

DANCING JUG2 SOUTHBOURNE GROVE, BOURNEMOUTH BH6 3RBAPPLICATION FOR NEW PREMISES LICENCEREPRESENTATIONS FROM OTHER PERSONS IN OBJECTION TO

	NAME & ADDRESS	REPRESENTATION
1	Ms L Kite	<p>Dear Sirs</p> <p>I am writing to object to the granting of an alcohol licence for the Dancing Jug venue at 2 Southbourne Grove.</p> <p>I believe that this type of venue will cause problems in the local community and is not appropriate for such a small suburb of Bournemouth.</p> <p>I understand that I can only object to the licence on certain grounds and I list these below.</p> <p>1. Prevention of crime and disorder As a 'party' venue, it is likely that when the venue closes, people will be drunk. They will not disperse and go home but will inevitably end up walking to the beach through residential streets. We experience this on a regular basis with the current licenced premises, and this will add to the potential disorder and damage to property.</p> <p>At the time the premises close, there is no public transport, and few taxis available so people will not be able to get away from the High Street, so drunk people will be wandering the streets and causing criminal damage and possibly fighting.</p> <p>2. The prevention of public nuisance As a local resident, we already experience a considerable amount of nuisance with drunk people and large groups walking down residential streets, shouting and fighting, including in Fisherman's Walk. This is likely to increase with this venue which offers a bottomless brunch for 2.5 hours every day. This will encourage excessive drinking so more people are likely to be drunk when they leave. This venue is very close to residential streets, and has people living above the shops, cafes and bars along Southbourne Grove. This will be very disturbing for them.</p> <p>In addition we are likely to see more human waste as the local toilets are closed at night, as well as more litter and general mess around the area.</p>

		<p>3. Public safety</p> <p>There are already concerns about public safety from residents with the stabbings which have happened in Bournemouth over the past year. This has become such an issue that a specific task force has been setup to address this and wider antisocial behaviour. People are concerned about going out in Bournemouth but Southbourne has always had a safer feel to it. Most of these stabbings happen late at night, after people have been drinking, so any establishment which is open all day, and encourages parties and drinking will be a magnet for people looking for trouble.</p> <p>Overall this type of venue will change the character of Southbourne and cause a considerable amount of concern for residents, damage to property and increase crime and disorder around the local area. There is not the infrastructure to cope with a large number of people leaving this venue at 1.30am over the weekends and at after midnight during the week. The noise from the live and recorded music also being played until after midnight will be extremely disturbing for the people living near that area - particularly with a garden at the rear of the property.</p> <p>I believe that this application from this venue causes at least three of the four areas for objection to be met and I encourage you to refuse this for the sake of the local residents and the wider environment.</p> <p>Regards</p> <p>Liz Liz Kite</p>
2	Mr J Salway	<p>To whom it may concern</p> <p>I am writing to lodge my objection to the above application.</p> <p>I reside about 1km from the premises, but I also have commercial interests in the area, as one the landlords of 3 commercial premises in Southbourne Grove.</p> <p>The Grove has recovered well from the pandemic, and commercially is thriving as a local high street, with a strong "village" feel. It is a pleasant place to live, work and shop.</p> <p>There is a considerable number of licensed premises already in the Grove. It is questionable whether there is a need for any more provision. Historically the Council was very resistant to there being any licensed premises within the High Street, but those which are now there are mostly small scale, quiet operations with minimal impact on local residents.</p> <p>The subject premises are themselves surrounded by large numbers of residential properties within a very short distance. The whole area is predominantly residential, with Southbourne Grove and Carbery Row as the only retail and hospitality provision, but on a scale which seems entirely appropriate to its demographic.</p> <p>The proposed application is for an operation on an entirely different scale, and of a totally different nature. I feel it would be totally inappropriate for a Dance Club to be permitted to operate in this location; it would be far more suited to a Town or City Centre location, which Southbourne Grove is patently not.</p>

		<p>There is a serious risk of regular disturbance from clientele leaving this location (particularly at the proposed late hours), and the interaction with other Licensed Premises close by, particularly The Grove Tavern (27 Southbourne Grove) and the Brewhouse & Kitchen (147 Seabourne Road) is difficult to predict, but there must be a serious risk of potential disorder, even if occasionally - our emergency services might well find this becomes a hot-spot for trouble.</p> <p>There is no doubt in my mind that if this application were to be approved, the tone of the area would be seriously diminished, and the lives of local residents, and the operation of local business, blighted.</p> <p>I would therefore urge that this proposed application be refused as being totally out of keeping with the area in which it is proposed, for the reasons set out above.</p> <p>Yours sincerely Jim Salway</p>
3	<p>Mrs C Cornelious</p> <p>Southbourne Road</p>	<p>The Prevention of Public Nuisance: I believe that a licence to 0100 on Thurs and 0130 on Fri/Sat will result in unreasonable noise and disturbance for local residents on a 3 times weekly basis, every week. On the unfrequent occasions that the Larder House / Syds Steps</p> <p>Public Safety: have a late licence for special events the noise does travel to my dwelling but this is, in my opinion, acceptable due to the infrequency / lack of regularity. To know that there will be music /</p> <p>The Protection of Children from Harm: noisy people until such late hours is really upsetting. I believe a cut off of 0030 would already be a burden on local residents but at least slightly more reasonable.</p>
4	<p>Mr S Bilboe</p> <p>Beresford Road</p>	<p>Dear Licensing Team,</p> <p>Please find attached my completed Representation Form, objecting strong to application 219133.</p> <p>I am writing to formally object to the recent application (219133) at 2 Southbourne Grove. Attached is my completed representation form. As a resident of this family-friendly area, I have significant concerns about the potential negative impacts this establishment could bring to our community.</p> <p>Key Concerns:</p> <ol style="list-style-type: none"> Antisocial Behaviour: <ul style="list-style-type: none"> These venues often attract large crowds, which can lead to an increase in antisocial behaviour. The presence of such an establishment could result in disturbances, vandalism, and other forms of public disorder that are not conducive to the peaceful nature of our neighbourhood. Drunk and Disorderly Behaviour:

		<ul style="list-style-type: none"> Establishments serving alcohol until late hours frequently see patrons becoming drunk and disorderly. This behaviour not only poses a risk to public safety but also sets a poor example for the children and families living in the area. <p>3. Noise Nuisance:</p> <ul style="list-style-type: none"> Noise pollution is a significant concern, particularly during late hours when residents are attempting to rest. The sounds of music, people leaving the venue, and potential altercations could disrupt the tranquility of our neighbourhood, leading to sleep disturbances and a decrease in the overall quality of life. <p>4. Public Safety:</p> <ul style="list-style-type: none"> Increased traffic, both pedestrian and vehicular, late at night can lead to safety hazards. This is particularly concerning in an area where many families walk or cycle. <p>5. Impact on Local Character:</p> <ul style="list-style-type: none"> Our area is known for its family-friendly atmosphere, which could be undermined by the introduction of an establishment such as this. This change in the local environment could deter families from enjoying the area and potentially lower property values. <p>I urge the council to consider the long-term impact this venue could have on our community. Preserving the family-friendly nature of our area should be a priority, and I believe that a venue such as this is incompatible with this objective.</p> <p>Thank you for taking the time to consider my concerns. I hope the council will make a decision that reflects the best interests of our community.</p> <p>Regards,</p>
--	--	---

