

TROUVILLE HOTEL, 5-7 PRIORY ROAD, BOURNEMOUTH, BH2 5DH

APPLICATION FOR NEW PREMISES LICENCE

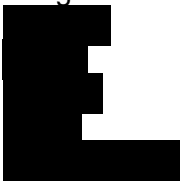

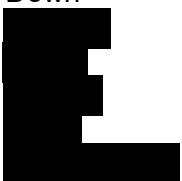

REPRESENTATIONS FROM OTHER PERSONS

	NAME	REPRESENTATION
1	Andrew Larkham	<p>I wish to object to part of the application to sell alcohol. My objection is allowing the sale of alcohol outside as late as 1am. I have an apartment opposite and feel the noise resulting from selling alcohol outside at that time of night will be unacceptable.</p> <p>Regards Andrew Larkham</p>
2	Alan Williams	<p>Hello, Comment on a licence application I am writing to OBJECT about the alcohol licence application at Trouville Hotel.</p> <p>This is based upon:</p> <ul style="list-style-type: none"> the prevention of crime and disorder - drunk people walking up and down this road will be committing acts of anti social behaviour. It's already bad enough with the pubs and clubs at the bottom of the hill the prevention of public nuisance - there are residential apartments including my own opposite the hotel. People drinking alcohol outside until 1am will bring an unbearable amount of noise public safety - the pavements on both sides of the road are very narrow. It's not safe to pass - particularly with people drinking outside <p>Regards Alan Williams</p>
3	Karen & Anthony Davies	<p>To the BCP licensing department,</p> <p>We own apartment [REDACTED] and our apartment windows are exactly opposite the Trouville Hotel in Priory Road Bournemouth.</p> <p>The hotels application to have a late night indoor and outdoor alcohol licence until 1pm 7 days a week would be devastating for myself and my husbands health and mental well-being.</p> <p>We are both elderly retired pensioners, and we already experience loud noise into the early hours from the pubs and clubs at the bottom of our road, particularly on Friday and Saturday nights.</p> <p>We also experience on a regular basis heavily inebriated people shouting swearing and vomiting and often witness violence and they travel right past our apartment on Priory Road as they leave these premise in the early hours.</p>

		<p>Therefore we hope you will seriously consider how people drinking and loud conversation below our apartment windows seven days and nights a week would be a nightmare for us?</p> <p>We also have our family and small grandchildren stay on a regular basis and the noise and shouting would keep them all awake, not to mention the foul language or worse they may witness or hear.</p> <p>Please don't let this happen to us as we already spend many hours when we are unable to sleep with the loud noise and loud drunken behaviour from the late night clubs and pubs at the bottom of Priory Road.</p> <p>Thank you for considering our objection to this licence being given.</p> <p>Karen & Anthony Davies</p>
4	<p>Roelien Chik</p> <p>██████</p>	<p>To who it may concern</p> <p>We own a purpose build holiday let at ██████, right opposite the Trouville Hotel.</p> <p>We can see (and hear) Priory street from our balcony and strongly object to the permit to supply alcohol for extended hours as this will lead to increased anti social behaviour that will affect the holiday stays of our guests (who are mainly families).</p> <p>We have enough drug addicts and drunks wandering the streets late night as it is.</p> <p>Thank you</p> <p>Roelien Chik</p>
5	<p>David & Jacqueline Lampard</p> <p>██████████</p>	<p>1.</p> <p>Dears Sirs</p> <p>We hereby object to the Tourville Hotel applying for a late drinking licence until 1am inside and outside as we live opposite in West Coast and it is noisy of a night time as it is and with the Tourville Hotel being granted a late licence will be unbearable.</p> <p>Regards</p> <p>David &Jacqueline Lampard</p> <p>2.</p> <p>Dear Sirs</p> <p>Sorry we made a spelling mistake in other email but we write to confirm we Object to the late licensing hours until 1am the Troville has made we live opposite in Westcoast apartment and the noise is quite bad of a nighttime but right opposite will be horrendous for us. We do hope the application is refused so neighbours can sleep at night.</p> <p>Regards</p> <p>David &Jacqueline Lampard</p> <p>3.</p> <p>Dear Sirs</p> <p>We live at ████████████████████ exactly opposite Trouville Hotel at the above address and we write to oppose the application to permit the sale of alcohol until the hours of 01.00 am!! the noise is absolutely ridiculous most weekends as it is and drunken fights and shouting late at night this adds to the tension and noise and anti social behaviour we have to close all</p>

