

WESTERN BCP PLANNING COMMITTEE – 15 August 2024

Addendum sheet

Item 6a – West Hants Lawn Tennis Club, Roslin Road South, Bournemouth

7-2024-5036-BF

- a. In the interests of clarity, the final sentence of paragraph 48 is amended as follows;

"In view of the conflicting reports, the Council's Environmental Health Officer (EHO) has independently reviewed all of the information provided."

- b. A further representation has been received from a 3rd party questioning the noise impact assessment, in particular that the assessment does not take noise data from the boundaries of residential properties closest to the site.

Officers can confirm the noise assessments do show measurements from site boundaries and the nearest part of the residential properties as part of the assessment. The matters raised are addressed in the committee report.

Updates from the 18 July 2024 meeting;

A tree protection plan and arboricultural method statement was received on 09/07/2024.

One additional 3rd party comment received on 11/07/2024. This raises concerns with regards to the noise impacts of the proposals. This issue is addressed in the officer report.

Recommendation

As per the published agenda report.

Item 6b - Broadstone Middle School, Broadstone Middle School, Dunyeats Road, Broadstone