	<p>Steve</p> <div> <p>Reasons for Representation. Please, give information under the relevant Licensing Objective. <i>(Please note you are not required to complete all the boxes unless you feel it is relevant.)</i></p> <p>The Prevention of Crime and Disorder: 1) Promoting and encouraging binge drinking / excessive drinking. This is evidenced by their menu (bottomless brunch) and the experience of their other two venues (27-37 Charminster Rd, Bournemouth BH8 8UE & 15-17 Poole Hill, Bournemouth BH2 5PW) 2) Attacks to emergency services and employees in other Dancing Jug venues (https://www.bournemouthecho.co.uk/news/23691606.couple-assaulted-police-officer-avoid-holiday-ruined/ / https://www.bournemouthecho.co.uk/news/19996924.cctv-appeal-assault-dancing-jug-poole-hill/)</p> <p>The Prevention of Public Nuisance: Drunk and disorderly behaviour Noise nuisance - Noise from recorded or live music - Noise from customers e.g if outside smoking, calling taxis, loitering on street, waiting for taxis, shouting - Noise of people being refused entry or asked to leave - Emptying bins/bottles late at night / early morning</p> <p>Public Safety: Promoting and encouraging binge drinking / excessive drinking. This is evidenced by their menu (bottomless brunch) and will lead to antisocial behaviour in what is a residential and family friendly area</p> <p>The Protection of Children from Harm: 1) Noise disturbances for local children residents who may be impacted by the noise of the venue and /or its customers 2) Children may be exposed to or witnesses to unsuitable or inappropriate behaviour 3) Smoking outside venue 4) Drunk and disorderly behaviour 5) Violence and or aggressive behaviour</p> </div>

- VEGAN BURGER**
Served In A Bun With Vegan Mayonnaise, Avocado & Spinach.
ADD VEGAN CHEESE £1.50

5	Resident of Southbourne	<p>To whom it may concern.</p> <p>I am writing to you, as a concerned resident, regarding the proposed opening of the above venue. I feel there are many factors that could affect the lives of people living in close proximity of this lively establishment.</p> <p>I understand that there have been previous disruptions to the public, in the way of attacks outside similar bars to the one above. Also to the emergency services and employees. We need to prevent this kind of crime on our doorstep.</p> <p>The noise factor is one of the main issues raised. The loud music will be playing for 7 nights a week, up to the closing times of 12-1.30 am. This is unacceptable, in what is a quiet residential area.</p> <p>The proposed 'Happy Hours' will no doubt encourage binge drinking, leading to drunken and disorderly behaviour.</p> <p>Another concern being the increase of taxis coming and going down Beresford Road and Southbourne Grove in the early hours of the morning, with loud, rowdy groups loitering outside on the corner by the bar.</p> <p>This leads me onto the subject of safety to the public.</p> <p>It's been known that this kind of disruption has led to vandalism to private properties and vehicles. Upsetting the local residents.</p> <p>This behaviour and loud music would surely destroy our peaceful community, which would disrupt our sleep and our children's sleep, also affecting concentration at work and school.</p> <p>The public and particularly Children would be put at risk with added litter lying about. Very Unhygienic streets with Cigarette butts, broken bottles and anything else that may be harmful to the public</p> <p>I urge you to please listen to the local residents' objections and consider the damaging impact this would have on everyone's lives living here.</p> <p>Thank you.</p> <p>From A concerned resident near Beresford Road/ Southbourne Grove</p>
6	Ms J Byrne	<p>Further to my conversation with Tanya regarding my letter, I couldn't access form on line so I am sending this email. ref 219133</p>

	Southbourne Grove	<p>Dancing Jug 2 Southbourne Grove</p> <p>prevention of CRime and disorder. I oppose on the grounds of lack of a police presence in the area. Fights erupting due to alcohol. Property and shop windows being damaged.</p> <ul style="list-style-type: none"> • Public Nuisance Where do I begin? I see from the plans that there is a proposed outdoor area out the front of the building, directly opposite my living room and bedroom. This will result in noise pollution. People smoking, vaping. Hanging around at the end of the evening waiting for taxis. I already have the Fez bar, Brew house, Grove Tavern , Syds Slaps, Larder house and the takeaway chicken shops all within 200 yards of each other. I am very worried about the amount of noise that will come from inside the building wirh music 7 days a week And my own mental health. why should i have to keep my windows closed in the summer due to noise?. • Protection of children, obviously underage drinking and drugs. cameron's in Christchurch had some involvement with Drugs. • Public safety, loud drunk people outside, people feel intimidated walking pass • I feel the opening hours are too late and 7 days a week give me a break please. <p>Julia Byrne</p>
7	Mr P Davies	<p>Ref 219133</p> <p>this is with ref to the above application for a trading licence for 2 Southbourne Grove.</p> <p>There are my concerns over several issues which are listed below.</p> <p>1: The concept is pay for a table for 2.5 hours and eat/Drink as much as possible in 2.5 hours then leave.</p> <p>a: opening until 0130 this will open to antisocial behavior/ violence.</p> <p>b: Live or recorded Music until 0130 in a built up residential area.</p> <p>c: Noise problems throughout the day and night.</p> <p>b: Poss vomet in the road,</p> <p>c: excessive illegal parking of private cars and taxis.</p> <p>d: this is a grade two building how will the single glazed sash windows be insulated against noise.</p> <p>All Patriots will be encouraged to drink from 1000 morning to late at night, Southbourne has a high street full of Bars & Restaurants that have strict times for music/opening. As a mainly residential Area this type of outlet is wholly wrong for the area. If you allow one to open with these hours of trading all other local Bars will look to do the same.</p> <p>At the moment there is no talk of a beer garden that will be next on their list, where people smoke outside. at night increases the level of noise in a quiet area, or standing outside the front of the building Drinking and smoking.</p>

		<p>I would like this application turned down due to the list above plus the problems that would happen in the future. Town centres are where this type of establishment should be where the police are present, not a small high street in quite southbourne which is family oriented.</p> <p>kind regards Peter Davies</p>
8	<p>Mr C R</p> <p>Resident of Southbourne</p>	<p>Dear Bournemouth Council,</p> <p>Please find My appeal against the opening of the Dancing Jug on Southbourne Grove</p> <p>I am writing to formally object to the proposed opening of a new bar at 2 Southbourne Grove (formally Lloyds Bank). As a resident of the area, I have serious concerns regarding the negative impact this establishment will have on our community. Southbourne Grove and the surrounding area already has a sufficient number of pubs and bars, and introducing another venue is both unnecessary and detrimental.</p> <p>Firstly, the primary issue is the additional noise that will inevitably emanate from the new venue. The premises have been granted a license to play music until 1.30am, this is deeply concerning! This late - night activity will significantly disrupt the peace, especially affecting my sleep and my children's sleep. There are many residential properties within hearing distance of the proposed venue, and the sound of loud music and rowdy patrons will greatly disturb the surroundings.</p> <p>Furthermore, the existing bars and pubs in the area have already contributed to a variety of problems, including disorderly behaviour at night. The aftermath often includes vomit on the pavements, urine against residential properties, vandalism to cars, and broken glass and rubbish littering the streets. These issues create an unsafe and unsanitary environment for residents, in particular troubling as children walk through these streets on their way to the many primary and secondary schools in the vicinity.</p> <p>Additionally, there is already a significant issue with parking in Southbourne. The introduction of another bar will exacerbate this problem, making it even more difficult for residents and visitors to find adequate parking.</p> <p>Given these substantial concerns, I urge the council to withdraw the license or at least reconsider granting permission for the dancing jug to open. The negative impact on noise levels, public disorder, sanitation, safety , parking and likely reducing property values are too significant to ignore! Our community deserves to maintain its current quality of life without the addition of another disruptive establishment.</p> <p>I sincerely hope you will take these points into account and decide against allowing this venue to operate or at least restrict open times to 11pm and withdraw allowing music.</p>