		<p>windows at night even when its really hot weather of a night time because of the noise. We all have families and grandchildren and the noise frightens them . Please so not let this licence go ahead.</p> <p>Regards Jacqueline & David Lampard</p>
6	<p>Wendy Johnson</p> <p>██████</p>	<p>Dear sirs</p> <p>I am writing to strongly object to the licensing application put forward by the Trouville Hotel to sell alcohol until 1am each day both inside and outside. As a resident of the flats directly opposite the Hotel we are regularly disturbed by large groups of revellers returning to their hotels without adding a venue directly opposite our block of flats.</p> <p>The area is a residential area and this is really not appropriate to have alcohol being sold until 1am particularly outside. It is already difficult to sleep in the summer months with the windows open and this would make it impossible.</p> <p>I trust you will refuse their application to sell alcohol until 1am.</p> <p>Thank you</p> <p>Wendy Johnson Coast</p>
7	<p>Sandi Layton</p> <p>██████</p>	<p>1st Email</p> <p>Dear Sir</p> <p>I am writing to strongly object to the Trouville Hotel's recent application to serve alcohol both inside and outside the hotel until 01.00 am. Late night drinking outside the hotel will only generate disruption and an increased level of loud noise in the local area, as Bournemouth is notorious for Stag and Hen parties and holidays, so anywhere with a late alcohol license will be seen as a benefit by the revelers!</p> <p>The hotel is positioned opposite ██████ a residential development, whose residents will be severely impacted if this license is approved.</p> <p>Bournemouth council did approved the construction of the Coast residential development, but since the moment we the residents moved in, it has been an uphill struggle to be get normal residential conditions applied in the area, as it constantly feels that tourists are considered far, far more important than the local rate paying residents.</p> <p>It would be utterly irresponsible of Bournemouth Council to approve late night drinking to 01.00 am, outside the Trouville hotel even if on the hotel premises, knowing that this would negatively impact the local residents across the road.</p> <p>Drinking inside the hotel beyond 11.00, should be restricted to hotel residents only, but even by allowing this, it will probably cause additional noise and disturbance , as the drinkers will no doubt insist on going outside to smoke etc, generating further loud noise, fueled by high alcohol consumption.</p>

		<p>I would ask the Bournemouth Council to please restrict the outside drinking license at the Trouville Hotel to 20.00 and fine the hotel for every noise complaint generated by Coast residents in relation to a late inside license, if it is granted.</p> <p>Local residents have rights as well as the tourists and these do need to be taken into consideration.</p> <p>As local residents, we would appreciate your help and support with this issue.</p> <p>Yours faithfully</p> <p>S Layton ([REDACTED])</p> <p>2nd Email</p> <p>Afternoon Ellie</p> <p>I have received your email BUT completing the form is utterly impossible - I can not 'save' the document to then complete etc.</p> <p>I will not be attending the hearing as our Daughter is getting married that same week and we will be elsewhere, in order to attend the wedding.</p> <p>I do not see that a hearing is necessary- we as Bournemouth residents have objected, a decision should be made based on those objections.</p> <p>Bearing in mind of the recent murders and attacks in Bournemouth on the beaches and in the parks, ALL very well documented in the media, I can not see how it can be justified that 'take away' alcohol can be sold for people to consume in the streets, on beaches and in parks and that it can be purchased till 01.00 am ! It's just asking for trouble.</p> <p>If you can re- send the document in a format that I can save and complete, then am more than happy to do so</p> <p>Regards Sandi</p>
8	Christopher Burr & Denise Gray [REDACTED]	<p>To whom it may concern . Please accept this letter as our objection to the proposal for an extension to the licensing hours both inside and outside the Trouville until 1.00 hrs daily with extended hours for residents and on New Year's Eve. In respect of the application for outside, the lateness of the hour with the associated noise (likely very loud due to excess imbibing of alcohol), will drastically impact the residents of nearby apartments and be detrimental to their health and wellbeing. Visitors drinking inside, before venturing out at 1.00 hrs., are likely to be rowdy also. Noise, especially at that time of night carries far. This has been notable in the past with hen and stag parties walking along the Westcliff Road in the middle of the night disturbing residents from their sleep. Nearby residents to the Trouville Hotel have work to go to and children have school to attend - being unable to rest and sleep will not assist them in their day to day responsibilities.</p> <p>Christopher Burr Denise Gray</p>

