Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The relevant mandatory conditions shall apply to the licence.

Other than on New Year's Eve into New Year's Day, any alcohol supplied between 01:00 and 10:00 hours shall only be supplied to residents and their bona fide guests and must be paid for by the resident and not the guest.

b) The prevention of crime and disorder

A CCTV system shall be installed and thereafter maintained in good working order, covering all public parts of the premises on the ground floor.

The system shall operate at all times that the premises are open and all recordings will be stored for a minimum period of 31 days with correct date and time stamping.

Facilities will be made available to allow police and other authorised officers to view recordings on request and to be provided with copies in playable format as soon as reasonably practicable, provided in each case that requests are compliant with data protection regulations. A member of staff who is conversant with the system and authorised to access it should be available at all times that the premises are open to the public.

The system will be checked at least once a week and any fault recorded in the incident log and rectified as quickly as possible.

An incident log shall be kept at the premises. The log should include the date and time of the incident and the name of the member of staff involved. The log to be made available on request to an authorised officer of the Council or the Police, which will record the following:

- (a) all crimes reported to the premises
- (b) all ejections of patrons
- (c) any complaints received
- (d) any incidents of disorder
- (e) any visit by a relevant authority or emergency service.
- (f) any refusal of service of alcohol

c) Public safety

Note for information only – there are no issues relating to this licensing objective and no specific conditions are therefore proposed.

d) The prevention of public nuisance

Noise from within the premises shall not be audible at noise sensitive properties between the hours of 23.00 and 07.00 the following day. It shall not increase the ambient noise levels in the locality and there shall be no dominant frequencies.

Noise from plant and equipment used for heating, ventilation and other ancillary services shall not increase ambient noise levels at noise sensitive properties and there shall be no dominant frequencies.

e) The protection of children from harm

The premises shall operate a "Challenge 25" policy whereby any person attempting to buy alcohol who appears to be under the age of 25 shall be required to produce photographic proof of age in one or other of the forms specified by the mandatory conditions. Signage advertising the "Challenge 25" policy will be prominently displayed at bar serveries.

All staff involved in the sale of alcohol shall be trained with regard to restricted sales (i.e. to persons who are intoxicated or under age) and the terms and conditions of the licence. Refresher training shall take place at least annually. A written record of all staff training shall be maintained, signed by both the trainer and the trainee and the same shall be both retained for a period of 12 months and made available for inspection by authorised officers on request.