		<p>Thank you for reading my and many of the surrounding residents' objections. I intend to continue to fight this !</p> <p>Kind Regards</p>
9	<p>Ms F Spence</p> <p>Beresford Road</p>	<p>Good Afternoon</p> <p>I bought my flat in Beresford Road 5 years ago & live on my own. I am completely dreading having a pub 6 doors up on the other side of the road.</p> <p>In Southbourne we already have late night/ early hours drinking venues on every street corner (Brewhouse, Fez & Grove Tavern) we also recently have Syd's Slaps who has loud late night street music & takes over the whole pavement with chairs/tables etc. On 14th July (Sunday) Syd's Slaps & the Larder house had a daytime street party loud music, chairs, tables etc & to get past you either went on the road or had to squeeze through to get to the shops nearby</p> <p>As a female resident it is very off putting & what used to be a quiet area - is going downhill bit by bit in my opinion & therefore another pub will just bring more late night/early morning noise & rubbish on the streets, street parking is a concern aswell as general ASB as more people just hanging around drunk etc. Also the side entrance is a major concern all day noise etc & 7 days a week</p> <p>I am hopeful you will not allow this licence & therefore keep Southbourne as a nice area for its residents/elderly & families, I have spoken to a few neighbours & friends they are also not happy with this possible addition to Southbourne & feel it is not required, as the balance of night life is fine as it is</p> <p>Thanks Felicity</p>
10	<p>Dr S Dowsett</p> <p>Beresford Road</p>	<p>Hello,</p> <p>I am emailing regarding the licence of the proposed 'Dancing Jug' - Application Number/Reference is: 219133.</p> <p>The premises for this proposal is on the corner of our road.</p> <p>We are concerned about the noise and disruption to our road. The venue intends to serve drinks all day and until 1.30am but closing time is likely to be later than this. The premises is located on a residential home and we have two small babies, the noise is likely to wake them and us. We are also concerned with an increase in the risk of drunkenly disorderly behaviour.</p> <p>Here are several other factors that concern me:</p> <p>Crime and Disorder</p> <ul style="list-style-type: none"> Promoting and encouraging binge drinking / excessive drinking (example of menu)

		<p>○ Violence</p> <p>My address is: Beresford Road, BH6 5AA.</p> <p>I look forward to hearing back from you.</p> <p>Adam Dowsett.</p>
12	<p>Ms N Hammond</p> <p>Southbourne Grove</p>	<p>To: licensing@bcpcouncil.gov.uk</p> <p>I would like to object to the application of a new premises license at 2 Southbourne Grove, proposed to become a 'Dancing Jug' venue. As I understand, there are four licensing objectives and I feel that these would be undermined with this proposal, not to mention that the area is predominantly residential, and this type of venue is not in keeping with the overall vibe of Southbourne.</p> <p>The Prevention of Crime and disorder</p> <p>Excessive alcohol consumption due to the proposed operating hours is the most disturbing factor and given the location and the fact there is an unlit alleyway behind the premises used as an access to residential homes, I feel that this may be used for more nefarious activities to the detriment of the homeowners and residents.</p> <p>Looking at the plan, there doesn't appear to be adequate parking for either staff or patrons which could result in parking around the neighborhood and therefore a spread of clientele and their noise after closing time.</p> <p>The prevention of Public Nuisance</p> <p>I have noted that loud music is provided in other establishments operated by the applicant and, reiterating the predominantly residential location of the premises, I feel this will promote many complaints and be a noise nuisance. The noise limiter is also only going to be of effect after 11pm, which, in a wholly residential area is not good enough. Also, looking at reviews on Tripadvisor, I see that this chain is notorious for overbooking and therefore overcrowding. This will produce 'spillage' onto the streets and create public nuisance. With excessive alcohol consumption in the mix there is the likelihood for trouble.</p> <p>Public Safety</p> <p>Following on from the overcrowding issue, this also puts both patrons and the public at risk. And with no seating shown on the plan in the main bar, this equates to a 'vertical drinking establishment'.</p> <p>The tables and chairs on the large pavement area (see plan), are shown to be on a raised decking area with no measures taken to prevent clients from moving into the public domain. This is a seaside town with many families</p>

		<p>walking along the pavement of a busy road, and inebriated clients spreading out into the walking areas can promote public safety issues.</p> <p>The Protection of Children from Harm This establishment has no restriction on children being permitted either day or night.</p> <p>To conclude: if this application is granted, my concerns are that it will be able to operate as a 'vertical drinking establishment' or a nightclub which is not appropriate for the location, and I therefore ask that this application be refused.</p> <p>Nadine Hammond Southbourne Grove, BH6 3QS</p>
13	<p>Ms C Coates</p> <p>New Park Road</p>	<p>To whoever it may concern, I am writing to express my concern about an aspect of the licence application 219133 for Dancing Jug at 2 Southbourne Grove, BH6 3RP.</p> <p>My concern relates to the extended hours for live and recorded music that has been applied for. Although Southbourne Grove itself is a mix of businesses, Southbourne is mainly a residential area. There are flats above most of the business premises and Beresford Road (on the same corner as the proposed Dancing Jug venue) and New Park Road (which is on the street immediately behind) are all residential.</p> <p>I think the hours for this music are excessive. It is not a town centre venue, surrounded by other late-night clubs and bars. There are of course many restaurants here but their closing times are much more reasonable.</p> <p>Should the late music licence be granted, I would ask that a stipulation be made that after 11pm, doors and windows of Dancing Jug need to be kept closed, and that noise limiters are used on the sound equipment and that these limiters are set to an acceptable level.</p> <p>I think it's also worth noting that I don't think many local residents are aware of the proposed late hours. The signs on the premises cannot be read from any distance because of the dark coloured paper they are printed on, and they are masked by the scaffolding around the building which means that people cannot walk close to the building. A bit sneaky, I suspect!</p>

		<p>Please accept this email as a formal objection and I await your acknowledgement of its receipt.</p> <p>Kind regards, Carol Coates (New Park Road, BH65AB)</p>
14	Councillor George Farquhar on behalf of Resident of Beresford Road	<p> From: [REDACTED] To: Licensing Com; Councillor George Farquhar Subject: Dancing Jug - Licensing Application 219133 Date: 29 July 2024 15:08:41 Attachments: NEW-BRUNCH-MENU Dancing Jug.pdf V3.-January-Brunch-Menu.pdf Dancing Jug evidence Bottomless Brunch all day.PNG Dancing Jug evidence of 10 hour happy hour.PNG Dancing Jug evidence of 241 cocktails all day in additon to other offers.PNG Dancing Jug evidence of winning alcohol as a prize.PNG </p> <p>Hi</p> <p>I am aware of a licensing proposal at 2 Southbourne Grove and am sending over my representation below.</p> <p>I am requesting for my local councillor Farquhar to speak on my behalf. I do not give consent for any personal data to be shared in the public documents.</p> <p>Kind regards</p> <p><u>Premises Details (Please give as much information as possible)</u> Application Ref: 219133 Name of Premises: Dancing Jug Address of Premises: 2 Southbourne Grove, Bournemouth, BH6 3RP</p> <p><u>Reasons for Representation. Please, give information under the relevant Licensing Objective</u></p> <p><u>The Prevention of Crime and Disorder:</u></p>