9	Leigh Vaughan 	<p>Good afternoon,</p> <p>I am writing to object to the licence application of Trouville Hotel Ref 217978.</p> <p>As a resident of  which is opposite the Hotel, the hours of the licence are in my opinion excessive and will lead to more noise disturbance. During the weekends, there is currently noise disturbance from establishments such as Bar So to 1812 and Sixty Million Postcards. To add to this noise disturbance, and in such close proximity to a residential site, will be severely detrimental to the health and well being of ALL the residents of Coast.</p> <p>Further to my objection, the area alongside Coast is known for antisocial behaviour. With the introduction of extended licencing there will be a greater risk of more antisocial behaviour in this area which is not protected and therefore poses a greater risk in criminal behaviour which in turn would put residents at risk of criminal damage.</p> <p>To further increase criminal statistics within the BCP area by approving this licence is to further reduce Bournemouth's family friendly atmosphere which is currently sadly lacking.</p> <p>from .</p>
10	Jim & Jenny Down 	<p>1st Email</p> <p>Good Day</p> <p>In regard to the request by ABQ Leisure Ltd, for extended hours for alcohol licensing as well as outside entertaining. We the owners of 10, West Coast, situated basically adjacent to the Troyville Hotel are extremely concerned that this shall be a total invasion of our social wellbeing. We already have many noisy intrusions on Beacon Road, especially throughout the summer and many weekends. We also hear from the bottom of Priory road the noise on the weekends from Bar-So. So having this so near to our residential complex would have an extremely detrimental effect on our living standards, as well as our investment in the property. As no one wants to live across from a nightclub that wants outside entertainment and late night drinking on an ongoing basis</p> <p>We sincerely hope that our concerns are noted upon the hearing of this license request</p> <p>Your faithfully</p> <p>Jim and Jenny Down</p> <p>2nd Email</p> <p>However, categories I, J and M are still an issue - As we generally believe that the noise generation from having outside revellers being allowed to drink up to 5 am in the morning is truly going to make our living conditions unattainable. Especially the 'bona fide' guests leaving the premises in the early mornings.</p> <p>We also believe that the condition of serving residents and bona fide guests can easily be circumvented by having one person 'rent a room' for the night</p>

		<p>and inviting a significant number of guests. This we feel that should be looked at.</p> <p>A question needs to be raised to the applicant - What possible reward would be achieved in granting this extension of the time to 24 hours - unless of course the above is part of their plan</p> <p>Thank you for your attention to this matter</p> <p>Best Regards</p> <p>James Down</p>
11	Paul Hearne 	<p>Good afternoon</p> <p>I'm (we) objecting to the Trouville Hotel late alcohol license they have applied for.</p> <p>It'll cause a lot of problems here, with noise and antisocial behaviour and there's enough of this already happening here.</p> <p>Regards</p> <p>Paul</p> 
12	Laith & Diana Majeed 	<p>Dear Sir/Madam,</p> <p>We live at  and this hotel is just across the road from the apartment block. People drinking and talking outside to that hour would seriously impair our enjoyment of our property, not to mention the ease of getting to sleep for ourselves and our family so I would like to register our objection to granting the license.</p> <p>Yours faithfully,</p> <p>Laith and Diana Majeed</p>
13	Andrew Cowper	<p>Good Morning ,</p> <p>Please acknowledge this email as a vehement rejection to the above planning application. This would impact greatly the quality of sleep and all round living quality for my family and I. My daughter is a young child <1 and will wake to this noise in the early hours.</p> <p>It will also result in loud drunk patrons outside our home regularly and that is not a pleasant thing considering our lovely location.</p> <p>Kind Regards</p>
14	Joanne Kerr 	<p>Good morning,</p> <p>Further to the extended application for a late alcohol licence I wish to raise my objection on the grounds of encouraging anti social behaviour, late noise pollution and a disturbance to local residents.</p> <p>Yours sincerely</p> <p>Joanne Kerr</p>

