teacher Jack Dickson, who has mixed British and Zambian heritage. Jack has exhibited in Brighton, London and Dorset and appeared on Sky Arts Portrait Artist of the Year in 2020. The exhibition coincided with his appearance on the BBC's 'Make It At Market' which aired in 2023.

#### Audiences:

The museum worked to further diversify its audiences, engaging different communities in and around Bournemouth. It established links with community groups, specifically IAAC and DEED, using its collections, spaces and stories to connect Bournemouth's diverse communities to Russell-Cotes. This resulted in the exhibition 'From outside in: African sculpture' in the Secretary's Room, a popup exhibition on Black Dorset in association with DEED and a Café Gallery exhibition by Jack Dickson.

Focus groups on Visitor Experience, Programming, Access and Diversity were established with quarterly meetings scheduled to seek the views and ideas of diverse visitors and communities, in order to help inform the work of the Russell-Cotes, ensuring that it is relevant, engaging and respectful to all, and to drive improvements across its activities.

'Sixpence Days', which essentially allowed free entry, were held four times in the year and attracted 1500 visitors in total, averaging 375 per day. This enabled those for whom the admission charge is a barrier to visit for free.

#### Collections and Interpretation

Conservation of key items included Napoleon's table, part of a suite of furniture designed by George Bullock (1717 – 1818) and procured by the British government for Napoleon's use at Longwood, St Helena. This is again on display in the Dining Room. The original lantern for the Moorish alcove was repaired, cleaned and adapted for modern LED lighting. It has been rehung bringing the alcove back to its glittering intended appearance.

Two publications have been produced, as a result of specialist research on the Collection. A short publication of some highlights of the European ceramics, 'Decorating the House Beautiful: Chinamania at Russell-Cotes' was written by Dr Anne Anderson, a noted expert, and is the first time that this part of the collection has been subject to rigorous study and evaluation. 'Passport to Japan: Sir Merton and Lady Annie Russell-Cotes and their Victorian Vision of the East' was written by Greg Irvine, former curator of the Japanese Department at the V&A.

A review of the museum's interpretation, particularly focussing on how to address issues of empire appropriately has been undertaken, but implementation paused due to staff changes.

Loans of paintings and objects in the Collection were made to Rijksmuseum (Amsterdam), Dulwich Picture Gallery, Fondazione La Triennale di Milano, Sainsbury Centre for Visual Arts (UEA, Norwich), Laing Art Gallery (Newcastle), Falmouth Art Gallery, William Morris Gallery (Walthamstow), Tullie House Museum and Art Gallery (Carlisle), Pallant House Gallery (Chichester), Henry Moore Institute (Leeds), Hamburg Kunsthalle, Kunsthalle Munchen (Munich), Museo d'Arte Moderna e Contemporanea di Casa Cavazzini (Udine).

#### Income generation

Cafe - The outdoor terrace and catering cart were fully operational subject to weather and demand and have enhanced the Café's offer and contributed to an increased turnover.

Wedding and Venue Hire - The museum has chosen not to renew its wedding licence. One filming session has taken place and one room hire.

Retail - The use of an external shop consultant to develop a pop-up shop in the Café Gallery to coincide with 'The Lost Words' exhibition, resulted in increased exhibition related turnover and has been repeated since warranted. Otherwise, shop sales have not been as strong as previously, partly because of different audiences (fewer overseas visitors) and the challenge of restocking post Covid.

#### FINANCIAL REVIEW

Historically the Council, in its role as local authority and corporate trustee, has provided donated services each year sufficient for the trust to achieve breakeven. This is currently the policy that is expected to continue and so the accounts have been prepared on a going concern basis.

The unrestricted income fund is £14,713 and is stock and petty cash held. The restricted income fund is £58,477 and is the Endowment income fund, conservatory repair fund & purchase reserve held in trust to be retained for the benefit of the charity. The endowment reserve is £71,419,264 and is the value of the Heritage assets.