	<p>The Venue has two other local venues. One in Charminster (27-37 Charminster Rd, Bournemouth BH8 8UE) and another in Bournemouth Triangle (15-17 Poole Hill, Bournemouth BH2 5PW).</p> <p>Their website and social media promote and encourage binge drinking and excessive drinking. Please see menus attached and here: https://www.dancingjug.co.uk/bottomless-brunch/. I also have a number of screenshots from facebook pages showing the daily drink deals of unlimited drinking brunch all day until 10pm, plus 241 cocktails all day, and Happy Hour until 10pm.</p> <p>The Dancing Jug is promoting and encouraging binge drinking / excessive drinking through all you can drink bottomless brunches for 2.5 hours, from opening times until the last 'bottomless brunch' session which ends at 10pm every night. They also offer 'Happy Hour' from opening time until 10pm. This encourages extremely dangerous binge drinking, which will cause harm to both customers, employees, emergency services and residents.</p> <p>There have been a number of serious crime incidents in Dancing Jug venue including:</p> <p>6th March 2022 a member of staff was attacked in Dancing Jug Bournemouth. Source: https://www.bournemouthcho.co.uk/news/19996924.cctv-appeal-assault-dancing-jug-poole-hill/</p> <p>13th March 2022 a police officer was attacked by two people in the Dancing Jug Bournemouth. Source: https://www.bournemouthcho.co.uk/news/23691606.couple-assaulted-police-officer-avoid-holiday-ruined/</p> <p>Local residents including myself will be concerned about witnessing or experiencing any possible drunk and disorderly behaviour or violence when walking past to our local amenities. I need to walk past this junction to get to my local bus stop, train station, library, pharmacy supermarket and doctors surgery.</p> <p>It is very common for bars to have drug use and exchanges on site and the close proximity to the venue. This poses an increased risk to the local residents, particularly those on Beresford Road, Beaufort Road and Southbourne Grove.</p> <p>A great concern here is the impact that drug use and deals have on vulnerable children and young people though the supply via county lines. As a teacher in a local SEN school with many vulnerable children, I am extremely concerned about further children and young people exploited and harmed through county lines.</p>
--	---

The Prevention of Public Nuisance:

As the Dancing Jug offers all you can drink events for 2.5 hours, and 'Happy Hours' from opening until 10pm, this does not show measures are taken to prevent public nuisance. There also appears to be an outside area which will cause further public nuisance, including:

- Drunk and disorderly behaviour
- Rowdy behaviour and swearing
- Noise nuisance
 - Noise from recorded or live music, including karaoke.
 - Noise from customers outside smoking, calling taxis, loitering on street, waiting for taxis, shouting, arguing, fighting, swearing
 - Noise of people being refused entry or asked to leave, and not leaving quietly
 - Emptying bins and bottles late at night or early morning

It appears there will be an outside area marked on the '**Annex 4 plan**'. It appears the plan is for outside areas open until 11pm every day. This will contribute to noise pollution for local residents. Without seeing the plans, it seems likely the 'outside' area will be on Beresford Road, or directly behind it, which is a totally residential road.

As this is a late night bar, with a bottomless binge drinking business model, the long opening hours will see an increase in litter in the local area, from cigarette butts, rubbish from customers at the venue or shortly after leaving, and possible bins getting emptied at antisocial hours.

There are many cafes and community initiatives in southbourne which may be detrimental impacted, including the stable family home trust (<https://sfht.org.uk/evolve/>) which is located across the road. The inevitable noise, potential rowdy drunk and disorderly behaviour, and any increase in drug exchanges related to the Dancing Jug may have a detrimental impact to the wellbeing of the service users here.

Public Safety:

The drink offers are irresponsible and detrimental to health. It is a high volume drinking establishment which will cause risks to health. This will put additional strain on emergency services and the NHS.

These significant drink promotions, 'bottomless brunch' for 2.5 hours where the customer can remain in the premises afterwards, and 'Happy Hours' for 10-12 hours a day, poses a significant risk to individuals, both from an individual health perspective and potential impact to those around them. They may be at risk of acting out of character, and

	<p>customers may also be more vulnerable due to intoxication. There will of course be a higher risk of recreational drug use and a venue that brings a huge number of people together drinking excessively for long periods 7 days a week. Drugs are clearly a concern for the licensing applicant as they have referred to the measures they are planning to manage people who become unwell with drugs on site and a drugs safe, however this does not demonstrate robust measures in preventing drugs from being brought on and ingested onsite.</p> <p>These measures also do not minimise the wider impact including any drug exchanges occurring in close proximity to the venue (or wider BCP area) and does not protect the wellbeing of local residents, or any vulnerable children and / or young adults exploited by county lines.</p> <p>It is also likely that there would be a significant increase in the number of customers in an intoxicated state. The proposed Southbourne venue is located on the corner of Southbourne High Street and Beresford Road, which is a high volume road traffic junction of 30mph, also in very close proximity to a number of bus stops and two other high volume junctions between Southbourne Grove and Wentworth Avenue, and Wentworth Avenue and Southbourne Lane West. Customers who have been making the most of the drinking positions may be at serious harm from all traffic at 30mph, especially if trying to cross the road, rushing for a bus, or simply stepping off the pavement.</p> <p>With high volumes of customers entering or exiting the venue, in addition to those standing outside smoking, it will impact the pavement width for other pedestrians, and may put them at risk.</p> <p>There are limited safe and legal places for taxis to park to pick up or drop off customers. This can also further add to noise pollution for the local residents, or public nuisance by getting blocked in by taxis etc.</p> <p>There are also a number of care services in the local area including: 1 Beaufort Road, Southbourne, BH6 5AJ which is a specialist residential care services for people with learning disabilities, physical disabilities and sensory impairments. Late night music and karaoke may have a detrimental impact to the residents, and the front line workers who will need to have appropriate rest breaks during and between shifts.</p> <p>The Protection of Children from Harm:</p> <p>A paramount concern here is the impact that drug use and potential exchanges have on vulnerable children and young people through the supply via county lines. As a teacher in a local SEN school with many vulnerable children, I am extremely concerned about further children and young people exploited and harmed through county lines.</p>
--	--

	<p>There will be a risk that underage drinkers will be attempting entry to the venue and also if they are refused entry, they may be at risk on their own on the streets at night as they try to navigate returning home.</p> <p>There is a huge risk of noise disturbances impacting local children residents from the noise of the venue and its customers. Beresford Road is a wholly residential road, with many children living on the road. Having a licence which permits opening times until between midnight and 1.30am, 7 nights a week, with later noise due to taxis and people walking away from the venue. This will be detrimental to their sleep, their health, their education and their overall wellbeing.</p> <p>As there will be either a smoking area or smoking on the streets, alongside a possible outside drinking area on a busy road that children will walk past and live in close proximity too or even have gardens in close proximity too, there is a huge risk of children passive smoking.</p> <p>There are a number of Children's Homes in close proximity to 2 Southbourne Grove, through Beaufort Care Group who support extremely vulnerable children and having a licence which permits opening times until between midnight and 1.30am, 7 nights a week, may be further detrimental to their sleep, their health, their education and their overall wellbeing. They will also be at risk of passive smoke if walking past and likely exposed to or witness drunk and disorderly behaviour and violence.</p>

[Application form with notes from applicant .pdf](#)

Hi

Please find my representation regarding the Dancing Jug attached along with evidence referred too in the email.

