

The existing drawings are assembled based on archival drawings, survey information, and site photographs. Survey information will represent the condition of the existing building at the time of the survey. Therefore, the existing drawings may not represent any recent changes or current ongoing works being carried out on site instructed outside of the works scope. Whilst all care will be taken to incorporate survey information into the drawings, no responsibility is taken for the accuracy of third party survey information.

Legend:

- Development boundary
- Existing buildings
- Temporary construction
- Temporary construction not built
- Completed May 2024 under PD rights
- New elements