15	Jeanette Jones [REDACTED]	<p>Dear Sir/Madam</p> <p>I strongly object to the Trouville Hotel at 5-7 Priory Road Bournemouth BH2 5DH applying to sell alcohol 7 days a week until 1.00am both indoors and outdoors.</p> <p>Coast Apartments on the Priory road both East and West Coast are located directly opposite the Trouville Hotel.</p> <p>A licence to sell alcohol inside and outside of the Trouville Hotel will impact the Residents at Coast greatly with noise.</p> <p>Also the entertainment issue would also impact the Residents especially if loud music was played.</p> <p>Please note that children live at Coast apartments and ALL Residents should not be disturbed in the evenings and at night or at Anytime.</p> <p>Jeanette Jones</p>
16	Shakilla & Abash Ahmed [REDACTED]	<p>Dear Licensing Team</p> <p>We are the owners of [REDACTED] which is the luxury apartment development directly opposite the Trouville hotel. We have balconies and windows facing directly onto the Trouville hotel and already the noise from the hotel activities is a nuisance but with outside drinking this will become unbearable. We strongly object to the issuing of this licence.</p> <p>Kindest Regards Shakilla & Bash Ahmed</p>
17	Teana Boston-Mammah & Jaakko van't Spijker [REDACTED]	<p>Dear BCP council,</p> <p>I want to object in the strongest terms to the granting of the above named license application. I am a homeowner whose property is situated opposite the entrance to the Trouville and would suffer irrevocable harm due to the late night disturbance of selling to those who want to drink on the street outside my apartment. This directly opens the way for the for abuse and misuse of alcohol. Further the noise levels would increase as would the traffic of those looking for alcohol in an area already saturated with the supply thereof. Furthermore, as has often been observed violence is never too far behind much alcohol use and I resent the impact this would have on the area as a whole which is already suffering from parking issues, county lines and late night disturbances on the weekend.</p> <p>The Trouville obtaining this licence would endanger public safety and the safety of the residents living in the Coast complex, it would increase the likelihood of crime and disorder, public nuisance and children being victim to harm. Lastly, I am afraid it would adversely affect our business as we rent the apartment out to summer visitors who would complain about the noise and disturbance, lower our customer rating and our footfall.</p> <p>I sincerely hope you take into account the objections laid out above,</p> <p>Kind regards, [REDACTED] Teana Boston-Mammah & Jaakko van't Spijker</p>

18	Michael & Lesley Carr 	<p>Dear Sirs</p> <p>We consider this application to increase the hours (until 1am) of service of alcohol and the application for music entertainment, particularly anything that will allow/encourage customers to drink/congregate outside the buildings, to be inappropriate. Our bedroom fronts onto Priory Road and is directly opposite the hotel. We already experience noise disturbance from late night revellers returning to nearby hotels from the town centre along Priory Road in the early hours, particularly at week-ends. To allow late night drinking at the Trouville for non-residents and to allow off-sales will certainly add further to this nuisance.</p> <p>Regards</p> <p>Michael & Lesley Carr</p>