I am aware that George Farquhar is aware of this case so I have copied George in, please let me know if I need to contact my local councillors.

I do not give consent for my details to be shared on any public records.

Kind regards

Premises Details (Please give as much information as possible)

Application Ref: 219133

Name of Premises: Dancing Jug

Address of Premises: 2 Southbourne Grove, Bournemouth, BH6 3RP

Reasons for Representation. Please, give information under the relevant Licensing Objective.

The Prevention of Crime and Disorder:

The venue has two other local venues. Their website and social media promote and encourage binge drinking: <https://www.dancingjug.co.uk/bottomless-brunch/>. Their social media sites (instagram and facebook) also show the daily drink deals of unlimited drinking brunch from opening until 10pm (2.5 hour sessions) and Happy Hour from opening until 10pm every night, in addition to 241 cocktails and selected drink deals all day.

This encourages extremely dangerous binge drinking, which will cause harm to both customers, employees, emergency services and residents.

Source: https://www.facebook.com/Dancingjugbournemouth/?locale=en_GB and https://www.facebook.com/DancingJugCharminster/posts/257725447302684/?_rdr.

There have been a number of serious crime incidents in Dancing Jug venues.

6th March 2022 a member of staff was attacked in Dancing Jug Bournemouth. Source: <https://www.bournemouthecho.co.uk/news/19996924.cctv-appeal-assault-dancing-jug-poolehill/>

13th March 2022 a police officer was attacked by two people in the Dancing Jug Bournemouth. Source: <https://www.bournemouthecho.co.uk/news/23691606.couple-assaulted-police-officer-avoid-holiday-ruined>

On **10th June 2023** a man was seriously attacked very close to Dancing Jug Charminster. I do not know if this was actually connected however I am sure Dorset Police and/or Council will have further information.

In the terribly tragic and fatal stabbing of Cameron Hamilton in the early hours of **5th August 2023**, barrister John Price KC stated during the inquest that:

"They had been to the Dancing Jug in Bournemouth. By the time they left and made their way to the square, several of them were drunk."

"Cameron Hamilton himself, we know, will have been heavily intoxicated."

Source: <https://www.bournemouthecho.co.uk/news/24083364.cameron-hamilton-bournemouth-murder-trial-begins/>

A witness in the case said:
*"We got to the Dancing Jug at around 9/10pm.
We were drinking for around 1-2 hours. It was a normal night.
Then Cam got kicked out of the club because he wasn't walking right or something.
We started walking into the Square."*

Source:

<https://www.bournemouthecho.co.uk/news/24089674.day-3-cameron-hamilton-murder-trial-bournemouth/>

The above incidents highlight incredibly serious and tragic events in Bournemouth.

There has also been a high number of serious and violent crimes listed on the Dorset Police Crime Map with directly outside Dancing Jug Bournemouth highlighted as a 'hot spot' for crime which includes violence and sexual offences, and possession of a weapon.

<https://www.police.uk/pu/your-area/dorset-police/bournemouth-south/?tab=CrimeMap>

Local residents including myself will be concerned about witnessing or experiencing any possible drunk and disorderly behaviour or violence when walking past to our local amenities. My local post office, pharmacy, library, doctors surgery, dentist and other amenities are on Southbourne Grove and I will need to walk past this venue on a nearly daily basis.

The bus stops closest to the venue are the ones I use to access my local amenities and I feel scared that there will be an increase of crime and disorderly behaviour due to excessive all day drinking.

A great concern also is the impact that any possible drug use and drug exchanges will have on vulnerable children and young people being exploited and harmed through county lines.

The Prevention of Public Nuisance:

All you can drink events for 2.5 hours, and 'Happy Hours' from opening until 10pm (as seen in the attached menus) highlight that measures are not taken to prevent public nuisance.

There also appears to be an outside area which will cause further public nuisance. This

	<p>includes:</p> <ul style="list-style-type: none"> ● Drunk and disorderly behaviour which will worry me walking alone past the venue during the day and night ● Rowdy behaviour and swearing which is really unpleasant to me and my local community. I do not want to feel intimidated in my local area when accessing my essential amenities. ● Noise nuisance <ul style="list-style-type: none"> ○ Noise from recorded or live music, including karaoke late night ○ Noise from customers in outside areas, outside smoking, calling taxis, loitering on street, waiting for taxis, shouting, arguing, fighting, swearing ○ Noise of people being refused entry or asked to leave, and not leaving quietly ○ Emptying bins and bottles late at night or early morning ○ Taking away of rubbish ○ Noise of deliveries <p>In the attached application named 'Application Form with notes from applicant' it does state:</p> <p>The outside areas marked on the 'Annex 4 plan' shall not be used after 23:00 each day, save for the area marked as the smoking area.</p> <p>I am unable to source what 'Annex 4 plan' is, however it appears the plan is for outside areas open until 11pm every day. This will contribute to noise pollution for local residents.</p> <p>Without seeing the plans, it seems likely the 'outside' area will be on Beresford Road, or directly behind it, which is residential road.</p> <p>As this is a late night bar, with a bottomless binge drinking business model, the long opening hours will see an increase in litter in the local area, from cigarette butts, rubbish from customers at the venue or shortly after leaving, and possible bins getting emptied at antisocial hours. The venue is also just a few metres away from the entrance to Fishermans</p> <p>Walk, which runs events through https://parksfoundation.org.uk/events/ to engage the local community with nature, and improve overall well being. Having such a noisy, boozy venue in such close proximity will have a detrimental impact on these events and community engagement.</p>
--	---

	<p>There are many community initiatives in Southbourne which may have a detrimental impact from this. This includes the stable family home trust (https://sfht.org.uk/evolve/) which is located across the road just a few metres away at 53-55 Southbourne Grove, BH6 3QU,</p> <p>This is a day opportunity for vulnerable adults and adults with learning difficulties. The inevitable noise, and rowdy and drunk and disorderly behaviour from the Dancing Jug during the day may have a detrimental impact to the wellbeing of the service users here.</p> <p>There are public benches outside on Southbourne Grove which are a necessity for local people to be able to use. Occasionally these are used by religious groups who sit there and provide a local necessity for those who need it.</p> <p><u>Public Safety:</u></p> <p>As a retired nurse for the NHS I feel strongly that the extended opening hours and the drink offers are irresponsible and detrimental to health. It is a high volume drinking establishment which will cause risks to health. It can be life threatening, and will put additional strain on both Bournemouth Hospital, BCP NHS services and all emergency services.</p> <p>These significant drink promotions, 'bottomless brunch' for 2.5 hours where the customer can remain in the premises afterwards, and 'Happy Hours' for 10-12 hours a day, poses a significant risk to individuals, both from an individual health perspective and potential impact to those around them. They may be at risk of acting out of character, and customers may also be more vulnerable due to intoxication. There will of course be a higher risk of recreational drug use and a venue that brings a huge number of people together drinking excessively for long periods 7 days a week. Drugs are clearly a concern for the licensing applicant as they have referred to the measures they are planning to manage people who become unwell with drugs on site and a drugs safe on site, however this does not demonstrate robust measures in preventing drugs from being brought on and ingested onsite to start.</p> <p>It is also likely that there would be a significant number of people in an intoxicated state, as that is the purpose of these types of drink promotions.</p> <p>Dancing Jug venues seem to attract a younger clientele and student customers, who may be more excited and carried away with these dangerous promotions before understanding the dangers of extreme alcohol consumption.</p>
--	---