The Trust's assets are the freehold land and buildings consisting of the East Cliff Hall, Bournemouth and the collection itself. The Trustee has valued the freehold buildings at insurance value, reduced by the likely costs of remedial work disclosed in the 2020 conditions survey report, uplifted to 2023 values. The value thereof is reflected in a revaluation reserve on the balance sheet.

In February 2021, the Russell-Cotes was successful in its application to the Museums Estates and Development Fund (MEND) which was established by Arts Council England (ACE) specifically to address the backlog of urgent repairs needed in the Museum sector and support environmental and financial sustainability.

This major investment to carry out urgent capital work, including restoring the conservatory, replacing the end of life air handling units, improving drainage and improving CCTV security, will cost £974,000.

A grant of £518,000 has been awarded by MEND, £33,834 has been fundraised for the conservatory and match funding of £426,000 has been agreed by BCP Council (of which £213,000 has been allocated from the Community Infrastructure Levy (CIL) Fund).

Detailed design work has been undertaken and work started on the plant rooms in March 2023. A phased approach is being taken so that the museum will remain open to visitors throughout. On site works should be complete by Summer 2024 followed by a period of monitoring and review.

A grant of £18,710 from the Art Fund and Weston Loan programme was received to support an exhibition of the work of renowned Bournemouth-born, equine artist Lucy Kemp Welch (1869 -1958) (April – September 2023) in conjunction with the National Horseracing Museum in Newmarket.

The Russell-Cotes was awarded £98,500 by the National Lottery Heritage Fund to support the transition costs for progressing the change for the charity to full independence from BCP Council.

Approximately 18.11 FTE members of staff were employed during this period, (17.11 FTE in 2021-22), excluding a % of senior management time.

Volunteers continued to make a valuable 'in kind' contribution to the service both remotely and on-site, working on a range of projects including:

- Interpretation support for the new Smartify app and Russell-Cotes 100 objects (research, and writing)
- Collections related (cataloguing RC library, collections research and documentation, environmental monitoring, deep cleaning)
- Public-facing (stewarding, tour guiding, learning assistance, talks, café etc)
- IT, marketing & administrative (visitor feedback, data entry etc)
- Performing live music in the house
- Maintaining the garden

During the year the museum had 124 volunteers who contributed about 3,330 hours of their time.

#### PRINCIPAL RISKS AND UNCERTAINTIES

The Trustee relies on the Council's corporate risk register to monitor and manage risk. Where necessary specific matters relating to the Russell Cotes will be included. The Trustee has considered the risks that the charity is exposed to but does not deem there to be any significant risk arising from its activities.

#### STRUCTURE, GOVERNANCE AND MANAGEMENT

The Trustee is pleased to present these formal statements of account. It recognises the importance the art gallery and museum has as a key cultural community resource and flagship visitor attraction for the Bournemouth conurbation and region. The Trustee has taken the Charity Commission's guidance on public benefit into consideration. It also formalises the accounting treatment of the Trust as a separate entity with its own transactions distinct from those of BCP Council (The Council).

The Trust was created under Indentures of 1908, 1918 and 1920 between BCP Council's predecessor body the County Borough of Bournemouth Corporation and Sir Merton and Lady Russell-Cotes. In 1962 a charity was formed to take over responsibility for the house and contents. Further information is provided in the notes to the accounts – tangible fixed assets.

Under the Indentures, the house and its collection were gifted to the Council for the purpose of forming an art gallery and museum for the use, benefit and enjoyment of the inhabitants of and visitors to Bournemouth.

The original Indentures were varied by s.57 Bournemouth Borough Council Act 1985. This requires that the Council manage, regulate, control and deal with the Trust, premises and property by means of a management committee appointed by them in accordance with the Local Government Act 1972.

Pursuant to the Council's Constitution, local choice functions are intended to be executive functions (ordinarily exercised by the Leader and/or Cabinet and Cabinet members per the Leader's scheme of delegation) as is permitted in accordance with the Local Authorities (Functions and Responsibilities) (England) Regulations 2000. The Council's executive therefore exercises the functions as Trustee for the operations and management of the Russell-Cotes Art Gallery and Museum. As in practice, Cabinet does not sit as the Management Committee, a new Management Committee was created in 2016, as a sub-committee of Cabinet and exercises the functions delegated to it.