20	Anonymous	<p>Dear Sir,Madam,</p> <p>I live directly opposite the Trouville Hotel at 36 East Coast.</p> <p>I would strongly object to an alcohol licence from 11am-1am on a daily basis.</p> <p>When they used to server alcohol/drink outside the noise was extremely irritating. The Trouville also often left doors open when they held music events and the noise level was too much, typically stopping at 12pm. This license would fuel the other current drunken behaviour in Priory Road in the late evenings and this extension would exasperate the noise level to become unacceptable on a daily basis.</p> <p>Best regards</p>

21	Philip Ray 	<p>Sir/Madam,</p> <p>As a long term year round resident of The Coast (literally less than 100 feet across the road from The Trouville Hotel), I, along with, I dare say, all of the 80 plus resident/owners would vehemently object to granting such an overly generous Premise License as is being requested. Having drunks outdoors at 1AM is something I experience every Sat and Sun mornings normally around 2/3 AM when they come up Priory Rd from the bars/clubs in town as they walk up towards the hotels in the area shouting/swearing/singing. Any outdoors drinking would be 10ft away from the busiest road going into the town centre. It would also be less than 100ft away from my and fellow residents bedroom windows.</p> <p>Im hoping the Director of ABQ Leisure Ltd (and owner of numerous other hotels in Bournemouth) , Sheikh Ali Abdulla Qassim AlThani, member of the Ruling Family of Qatar (worth £335 billion) will see reason and agree outdoor drinking at 1AM so close to local residents homes is going to cause considerable distress and annoyance to our quality of life. Many of us have invested our life savings into what we had hoped would be an enjoyable environment to live in once we had retired.Im sure the Sheikh will be able to absorb the financial loss of a few £s each night. I am urging you to do the right thing and grant a Premise License somewhat more restrictive (no outdoors drinking; close the bar at 11pm midnight perhaps) to what is being requested. After all, the majority of hotel guests I see arriving from my balcony are elderly people in coaches with walking sticks and walking frames. Not the type of guests who want to hear drunken patrons below their hotel bedrooms.</p> <p>Many thanks from a concerned full time long term resident of Bournemouth.</p> <p>Phillip Ray</p>
22	Stewart Green 	<p>1st Email</p> <p>Dear Sir/madam I wish to object to the above. This will only attract more poor behaviour to the area as well as creating the inevitable noise and rubbish. Worst of all the very steep road and narrow pavements will present a significant safety issue only exacerbated by people the worse for wear with drink who are likely to either stumble into the road themselves or force others to do so. Stewart Green </p> <p></p> <p>2nd Email</p> <p>Hi,</p> <p>thank you for the application details. I accept that the application is the restoration of a lapsed license , however I note in section J that although in all other sections the supply of alcohol is to bona fide residents and their guests to be consumed on the premises, this section states that alcohol will be supplied for consumption both on</p>

		and off the premises increasing the risk of antisocial behaviour, noise etc around the hotel Regards Stewart Green
23	Keith Lucas 	<p>Dear Ms King,</p> <p>I am writing today to object to any increase to timing for The Trouville Hotel alcohol license. I understand they are applying to sell alcohol 7 days a week until 1.00AM both indoors and outdoors.</p> <p>As I live directly opposite the hotel in , with a balcony looking directly at the hotel, I believe this will increase noise and light and cause me disturbance.</p> <p>Any increase in licensing scope will no doubt impact all those resident across Priory Road in East and West Coast from a noise perspective, as noise travels far and wide at night. It is the lateness of the outside license which gives the most concern, due to it being directly opposite Coast, which is a residential complex.</p> <p>I have copied in Hazel Allen, our Councillor, as I believe many residents will object and she will hopefully be protecting our interest.</p> <p>Yours sincerely Keith Lucas</p>
24	Anonymous	<p>Re: Objection to Alcohol License Extension Application at The Trouville Hotel</p> <p>Dear Sir/Madam,</p> <p>I am writing to formally object to the application for an extension of alcohol licensing hours for The Trouville Hotel located at Priory Road, Bournemouth Dorset. It is located directly in front of our apartment block on Priory Road. Coast apartments occupy the corner of Priory Road and Beacon Road, directly in front of the Trouville Hotel.</p> <p>Grounds for Objection:</p> <p>1. Public Nuisance: Extending the licensing hours is likely to result in increased noise levels from patrons leaving the premises in the early hours. This noise will disrupt the peace and quiet of the neighborhood, particularly affecting residents' sleep and overall quality of life.</p> <p>2. Crime and Disorder: Extending the hours during which alcohol is available could lead to an increase in antisocial behavior, including vandalism, littering, and public intoxication. The risk of crime and disorder in the neighborhood will be heightened, making it less safe for residents.</p> <p>3. Public Safety: Longer licensing hours may result in an increased risk of accidents and injuries, both inside and outside the premises. There could be a higher</p>

