Background

1. The CYPP plan is the result of extensive consultations with key stakeholders including representatives from charities, the police, health services (including the NHS), social care, as well as members of the wider council, elected officials and in particular children and young people, ensuring it reflects the community's needs.
2. The five priorities for 2025-2030 are:
 - *Feeling happy*
 - *Being safe*
 - *Feeling supported*
 - *Being included*
 - *Feeling fulfilled*
3. The CYPP plan itself was written in as simple and clear language as possible to communicate the plan in an accessible way, aimed at a reading age of 9 which is the average reading level across the UK (including adults).
4. A new children and young people's partnership board will be set up to monitor the delivery of this plan and to make sure it makes a real difference to children and young people. Individual organisational strategies and plans will reflect the agreed priorities and objectives, so that they will be firmly embed in all our work.
5. Next Steps are as follows: The final design will be signed off by 20 March 2025 to go to cabinet on 2 April. The CYPP plan will be formally launched end of April 2025.
