PLANNING

This drawing is copyright and the property of DMWA Ltd Chartered Architects. It may not be copied, reproduced or altered in any way without their written authority.

This drawing is for planning purposes only.

All dimensions to be checked on site and any discrepancies reported to the Architect immediately. All structural and specialist elements/components/details, including glazing, are to be approved by the Structural Engineer or Specialist Contractor.

DESIGNER'S RISK ASSESSMENT:

HEALTH AND SAFETY

The architect is not responsible for construction or use of Building Products and Construction Execution Hazards.

Commonwealth hazards associated with Building Products and Construction processes are not listed below and will be assumed to be controlled by the **Building Contractor** following good safety, management and site practice procedures.

The proposed works are designations well established method of construction, which can be carried out by a competent contractor. However, should the contractor find any area of concern he must inform the designer immediately in order that appropriate action can be taken.

THESE DRAWINGS ARE FOR PLANNING PURPOSES ONLY.
