Hi Ellie

Environmental Health formally objects to the proposed variation in late-night refreshment hours. As previously discussed, a noise abatement notice has been served on the premises due to persistent noise nuisance caused by the kitchen extraction system.

Following an inspection, an acceptable noise level was established in agreement with the applicant, alongside a designated cut-off time aligned with the current late-night refreshment hours. This arrangement was intended to allow the applicant to continue using the extraction system temporarily while implementing necessary repairs. However, recent noise monitoring has confirmed multiple instances where the agreed noise level and timings have been exceeded. Consequently, the applicant is in breach of the notice, and formal legal action is currently under consideration.

Given these circumstances, Environmental Health cannot support the application to extend late-night refreshment hours, as doing so would further exacerbate the ongoing noise disturbance affecting local residents.

Kind regards

Paul

My name is [REDACTED] I live at [REDACTED] Alma rd Chorminster, I have lived here for the last 7 yrs.

I'm writing to object to the Chicken Cottage getting a late licence, As over the last year I've been in a dispute over the noise coming from their broken extractor fan the owner refuses to get fixed even though he has been instructed to by the council, I've had noise test done and he still won't get it fixed.

Over my 7 yrs here the chicken cottage was open till 2am every night even though they didn't have the proper licence even since he had to close at 12.30 he was still doing deliveries until late.

He has been nothing but problems since he took over the shop.

He has harassed me when I went into the shop to complain, the police were called and they went and spoke to him but nothing happened to him again.

He has been living in the shop, sleeping in the basement, I called the council to complain and the woman said it wasn't a problem with him living in the food shop. Since I've been having this problem he has been deliberately harassing me, leaving his fans on all night staying open till 2.30, 3.00 am having cars parked on the pavement and motorbikes revving engines until early in the morning.

NOW HE IS LEAVING HIS EXTRACTOR FAN ON ALL NIGHT RATALING AND VIBRATING MY WHOLE FLAT

HE IS ABUSIVE AND THREATENING
HE SLEEPS IN THE BASEMENT OR A FOOD SHOP, HIS CAR IS PARKED AT THE BACK OF THE SHOP BLOCKING THE BINS, THEY PLAY MUSIC LATE AT NIGHT THEY HAVE CARS AND MOPEDS ON THE PAVEMENT ALL THROUGH THE NIGHT

HE DOESNT CLOSE UNTIL 2.30 AM 3 AM EVERY NIGHT 365 DAYS A YEAR

HE WAS TOLD BY THE COUNCIL TO FIX THE FAN LAST JULY AND FOR GOING ON 1 YEAR THE FAN IS STILL BROKE, STILL CAUSING ME STRESS AND SLEEPLESS NIGHTS FOR ONE WHOLE YEAR, HE JUST KEEPS IGNORING THE ORDER AND KEEPING IT ON ALL NIGHT JUST TO DISTURB ME

HE IS DOING EVERYTHING BUT THE RIGHT THING

WHY HAS THIS CHICKEN SHOP BEEN ALLOWD TO DO WHAT HE WANTS WITHOUT CONSEQUENCES

I HAVE PHONED THE LATE NIGHT COMPLAINTS LINE AT BOURNEMOUTH COUNCIL LOADS OF TIMES THROUGH THE NIGHT, I HAVE LOADS OF EVIDENCE OF THE DISTURBANCE OVER THE LAST YEAR

I HAVE NOT HAD A GOOD NIGHTS SLEEP IN JUST UNDER A YEAR, THIS IS CAUSING ME GREAT STRESS

I'M DESPERATE TO GET THIS GUY TO FIX HIS FAN
