Background

- Auditors working in the UK public sector must follow the requirements of the Global Internal Audit Standards (GIAS) subject to the interpretations and additional requirements set out in the Application Note which both come into effect from the 1st April 2025.
- 2. The standards include 'essential conditions' for the governance of internal audit which are provided in CIPFA's Code of Practice for the Governance of Internal Audit in UK Local Government which also comes into effect from the 1st April 2025.
- 3. The GIAS and supporting guidance require Internal Audit to create and revise as necessary an Internal Audit Plan. The plan should also be approved by the Audit & Governance Committee and the Internal Audit service budget (as previously approved by Council) should be noted.

BCP Assurance Framework

- 4. The BCP Assurance Framework assists the Audit & Governance Committee with their role of providing independent assurance to the Council on the effectiveness of the Council's governance arrangements, risk management framework and internal control environment
- 5. The Council's Assurance Framework was presented to the Audit & Governance Committee on the 27 January 2025 for comments and feedback.
- 6. The Assurance Framework at Appendix A has been updated, as requested at the last meeting, to include a new column indicating 'Member Oversight' of assurance functions through committee meetings. Audit & Governance Committee are asked to agree the updated Assurance Framework.

Internal Audit Plan 2025/26

7. The Internal Audit Plan 2025/26 (high level allocation of resource and delivery approach) is unchanged from that presented to the Audit & Governance Committee on the 27 January 2024 and reproduced below, with comparison to the 2024/25 Audit Plan:

- 11. The proposed work in the 2025/26 Audit Plan has been designed to enable the Head of Internal Audit to provide an annual conclusion on the Council's governance, risk management and control arrangements. Summary of financial implications

- 14. The BCP Internal Audit Team budgeted cost for 2025/26 is £776,000. This budget is inclusive of all direct costs including supplies and services but does not include the apportionment of central support costs (which are budgeted in aggregate and apportioned to services as a separate exercise). These numbers are also inclusive of the Head of Audit & Management Assurance who manages other teams.
- 15. The allocated budget resource for 2025/26 is considered adequate to deliver the Internal Audit Charter 2025 and 2025/26 Audit Plan. Audit & Governance Committee are asked to note the budget for the Internal Audit service which has been previously approved by Council as part of the 2025/26 Budget setting and Medium Term Financial Plan update in February 2025.

Summary of legal implications

16. This report gives an opinion on the adequacy and effectiveness of the risk, control and governance systems in place.

Summary of human resources implications

- 17. There are 13.8 full-time equivalent (FTE) Internal Audit staff members planned to be employed as part of the 2025/26 Audit Plan inclusive of the Head of Audit & Management Assurance. It is the opinion of the Chief Internal Auditor that these resources are sufficient to provide Audit & Governance Committee and the Council's Corporate Management Board with the assurances required.
- 18. This represents a decrease of 0.55 FTE from 2024/25 resulting from a planned minor restructure of the team resulting in a decrease in audit apprentice positions from three to two during the year, which will be offset by the addition of two new career auditor roles.