The Management Committee meets twice a year and is serviced by the Council's Democratic Services team. As a sub-committee the minutes of meetings are noted and agreed by Cabinet. The Management Committee is made up of:

- a) the Portfolio Holder,
- b) two further Council member,
- c) 4 external (Non-Council Members) and
- d) Sir George Meyrick (or the person for the time being in enjoyment of the title), in compliance with the Bournemouth Borough Council Act. A substitute can be agreed with the elected chair prior to any meeting.

Non-Council members cannot lawfully exercise formal voting rights. However the rules have been written very carefully to ensure the non-members views are taken into account through a recorded shadow vote before any formal vote is taken.

Following continued discussion and consultation on the governance arrangements within the Council and with external stakeholders and communities, an application was made to the Charity Commission for permission to apply for a change of governance. In August 2022, the Charity Commission concluded that a change of governance was in the best interests of the charity and invited BCP Council to formally request a parliamentary scheme to replace the Local Authority Trustee with a new corporate Trustee under Section 73 of the Charities Act 2011.

BCP Council, as Sole Trustee, formally approved the request to the Charity Commission for a new Corporate Trustee in the minutes of its meeting on 10 January 2023.

Funding has been received from National Lottery Heritage Fund (NLHF) to support the costs of making this application to the Charity Commission, supporting the process of legal change through Parliament, establishing a new Corporate Trustee, recruiting a new Board of Directors, transferring the assets and establishing all the services, policies and procedures needed for a new independent charity and negotiating a settlement to ensure the financial sustainability of an independent charity.

Recruitment and appointment of external members

The management Committee recruitment process is carried out by officers and existing members on behalf of the Management Committee. The vacancy is advertised in the local media and interested parties are then provided with:

- a. Briefing Note
- b. Forward Plan
- c. Collections Strategy
- d. Latest Annual Report

The applicants' CV's are reviewed and potential applicants are then interviewed and appointed using the Charity Commission Operational Guidance, Trustee Act 2000, OG 86 B4 'Power to employ nominees and custodians'. On the appointment the committee members are provided with a copy of the governing documents, the Rules of the Management Committee together with the rules for conflicts of interest. A familiarisation session will be provided which ensures that the new management committee members have a good understanding of the Russell-Cotes Art Gallery and Museum as a whole and how it operates within the context of BCP Council.

Statement of trustees' responsibilities in relation to the financial statements

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities requires the charity trustees to prepare financial statements which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- \* observe the methods and principles in the Charities SORP;
- \* make judgements and estimates that are reasonable and prudent;

- state whether applicable UK accounting standards have been followed,
- \* subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. The Trustees are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure of information to auditor

So far as the trustees are aware, there is no relevant audit information of which the company's auditors are unaware and each trustee has taken all the steps that he or she ought to have taken as a trustee in order to make himself or herself aware of any relevant information and to establish that the company's auditors are aware of that information.

Signed on behalf of the charity's trustees

BCP Council Trustee 29 January 2024 Russell-Cotes Art Gallery and Museum Audit Report Unqualified

Independent Auditor's Report to the Trustees of Russell-Cotes Art Gallery and Museum

#### Opinion

We have audited the accounts of Russell-Cotes Art Gallery and Museum (the 'charity') for the year ended 31 March 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the Notes to the Accounts, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the accounts:

- give a true and fair view of the state of the charity's affairs as at 31 March 2023, and of its profit/loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice: and
- have been prepared in accordance with the requirements of the Charities Act 2011.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the accounts section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the accounts, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the accounts is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group and parent charity's ability to continue as a going concern for a period of at least 12 months from when the accounts are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

#### Other information

The other information comprises the information included in the annual report, other than the accounts and our auditor's report thereon. The trustees are responsible for the other information.