	<p>The proposed Southbourne venue is located on the corner of Southbourne High Street and Beresford Road, which is a high volume road traffic junction of 30mph, also in very close proximity to a number of bus stops and two other high volume junctions between Southbourne Grove and Wentworth Avenue, and Wentworth Avenue and Southbourne Lane West. Customers who have been making the most of the drinking promotions may be at serious harm from all traffic at 30mph, especially if trying to cross the road, rushing for a bus, or simply stepping off the pavement.</p> <p>With high volumes of customers entering or exiting the venue, in addition to those standing outside smoking, it will impact the pavement width for other pedestrians, and may put them at risk. As an elderly local resident I need safe access to my local amenities. It has already been very challenging to access the road with the scaffolding which has been up for a very long time. I also know first hand the challenges of pushing a double pushchair and also a wheelchair especially with obstacles and lots of people, and there must be provisions in place to ensure that the pavement is kept clear.</p> <p>There are extremely limited safe and legal places for taxis to park to pick up or drop off customers. This can also add further danger to other pedestrians, drivers and road users, in addition to congestion and noise pollution for the local residents. Where will the taxis pull in to pick up and drop off customers? It may mean that they obstruct local residents driveways or park illegally causing danger.</p> <p>1 Beaufort Road, Southbourne, Bournemouth, Dorset, BH6 5AJ is just a few meters away, and provides specialist residential care services for people with learning disabilities, caring for adults under 65, care for people with physical disabilities and care for people with sensory impairments. Dancing Jug may also be detrimental to their physical access to Southbourne highstreet. In the application it states that the venue is seeking live music and recorded music up until between midnight and 1.30am (depending on the day), which includes karaoke. This level of noise pollution at night may impact both the residents, and the front line workers who will need to have appropriate rest breaks during and between shifts.</p> <p>Any increase in vomit, urine or saliva on the street is dangerous and unsanitary and will have a negative impact on the health and wellbeing, and living standards for local people.</p>
--	--

have negative

The Protection of Children from Harm:

There will be a risk to underage drinkers if they get into Dancing Jug or not challenging under 25. Such a high volume establishment may have a higher concentration of younger people attempting entry. Also if they are refused entry for being under 18,, they may be at risk on their own on the streets at night as they try to navigate returning home.

There is a huge risk of noise disturbances impacting local children residents from the noise of the venue and its customers. Beresford Road, and many flats above the shops and hospitality venues on Southbourne Grove, is residential with many families including children living on the road. In addition to families living on Southbourne Grove, Newpark Road and Fishermans walk, and surrounding roads. Having a licence which permits opening times until between midnight and 1.30am, 7 nights a week, with possible even later noise due to taxis and people leaving the venue. This will be detrimental to children's sleep, and if repeated noise disturbances this will be detrimental to their overall health, detrimental to their education and overall wellbeing.

As there will be either a smoking area or smoking on the streets, alongside a possible outside drinking area on a busy road that children will walk past and live in close proximity too or even have gardens in close proximity too, there is a huge risk of children passive smoking.

'Every time a child breathes in secondhand smoke, they breathe in thousands of chemicals. This puts them at risk of serious conditions, such as meningitis, cancer and respiratory infections such as bronchitis and pneumonia. It can also make asthma worse.'

Source:

<https://www.gov.uk/government/publications/new-rules-about-tobacco-e-cigarettes-and-smoking-1-october-2015/new-rules-about-tobacco-e-cigarettes-and-smoking-1-october-2015>

There are a number of Children's Homes in close proximity to 2 Southbourne Grove, including: <https://www.beaufortcaregroup.co.uk/homes/new-park/> which houses vulnerable children. It backs on to the Dancing Jug and is likely to experience noise from the venue and / or its customers. There is another Children's Home in Southbourne: <https://www.beaufortcaregroup.co.uk/homes/beaufort/>.

There are also a number of local nursery schools, including Fingers 'N' Thumbs (<http://www.fingersnthumbs.uk.com/>) located on 6 New Park Road, BH6 5AB. This nursery also has outside play which may be impacted by the noise and also passing the Dancing Jug on the way to or from nursery and home, or trips out with the nursery.

A great concern here is also the impact that any possible drug use and drug exchanges will have on vulnerable children and young people in the local area and nationally, due to being exploited and harmed through county lines.

	<p>Councillor George Farquhar on behalf of Resident of Beresford Road</p>	<p>From: [REDACTED]</p> <p>Sent: 23 July 2024 01:06</p> <p>To: Councillor George Farquhar <George.Farquhar@bcpcouncil.gov.uk></p> <p>Subject: Dancing Jug - Licensing Application (219133)</p> <p>Hi George</p> <p>My name is [REDACTED] and I met you (and [REDACTED]) at your surgery on 12th July and discussed a licensing application from Dancing Jug for 2 Southbourne Grove. Thank you so much for your time and information, it has been invaluable.</p> <p>I have done a lot of research and work on this since then, and knocked on many neighbours' doors since, and everyone I spoke to is extremely unhappy about the application and I expect to be making a written representation.</p>

	<p>I am asking if you could represent me in my plea. I have attached a document I have put together highlighting lots of areas of concern along with evidence of dangerously irresponsible drinking deals, information on serious crime, and points I feel will be in breach of the following licensing objectives:</p> <ul style="list-style-type: none"> • The Prevention of Crime and Disorder • Public Safety • The Prevention of Public Nuisance • The Protection of Children from Harm <p>I have put my representation into this document and attached the relevant documents I have referenced to this email.</p> <p>Also, there is a property across the street from me which is 7 Beresford Road, BH6 5AA. This is a HMO and I understand it has vulnerable adults living there. I haven't referenced this in my evidence as I am not 100% sure almost certain, is this something you could find out? This property will be very negatively impacted by noise, smoke and drunk and disorderly behaviour.</p> <p>Thanks in advance for your time and assistance.</p> <p>Please let me know if there is anything else you recommend I do.</p> <p>Kind regards</p> <p>Premises Details (Please give as much information as possible)</p> <p>Application Ref: 219133</p> <p>Name of Premises: Dancing Jug</p> <p>Address of Premises: 2 Southbourne Grove, Bournemouth, BH6 3RP</p> <p>Reasons for Representation. Please, give information under the relevant Licensing Objective. (Please note you are not required to complete all the boxes unless you feel it is relevant.)</p> <p>The Prevention of Crime and Disorder:</p> <p>The Venue has two other local venues. One in Charminster (27-37 Charminster Rd, Bournemouth BH8 8UE) and another in Bournemouth Triangle (15-17 Poole Hill, Bournemouth BH2 5PW).</p>
--	---

