The Prevention of Crime and Disorder

Dorset Police bring this premises licence before the members of the Licensing Sub-Committee for review on the basis that there is evidence that this premises is associated with significant crime and disorder.

Dorset Police no longer have confidence in the DPS or Premises Licence Holder to uphold the licensing objectives at this premises under this current premises licence.

Please provide as much information as possible to support the application (please read guidance note 3)

This application for a review of the premises licence for Havana, 61 Charminster Road, Bournemouth, is being submitted by Dorset Police as we can demonstrate that this premises has undermined the licensing objectives of the Prevention of Crime & Disorder.

It is and always has been the intention of Dorset Police Drug & Alcohol Harm Reduction Team to engage and support licensees throughout Dorset to promote the four licensing objectives of Preventing Crime & Disorder, Preventing Public Nuisance, Promoting Public Safety and Protecting Children from Harm.

It is our expectation that all licensees will endeavour to meet these objectives and fulfil their duty as licensees with responsibilities to uphold these objectives and meet the conditions of their premises licence.

Dorset Police are receiving increased reports of concern regarding this premise, particularly relating to the association between this premises and the significant levels of disorder and violence associated with this premises. This violence is most prominent during the early hours of the morning.

There are concerns that this violence and disorder is associated with failing to uphold the conditions of the premises licence, including the conditions added to the premises by the licence holder via a Minor Variation in response to an Application for Review submitted by Dorset Police on the 22nd December 2022.

There have been several incidents of disorder and intelligence associated with the premises since December 2022, however, two of the most significant incidents have occurred over the past 3 weeks, resulting in this Application for Review being submitted.

Comprehensive details of the intelligence and incidents associated with Havana will be provided for the benefit of the members of the Sub-Committee in due course, however, members of the Sub-Committee are advised that the most serious incident, a report of grievous bodily harm, occurred at Charminster Road during the dispersal of patrons from Havana shortly after 5am.

Dorset Police are aware that there has been significant interest and complaints associated with Havana from local residents who are frequently disturbed by the activities associated with Havana. Dorset Police are also working closely with Local Councillors to explore other options to improve the overall experience for the residents of Charminster.

Dorset Police, through our Drug & Alcohol Harm Reduction Team, working with other colleagues within Dorset Police and partners in Dorset Council and other responsible authorities, support licensed premises to provide value to their communities and to do so compliantly and in promotion of the licensing objectives. This premises, having been under the control of the existing operator for many years, has been identified as not operating to the high standards that are expected by Dorset Police and our partners.

Dorset Police invite the Sub-Committee to consider all of the options available to them under the Licensing Act 2003 with particular consideration to be given to revocation of the Premises Licence if the members of the Sub-Committee cannot be reassured that conditions may be offered which will restore confidence in the operator to deliver licensable activities compliantly and legally.
