Technical drawing of a handrail assembly. The drawing shows a side view of a handrail with a central support post. Dimensions are indicated: a total length of 2400, a distance of 1200 from the left end to the support post, and a distance of 900 from the support post to the right end. The handrail is supported by a base structure consisting of timber planks and joists. Callouts identify the following components: Handrail, Demountable bollard, 100 x 100 x 5.0 SHS (stainless steel), Timber planks, 100 x 200 joists @ 600 c/c max, notched over SHS, 100 x 100 x 5.0 SHS, and 100 x 100 x 5.0 SHS.
