

3. That, After three months later on March 2024, I went back to the same shop in search of job because owner was an well known person to my friend at that time shop owner verified my BRP and it was not in live. So, shop owner advised me to go back to my hometown in India. That, some days later in the April 2024.I was thinking of to go to my hometown in India and at that time only I recognized that I left all my original documents in that shop owner's car and I Immediately contact him through call but it was not reachable. 6. That, Later they took me to police station and without giving me any chance to explain the situation they told to sign some papers and it was in English so I ask what are all these papers and why should I sign in these papers for that they told it's all just for formalities so sign in it and I signed by compulsion by the officers without knowing the paper's details and asked for an translator because I was not good in English to explain the papers details and my situation but they did not do that and they threaten me to keep quiet.
7. That, Police said I accept that I work in that shop. So, during the interview I asked for that acceptance photo age because the whole station is surrounded with the CCTV cameras but they refuse to produce that to me.
8. That, after that I filed a case and came out, solved all the problems in my hometown and applied for a White Passport and got the same and came to my hometown in India.