	<p>Their website and social media promote and encourage binge drinking and excessive drinking. I have attached 2 menus for reference, both of which are available on the website: https://www.dancingjug.co.uk/bottomless-brunch/. I also have a number of screenshots from facebook pages showing the daily drink deals of unlimited drinking brunch all day until 10pm, plus 241 cocktails all day, and Happy Hour until 10pm.</p> <p>Source: https://www.facebook.com/Dancingjugbournemouth/?locale=en_GB and https://www.facebook.com/DancingJugCharminster/posts/257725447302684/?_rdr.</p> <p>The Dancing Jug is promoting and encouraging binge drinking / excessive drinking through all you can drink bottomless brunches for 2.5 hours, from opening times until the last 'bottomless brunch' session which ends at 10pm every night. They also offer 'Happy Hour' from opening time until 10pm. This encourages extremely dangerous binge drinking, which will cause harm to both customers, employees, emergency services and residents.</p> <p>There have been a number of serious crime incidents in Dancing Jug venues.</p> <p>6th March 2022 a member of staff was attacked in Dancing Jug Bournemouth. Source: https://www.bournemouthcho.co.uk/news/19996924.cctv-appeal-assault-dancing-jug-poolehill/</p> <p>13th March 2022 a police officer was attacked by two people in the Dancing Jug Bournemouth. Source: https://www.bournemouthcho.co.uk/news/23691606.couple-assaulted-police-officer-avoid-holiday-ruined/</p> <p>This includes on 10th June 2023 a man was seriously attacked very close to Dancing Jug Charminster. I do not know if this was actually connected however I am sure Dorset Police and/or Council may have further information.</p> <p>In the terribly tragic and fatal stabbing of Cameron Hamilton in the early hours of 5th August</p>
--	---

2023, barrister John Price KC stated during the inquest that:
"They had been to the Dancing Jug in Bournemouth. By the time they left and made their way to the square, several of them were drunk."
"Cameron Hamilton himself, we know, will have been heavily intoxicated."

Source:

<https://www.bournemouthecho.co.uk/news/24083364.cameron-hamilton-bournemouth-murder-trial-begins/>

A witness in the case said:

*"We got to the Dancing Jug at around 9/10pm.
We were drinking for around 1-2 hours. It was a normal night.
Then Cam got kicked out of the club because he wasn't walking right or something.
We started walking into the Square."*

Source:

<https://www.bournemouthecho.co.uk/news/24089674.day-3-cameron-hamilton-murder-trial-bournemouth/>

The above incidents highlight incredibly serious and tragic events in Bournemouth.

There has also been a high number of serious and violent crimes listed on the Dorset Police Crime Map with directly outside Dancing Jug Bournemouth highlighted as a 'hot spot' for crime which includes violence and sexual offences, and possession of a weapon.

<https://www.police.uk/pu/your-area/dorset-police/bournemouth-south/?tab=CrimeMap>

Local residents including myself will be concerned about witnessing or experiencing any possible drunk and disorderly behaviour or violence when walking past to our local amenities. I need to walk past this junction to get to my local bus stop, train station, library, pharmacy supermarket and doctors surgery.

The Prevention of Public Nuisance:

All you can drink events for 2.5 hours, and 'Happy Hours' from opening until 10pm (as seen in the attached menus) highlight that measures are not taken to prevent public nuisance.

	<p>There also appears to be an outside area which will cause further public nuisance. This includes:</p> <ul style="list-style-type: none"> ● Drunk and disorderly behaviour ● Rowdy behaviour and swearing ● Noise nuisance ○ Noise from recorded or live music, including karaoke. ○ Noise from customers outside smoking, calling taxis, loitering on street, waiting for taxis, shouting, arguing, fighting, swearing ○ Noise of people being refused entry or asked to leave, and not leaving quietly ○ Emptying bins and bottles late at night or early morning <p>In the attached application named 'Application Form with notes from applicant' it does state: The outside areas marked on the 'Annex 4 plan' shall not be used after 23:00 each day, save for the area marked as the smoking area.</p> <p>I am unable to source what 'Annex 4 plan' is, however it appears the plan is for outside areas open until 11pm every day. This will contribute to noise pollution for local residents. Without seeing the plans, it seems likely the 'outside' area will be on Beresford Road, or directly behind it, which is a totally residential road.</p> <p>As this is a late night bar, with a bottomless binge drinking business model, the long opening hours will see an increase in litter in the local area, from cigarette butts, rubbish from customers at the venue or shortly after leaving, and possible bins getting emptied at antisocial hours. The venue is also just a few metres away from the entrance to Fishermans Walk, which runs events through https://parksfoundation.org.uk/events/ to engage the local</p>
--	---

	<p>community with nature, and improve overall well being. Having such a noisy, boozy venue in such close proximity will have a detrimental impact on these events and community engagement.</p> <p>There are many cafes and community initiatives in southbourne which may be detrimental impacted, including the stable family home trust (https://sfht.org.uk/evolve/) which is located across the road just a few metres away at 53-55 Southbourne Grove, BH6 3QU, This is a day opportunity for vulnerable adults and adults with learning difficulties. The inevitable noise, and rowdy and drunk and disorderly behaviour from the Dancing Jug during the day may have a detrimental impact to the wellbeing of the service users here.</p> <p>Public Safety:</p> <p>The drink offers are irresponsible and detrimental to health. It is a high volume drinking establishment which will cause risks to health. It can be life threatening, and will put additional strain on both Bournemouth Hospital, BCP NHS services and emergency services.</p> <p>These significant drink promotions, 'bottomless brunch' for 2.5 hours where the customer can remain in the premises afterwards, and 'Happy Hours' for 10-12 hours a day, poses a significant risk to individuals, both from an individual health perspective and potential impact to those around them. They may be at risk of acting out of character, and customers may also be more vulnerable due to intoxication. There will of course be a higher risk of recreational drug use and a venue that brings a huge number of people together drinking excessively for long periods 7 days a week. Drugs are clearly a concern for the licensing applicant as they have referred to the measures they are planning to manage people who</p>
--	--

	<p>become unwell with drugs on site and a drugs safe, however this does not demonstrate robust measures in preventing drugs from being brought on and ingested onsite.</p> <p>It is also likely that there would be a significant increase in the number of customers in an intoxicated state, as that is the purpose of these types of drink promotions.</p> <p>Dancing Jug venues seem to attract a younger clientele and student customers, who may be more excited and carried away with these dangerous promotions before reasoning the dangers of extreme alcohol consumption.</p> <p>The proposed Southbourne venue is located on the corner of Southbourne High Street and Beresford Road, which is a high volume road traffic junction of 30mph, also in very close proximity to a number of bus stops and two other high volume junctions between Southbourne Grove and Wentworth Avenue, and Wentworth Avenue and Southbourne Lane West. Customers who have been making the most of the drinking positions may be at serious harm from all traffic at 30mph, especially if trying to cross the road, rushing for a bus, or simply stepping off the pavement.</p> <p>With high volumes of customers entering or exiting the venue, in addition to those standing outside smoking, it will impact the pavement width for other pedestrians, and may put them at risk.</p> <p>There are extremely limited safe and legal places for taxis to park to pick up or drop off customers. This can also further add to noise pollution for the local residents.</p> <p>1 Beaufort Road, Southbourne, Bournemouth, Dorset, BH6 5AJ is just a few meters away, and provides specialist residential care services for people with learning disabilities, caring for adults under 65, care for people with physical disabilities and care for people with</p>
--	---

