

## **Library Service – Service standards 2024**

2024/25 savings requirement £500k

### **Approach**

To reduce library opening hours, informed by consideration of footfall and other usage data, to mitigate impact on service users.

£440k of the required saving will come from a reduction in staff costs associated with the reduced hours, whilst the remaining 60k will come from operational budgets.

See proposed opening hours below (subject to outcome of budget consultation process)