Our opinion on the accounts does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Russell-Cotes Art Gallery and Museum Audit Report Unqualified

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the accounts is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the accounts are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

#### Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement found in the trustees' report, the trustees are responsible for the preparation of accounts which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the accounts

We have been appointed under the Charities Act 2011, s. 145 and report in accordance with the regulations made under the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

#### 1 Accounting policies

#### Basis of preparation

The financial statements have been prepared in accordance with Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic if Ireland (FRS 102) issued on 1 January 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The Russell-Cotes Art Gallery and Museum's corporate trustee includes the charity in its consolidated financial statements. The consolidated financial statements are prepared under the International Financial Reporting Standards and are available to the public at

https://www.bcpcouncil.gov.uk/About-the-council/Budgets-and-finance/Annual-accounts.aspx. Having given regard to Public Benefit Entity guidance the corporate trustee considers the Russell-Cotes Art Gallery and Museum to be a Public Benefit Entity.

#### Going Concern

Historically the Council, in its role as local authority and corporate trustee, has provided donated services each year sufficient for the trust to achieve breakeven. This is currently the policy and the trustee has received confirmation that this support will continue for the foreseeable future and is considered adequate and so the accounts have been prepared on a going concern basis. The trustee considers that there are no material uncertainties about the Trust's ability to continue as a going concern. The pandemic has not affected this policy.

Change in basis of accounting or to previous accounts

terms of an appeal.

There has been no change to the accounting policies (valuation rules and method of accounting) since last year and no changes have been made to accounts for previous years.

Income

Recognition of income

Income is included in the Statement of Financial Activities (SoFA) when the charity becomes entitled to, and virtually certain to receive, the income and the amount of the income can be measured with sufficient reliability.

Voluntary income in the form of Donated Services received is recognised in the year that the matching unfunded element of expenditure is incurred. The policy of BCP Council has been and will be to subsidise the charity each year to the extent of its income shortfall. While this arrangement is likely to continue for the foreseeable future there is no contractual necessity for the Council to provide the subsidy through Donated Services other than the basic maintenance of the East Cliff Hall premises and grounds and the collection. There is also the need to employ a curator. Staffing currently includes a post of this nature together with the staff expected of a modern-day museum and art gallery. Income from commercial trading activities is recognised at point of sale - this includes income from the café. Grant income is recognised when the charity can demonstrate entitlement, receipt is probable, and the amount can be measured reliably.

expenditure

Income with related Where income has related expenditure the income and related expenditure is reported gross in the SoFA.

Donations and legacies

Voluntary income received by way of grants, donations and gifts is included in the the SoFA when receivable and only when the Charity has unconditional entitlement to the income.

Tax reclaims on donations and gifts Income from tax reclaims is included in the SoFA at the same time as the

gift/donation to which it relates.

Donated services and facilities

These are only included in income (with an equivalent amount in expenditure) where the benefit to the Charity is reasonably quantifiable, measurable and material.

Volunteer help Investment income The value of any volunteer help received is not included in the accounts.

This is included in the accounts when receivable.

Gains/(losses) on revaluation of fixed This includes any gain or loss resulting from revaluing investments to market value

at the end of the year.

assets

Gains/(losses) on

investment assets

This includes any gain or loss on the sale of investments.

Expenditure

Recognition of expenditure

Expenditure is recognised on an accruals basis. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Expenditure on raising funds

These comprise the costs associated with attracting voluntary income, fundraising trading costs and investment management costs.

The main cost is for staff and there is no distinction or recording of time between charitable activities and the cost of generating funds. For example, there are no specific, salaried staff members employed to make retail sales. Instead, other staff members cover this function as an incidental part of their employment. An estimate of the value of this service is reflected in the statement of financial activities on an accrual basis. Maintenance includes the direct costs of maintaining the building and gardens. Running costs include rates, utilities and insurances. Salaries represent the cost of the Council supplied staff including those funded by any external grants. Operating costs are mostly incurred by the Council and charged by way of recharges to reflect the Russell-Cotes' apportionment of the cost of central Council services provided. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include those related to preparing statutory accounts, the statutory audit, legal fees and costs of Committee meetings.

Expenditure on charitable activities

These comprise the costs incurred by the Charity in the delivery of its activities and services in the furtherance of its objects, including the making of grants and

governance costs.