	<p>sensory impairments. This may also be detrimental to their physical access to Southbourne highstreet. In the application it states that the venue is seeking live music and recorded music up until midnight and 1.30am (depending on the day), which includes karaoke. This level of noise pollution at night may impact both the residents, and the front line workers who will need to have appropriate rest breaks during and between shifts.</p> <p>The Protection of Children from Harm:</p> <p>There will be a risk to underage drinkers if they get into Dancing Jug/not challenging under 25. Such a high volume establishment may have a higher concentration of younger people attempting entry. Also if they are refused entry, they may be at risk on their own on the streets at night as they try to navigate returning home.</p> <p>There is a huge risk of noise disturbances impacting local children residents from the noise of the venue and its customers. Beresford Road is a wholly residential road, with many families including children living on the road. Having a licence which permits opening times until between midnight and 1.30am, 7 nights a week, with later noise due to taxis and people walking away from the venue. This will be detrimental to their sleep, their health, their education and their overall wellbeing.</p> <p>As there will be either a smoking area or smoking on the streets, alongside a possible outside drinking area on a busy road that children will walk past and live in close proximity too or even have gardens in close proximity too, there is a huge risk of children passive smoking.</p> <p><i>'Every time a child breathes in secondhand smoke, they breathe in thousands of chemicals. This puts them at risk of serious conditions, such as meningitis, cancer and respiratory infections such as bronchitis and pneumonia. It can also make asthma worse.'</i></p>

<https://www.gov.uk/government/publications/new-rules-about-tobacco-e-cigarettes-and-smoking-1-october-2015/new-rules-about-tobacco-e-cigarettes-and-smoking-1-october-2015>

There are a number of Children's Homes in close proximity to 2 Southbourne Grove, including: <https://www.beaufortcaregroup.co.uk/homes/new-park/> which houses vulnerable children. It backs on to the Dancing Jug and is likely to experience noise from the venue and / or its customers. There is another Children's Home in Southbourne:

<https://www.beaufortcaregroup.co.uk/homes/beaufort/>.

Children living under the care of Beaufort Care Group are extremely vulnerable children and having a licence which permits opening times until between midnight and 1.30am, 7 nights a week, may be further detrimental to their sleep, their health, their education and their overall wellbeing. They will also be at risk of passive smoke if walking past and likely exposed to or witness drunk and disorderly behaviour and violence.

There are also a number of local nursery schools, including Fingers 'N' Thumbs <http://www.fingersnthumbs.uk.com/>) located on 6 New Park Road, BH6 5AB. This nursery also has outside play which may be impacted by the noise and also passing the Dancing Jug on the way to or from nursery and home, or trips out with the nursery.

Southbourne School of English (<https://southbourneschool.co.uk/>) has many under 18 students, with large groups of students and staff walking up and down the road during the day and evening. They will be exposed to noise and sound pollution, and drunk and disorderly and rowdy behaviour.

Councillor
George
Farquhar on
behalf of
Resident of
Beresford
Road

RE: Licensing of the Dancing Jug.

Re: Application Ref: 219133

Name of premises: The Dancing Jug.

Address: 2 Southbourne Grove. (cnr of Beresford Road) previously Lloyds Bank.

Dear Mr. Farquhar

I'm writing to express my concern of the licencing of the Dancing Jug.

In relation to the crime and disorder it may create, with the articles in the local press with the attacks in Bournemouth and Charminster to emergency services personnel and the general public including children and the elderly.

With reference to prevention of public nuisance I most strongly object to the loud music that will inevitably take place till the early hours every day seven days a week till 12pm - 1.30am.

The increase in traffic thus creating more noise in the evenings and weekends and the difficulty this will cause for residents of Beresford Road to park there own vehicles.

The noise of the rowdy and drunk patrons, thus causing sleep deprivation in the young and of school age and elderly residents in the neighbourhood. This coupled with the already rise in social misbehaviour and vandalism.

This is totally unacceptable to the residents and of the neighbourhood.

This with the already increase of the above and the increase of discarded bottles,cans and cigarette ends amongst other undesirsble and disgusting items.

		<p>I a resident of Beresford Road and the neighbourhood are totally against the granting of licensing to the Dancing Jug.</p> <p>Please would you be an active advocate on my behalf in making objections to the above mentioned application.</p> <p>Regards</p>
15	<p>Ms B Bye</p> <p>Wentworth Avenue</p>	<p>I would like to register my objection to the licensing application by the Dancing Jug ref 219133.</p> <p>The proposals for live and recorded music late into the night are completely out of character with Southbourne, will cause unnecessary noise and disturbance for residents of Southbourne grove and the surrounding neighbourhood, will increase traffic noise into the early hours, and will inevitably increase drunkenness and antisocial behaviour.</p> <p>Please do not allow this license to be granted.</p> <p>Regards,</p> <p>Beryl Bye</p>
16	<p>Mr A Bye</p> <p>Wentworth Avenue</p>	<p>I would like to register my objection to the licensing application by the Dancing Jug ref 219133.</p> <p>The proposals for live and recorded music late into the night are completely out of character with Southbourne, will cause unnecessary noise and disturbance for residents of Southbourne grove and the surrounding neighboured, will increase traffic noise into the early hours, and will inevitably increase drunkenness and antisocial behaviour.</p> <p>Please do not allow this license to be granted.</p> <p>Regards,</p> <p>Andrew Bye</p>

17	Ms L Bilboe Beresford Road	<p>The Prevention of Crime and Disorder: I feel from looking at the other venues of Dancing Jug there will be an increase of disorderly behavior all throughout the day as they seem to pride themselves on as much alcohol as you can drink starting at 12pm . We also have zero police presence in Southbourne as we have no police station</p> <p>The Prevention of Public Nuisance: With opening times well into the early hours and beer gardens and smoking areas outside backing on to our residential road there will be noise from customers. And bottle bins getting emptied at antisocial hours. We also feel there will be an increased amount of litter</p> <p>Public Safety: The promotion and encouragement of binge drinking / excessive drinking all day means there will be an increase of anti social behavior at all times of the day. Attacks to emergency services and employees like there has been in other Dancing Jug venues.</p> <p>The Protection of Children from Harm: We are very concerned our children may be exposed to or witnesses to unsuitable or inappropriate behavior like smoking outside venue, adult behavior, drunk and disorderly behavior and violence</p>	
18	Ms K Trainer Clingan Road	<p>Dear sir/madam,</p> <p>I would like to register my objection to the licensing application by the Dancing Jug ref 219133.</p> <p>The proposals for live and recorded music late into the night are completely out of character with Southbourne, will cause unnecessary noise and disturbance for residents of Southbourne grove and the surrounding neighboured, will increase traffic noise into the early hours, and will inevitably increase drunkenness and antisocial behaviour.</p> <p>Please do not allow this license to be granted.</p> <p>Regards,</p> <p>Karen Trainer</p>