		<p>likelihood of road accidents due to drunk driving and potential physical altercations among patrons.</p> <p>4. Protection of Children from Harm</p> <p>The extended hours may increase the exposure of children and young people in the area to late-night disturbances, drunken behavior, and other inappropriate activities. This could adversely affect their safety and well-being.</p> <p>Given these concerns, I strongly urge the licensing authority to reject the application for the extension of alcohol licensing hours at The Trouville Hotel. The potential negative impact on public nuisance, crime and disorder, public safety, and the protection of children from harm significantly outweighs any potential benefits of extending the licensing hours.</p> <p>Thank you for considering my objection. I hope the licensing authority will take these concerns into account when making a decision.</p> <p>Yours sincerely,</p>
25	Jim & Christine Mackenzie 	<p>We would like to object strongly to the application by the Trouville Hotel Bournemouth for extended hours and outside space. This should be rejected on the grounds that it would cause noise and disruption and possible anti social behaviour for local residents such as ourselves. Please confirm receipt of this.</p> <p>Jim & Christine Mackenzie</p>
26	Mrs Bridget Walker 	<p>Dear Sir/Madam</p> <p>RE: ABQ Leisure Limited licensing application relating to Trouville Hotel 5-7 Priory Road Bournemouth BH2 5DH</p> <p>I am the owner of  and I writing to register my objection to the application for the proposed supply of alcohol for consumption on and off the premises, regulated entertainment and the provision of late night refreshment until 1am daily at the Trouville Hotel.</p> <p>This is primarily a residential part of Bournemouth, and to grant this application to extend the hours from the existing license would greatly increase the disturbance to residential occupiers and those holiday makers and visitors that do not wish to stay up late, or drinking late. People need to be able to sleep without being kept awake night after night by loud beating music and drunken antisocial behaviour including shouting, arguing, singing, fighting, being sick and defecating in public places.</p> <p>Bournemouth is not just a holiday destination. A majority of people live and work there and need a good night's sleep to function properly. Coast is opposite the Trouville Hotel and the residents who live there (again, a majority, as there are few holiday lets licensed there) will suffer greatly from these proposed extended hours and loud music. The benefit to a few people visiting the Trouville Hotel for company profit does not justify significantly destroying the quality of life for so many living at Coast and in the surrounding area on a proposed daily basis all year round, particularly when there are plenty of other places people/visitors can visit to drink and listen to music in Bournemouth.</p> <p>There is no shortage of such licensed places in Bournemouth already, and Bournemouth residents should not have to pay through Council Tax contributions for the further mess and clean up that will be required as a result of extending drinking hours at the Trouville Hotel in the immediate surrounding area or beyond, and the further burdening on valuable police resources dealing with more antisocial behaviour as a result.</p>

		<p>I, along with the other Coast residents will continue to follow and object to this application which only detract to a significant degree from the quality of life of people living in the area around the Trouville Hotel and further burden council clean up and policing resources.</p> <p>Please do not grant this application.</p> <p>Yours faithfully</p> <p></p> <p>Bridget Walker</p>
27	Dinesh Mahathevan 	<p>Sir/Madam,</p> <p>As a resident of  (across the road from The Trouville Hotel), I will strongly object to the extra Premise Alcohol License that is being requested.</p> <p>Having disorderly drunks from 10:00am to 01:00 is something I would rather live without.</p> <p>regards,</p> <p>Dinesh</p> <p></p>