Grants payable

All grant expenditure is accounted for on an actual paid basis plus an accrual for grants that have been approved by the trustees at the end of the year but not yet

paid.

Governance costs

These include those costs associated with meeting the constitutional and statutory requirements of the Charity, including any audit/independent examination fees, costs linked to the strategic management of the Charity, together with a share of

other administration costs.

Other expenditure

These are support costs not allocated to a particular activity.

#### **Taxation**

The charity is exempt from tax on its charitable activities.

Fixed assets

Heritage assets

The Trust's heritage assets consist of the museum building - East Cliff Hall, the land and the paintings, furniture and other objects that form the collection of the Russell-Cotes museum. They are held to provide benefit and enjoyment to the inhabitants of and visitors to Bournemouth. Heritage assets are initially recognised at cost and are revalued periodically. Any revaluation gains or losses are held in the Endowment fund. These assets are valued using the Council's land and building valuation processes. Major refurbishment carried out by the Council is classified as a donated service and the asset revalued accordingly. Whilst being carried at other than a notional value, assets are depreciated on a straight line basis over their estimated useful lives.

Tangible assets 5 years
Heritage - Freehold buildings 50 years

The carrying values of heritage assets are reviewed where there is evidence of physical deterioration or breakage. Any impairment is recognised and measured in accordance with the Trust's general policies on impairment. Depreciation is only chargeable on heritage assets if they meet the Trust's general policies for depreciation. The collection is not depreciated but revalued on a periodic basis by appropriate experts including the museum curator. A record of the heritage assets held by the Trust is maintained in the Modes database.

Capitalisation follows the policy of a threshold of £1,000.

#### Freehold investment property

Investment properties are measured initially at cost and subsequently at fair value at each balance sheet date and are not depreciated. All gains or losses are taken to the Statement of Financial Activities as they arise.

#### Stocks

Stock is included at the lower of cost or net realisable value. Donated items of stock are recognised at fair value which is the amount the charity would have been willing to pay for the items on the open market. The gift shop & cafe stock is counted at year end and valued at the lower of cost or most recent purchase price and net realisable value as per FRS102 (Section 13) and the Charity SORP.

#### Trade and other debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

#### Cash and cash equivalents

Cash at bank is equal and opposite to the sum of the net of the debtors and creditors, the Conservatory Repair fund and the Paintings and Specimens reserve. The museum does not have its own bank account - all receipts are paid into and all payments paid from the BCP Council's main bank account.

#### Trade and other creditors

Short term creditors are measured at the transaction price. Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Receipt of donated goods, facilities and services

All donated goods, facilities and services received are recognised within incoming resources and expenditure at an estimate of the value to the charity.

The trust's assets are the freehold land and buildings consisting of the East Cliff Hall, Bournemouth and the collection itself. The buildings are now classified as Heritage Assets. Their value is reflected in the endowment funds on the balance sheet. Following the insurance strategy and to ensure the valuations remain up to date a rolling programme of revaluation by collection area has been implemented using relevant experts. Some of the collection is valued by insured value as is the Heritage Freehold Buildings. All valuations are used to update the total valuations for the collection. All valuers, excepting the Heritage Freehold Buildings, and the museum curator are independent of the Trust. The museum curator has provided a valuation in her capacity as a professional in this area.

The valuations (as at 31 March 2023) for the Heritage assets are:

- Building and Land £25,160,136 (2022: £25,082,956)
- Fine Art Collection £46,259,128 (2022: £43,595,363)

The trust has a close working relationship with BCP Council acting in its role of local authority. The Council acting in its role of trustee of the charitable trust has nominated Council Cabinet to act as the Management Committee under s.57 Bournemouth Borough Council Act 1985.

The charity trustee acting in the capacity as management was not paid or reimbursed expenses during the year and no charity trustee received any emolument or payment for professional or other service.

As disclosed in the analysis of resources expended, the Council provides staff to manage and maintain the museum and gallery. The Council has historically subsidised the annual deficits of the trust.

There are 4 exhibits on loan to BCP Council which can be found in the parlours of both the Mayor and the Mayoress.
